Employment & Income Verifications, Simplified

Clear Verify is a cutting-edge verification solution that puts power back into the hands of employees. Our sophisticated technology provides a user-friendly interface that simplifies employment, wage, government and work letter verifications, reducing time and resources spent on these critical tasks.

With Clear Verify, employers can streamline their verification process by cutting the administration burden down from days to minutes. This allows HR departments to focus on the core of their business, freeing up valuable resources for more important initiatives. Best of all, Clear Verify doesn't charge employers any fees, making it the most cost-effective option on the market.

✔ **$0 Setup Fees**   ✔ **$0 Monthly Fees**   ✔ **$0 Integrations**

Mitigate Risk & Liability

Completing in-house verifications requires a significant investment of time and entails risks in ensuring the legitimacy of verifiers. Clear Verify eliminates this burden by ensuring that each verification is conducted by a legitimate and credential verifier.

Skip HR With My Verify

My Verify empowers employees to take control of their verifications. This trailblazing feature allows employees to effortlessly initiate and send their data to verifiers. All users platforms are accessible with mobile devices, enabling seamless verifications while on the move.

Integrity-First Verification Partner:
Clear Verify Does Not Sell Your Employees' Data

Clear Verify prioritizes data security and confidentiality. Our Verification Services are solely for Employee Relations, with no personal data collection or sale. We share employment data with authorized access only. Employees can conveniently access and download verification results, including verifier credentials and custom work letters. We do not engage in offshoring. Our skilled Client Success Managers, based in the United States, handle your sensitive information with utmost care.
