

Important Notice from the State of Iowa to Medicare Eligible Participants Regarding Your State of Iowa Prescription Drug Coverage and Medicare 2023

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the State of Iowa and about your options under Medicare's prescription drug coverage (Part D). This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The State of Iowa has determined that the prescription drug coverage offered by the State of Iowa Active Employee and Retired/Disabled Direct Pay Group is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays, and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

State employees: Your current State of Iowa coverage will not be affected if you decide not to join a Medicare drug plan.

State retirees enrolled in Iowa Choice or National Choice: Medicare-eligible retirees may keep Iowa Choice or National Choice coverage with or without enrollment in Part D. Retirees have a voluntary option of coordinating pharmacy benefits with MedicareBluesm Rx. **This coordination between Wellmark and MedicareBluesm Rx will result in a reduction (savings) in the Wellmark monthly premium paid by you.**

State retirees enrolled in Group Program F or Group Program N: Medicare-eligible retirees may keep the State of Iowa coverage with or without enrollment in the MedicareBluesm Rx.

Important Note: *If you are a State retiree and you drop your current State of Iowa group health insurance coverage altogether, be aware that you and your dependents will not be able to rejoin the State of Iowa group.*

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the State of Iowa and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

After 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
