

# Group MedicareBlue<sup>SM</sup> Rx (PDP) pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, contact your employer group.

## Understanding the benefits

- The *Evidence of Coverage* (EOC) and Chapter 4: What you pay for your Part D prescription drugs (Schedule of Coverage and Limitations (SCAL) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Find the EOC at [YourMedicareSolutions.com/2023GroupDocuments](https://YourMedicareSolutions.com/2023GroupDocuments) and choose either the 4-Tier or 5-Tier document. Contact your employer group to obtain a copy of the SCAL.
- Review the *pharmacy directory* or use the online “Find a pharmacy” tool to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the *formulary* to make sure your drugs are covered.

## Understanding important rules

- In addition to your monthly Part D plan premium, you must continue to pay your Medicare Part B premium.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2024.
