#### **Health Insurance**

Health insurance coverage is effective the first day of the calendar month following completion of one month of continuous employment. The State of Iowa offers employees one health plan (administered by Wellmark Blue Cross and Blue Shield) with two provider network options:

- **Iowa Choice** has a provider network for in-state care, with a large selection of providers within the state and some surrounding counties.
- **National Choice** offers an expanded network, with the option to receive services from Iowa-based providers as well as providers throughout the U.S.

Plan design is identical between Iowa Choice and National Choice. The only difference between the two options is the networks.
