Administrative Rule to be Waived: 11—56.5(8A) Expiration of a list.

Statement of Rule:

The expiration of a list shall be 120 calendar days following the date of issue unless otherwise approved by the director. Effective dates of appointments or promotions must be no later than 60 days after the expiration date of the list unless otherwise authorized by the director, except that appointments or promotions “pending graduation” or “pending license” shall be allowed to be effective up to nine months following the expiration date of the list.

List the names of the persons or the description of the class known by petitioner to be affected:

Classification: Boiler Inspector. 12 Candidates on the eligibiity list, 2 interviewed

Briefly describe the change requested, including the portion of the rule to be waived:

The candidate listing expired 12/05/20, we would like to offer to a candidate in this difficult to fill position. The offer needs approval on an AAR from DAS

Justification for waiving rule (attach additional sheets, as needed):

Due to COVID, the review and interview process was delayed until November. As stated above this position has historically been difficult to fill, the potential candidate has a wealth of experience and will also require an AAR that will take additional time.
