

### HOW YOU CAN COMPLETE A VERIFICATION

When you need a verification, you have two options:

**Option 1:** Take advantage of Clear Verify's "My Verify" feature by sending verifications directly to verifiers themselves. This feature enables you to initiate verification requests directly with verifiers as well as download lighter employment forms.

**Option 2:** The verifier can submit a request to pull your data from Clear Verify's platform for the relevant verification.

Say goodbye to waiting days; don't rely on HR for verifications. Embrace instant verifications like a pioneer—where efficiency meets your aspirations.
