Access Online

Access Online is US Bank's online credit card management system. Cardholders and/or Agency Administrators are expected to monitor and review transactions regularly and allocate expenses to ensure payment processing accuracy and efficiency. At the end of the billing cycle, Cardholders must print and sign statements, verify expenses, match receipts plus attach any informal quotes and/or other documentation as needed, and submit to required approvers and Agency Administrators according to internal procedures.

Statements are available on the 21st day of the month, unless the 20th falls on a weekend or a holiday. Then the cycle ends at midnight of the following business day.

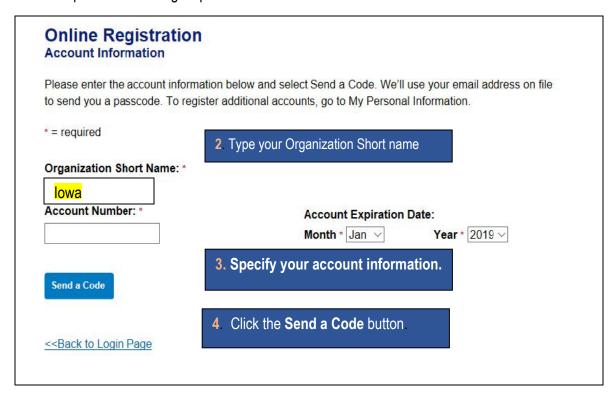

Creating A Cardholder Account and Logging In

Log on to the site at: https://access.usbank.com to register your Cardholder Account online. This must be completed **BEFORE** you can access your account information, transactions or statements. Enter lowa in the Organization Short Name field and select Register Online. When registering, you must include your State of lowa email address in order to receive monthly st

Access[®] Online

Contact Us Welcome to Access Online! Login Please enter the information below and login to begin. * = required Please note: Organization Short Name:* **lowa Organization Short** User ID:* Name: Iowa Password is a CASE Password:* SENSITIVE field! Login Forgot your password? 1. Click Register Online Register Online Activate Your Card | Change Your PIN

Then complete the following steps:

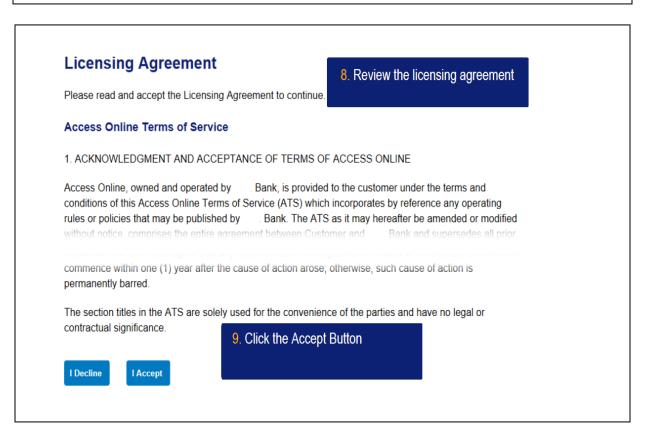

Tip! If you make a mistake in typing your information, then Access Online displays an error message. If you receive this error message, then check your entries for formatting (e.g. that you do not have any spaces in your account number), correct the information, and continue. If you cannot continue, then contact your PCard Coordinator for assistance. If you become locked out of the registration, then the State PCard team can unlock you.

If you do not complete a required field (designated with an asterisk on the screen), then Access Online displays the following error message: "A required field has been left blank, please complete." If you receive this error message, then check the required fields and complete the blank ones.

Online Registration

Password and Contact Information

Organization Short Name: IOWA Functional Entitlement Group: CHV001

User ID & Password

* = required

Please enter an ID between 7-20 alphanumeric characters and a password between 8-20 alphanumeric characters. Use a combination of letters and numbers easy for you to remember but not for others to guess.

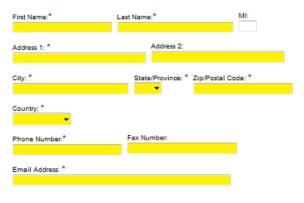

Authentication

Please select three unique authentication questions and responses. This information will be used in the event that you forget your password.

Contact Information

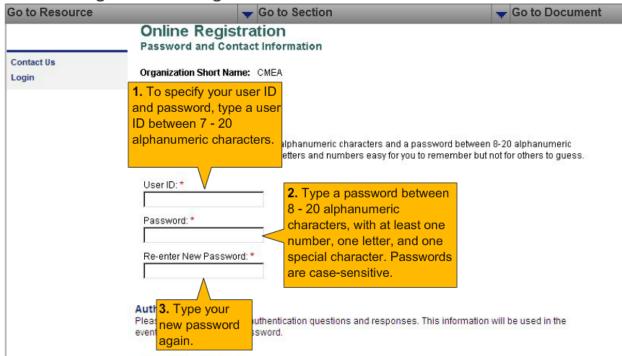

Required fields have red asterisks.

- 1. Type a user ID between 7 20 alphanumeric characters.
- 2. Your organization may use passwords or password phrases. Click

the **Information** icon to find out which option your organization uses and to get suggestions and requirements.

- 3. Specify your password/password phrase by typing your password/password phrase two times.
- 4. Specify your authentication questions and responses.
- 5. Specify your contact information.

Online Registration: Register Your Accounts Online

- 1. Type a user ID between 7 12 alphanumeric characters in the *User ID* field.
- 2. Type a password in the *Password* Field
- 3. Confirm your new password by typing it a second time in the **Re-enter New Password** field.
- 4. Select a question from the Authentication Question 1 drop-down list.
- 5. Type your answer in the *Authentication Response 1* Field.
- 6. Repeat Steps 10 11 to specify your remaining authentication guestions and answers.
- Complete the contact information fields. Be sure to enter your State email address to set up email notifications for statements and *Continue*.

To receive Statement Notifications by email, make sure the *Status* setting is Enabled and save.

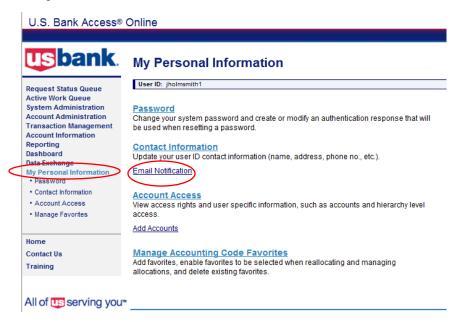

Statement Notification

Select accounts below to receive email notification when a statement is available in Access Online.

Accounts associated directly to this user id:

To make changes to your Statement Notification, select My Personal Information from the left-hand navigation and select Email Notification under Contact Information.

Downloading Statements

The banking cycle closes at midnight on the 20th day of the month (unless a weekend or holiday). If the 20th falls on a weekend or a holiday, the cycle ends at midnight of the following business day.

On the following business day, Cardholder statements are ready in Access Online to download, print and match to receipts (statements will NOT be mailed).

To download a statement from Access Online, select **Account Information** from the left-hand navigation, then **Cardholder Account Statement** (under the Statement category).

The most current billing cycle will default on the screen (for prior months' statements, select the drop-down arrow on the box). Select **View Statement.**

Verifying Statement Charges

Your Statement will open as a PDF that you can print and/or save.

Double check all charges on the statement against your receipts. Attach itemized receipts and any additional documentation (such as informal quotes) to your signed statement verifying charges and submit to appropriate approvers according to your agency's internal procedures. Remember to keep copies for your records!

Transaction Management

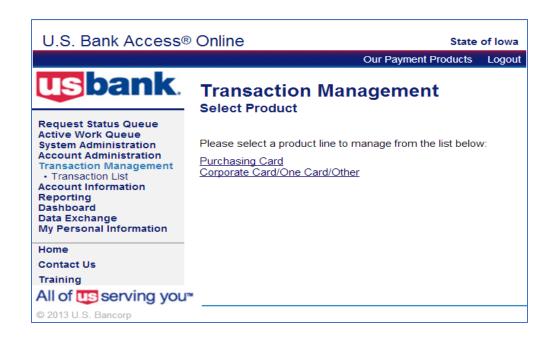

Monitoring Account Activity

One of Access Online's key benefits is the ability to **monitor account activity.** Accounts may be monitored by Cardholders or Agency Pcard Administrators and should be done regularly to detect fraud early and reduce the additional time, paperwork and expense needed to address it.

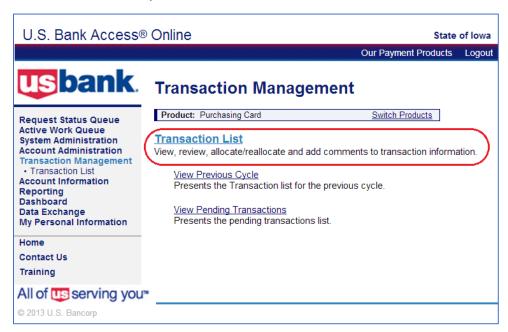

- Addressing fraudulent transactions <u>BEFORE they print on the statement</u> prevents having to pay the charges (Do Not short pay Statements!) for later reimbursement. (To view charges <u>after they post</u>: Transaction Management Transaction List Card Account Summary with Transaction List. See pgs 10-11.)
- Viewing Current Posted Transactions
- Pcard and Travel Card transactions post to Transaction Management within 1-3 business days.
 From the Home screen left-hand navigation, select Transaction Management.

The screen below will *ONLY* appear if both Pcard and Travel Card accounts exist. Select **Purchasing Card** for Pcard or **Corporate Card/One Card/Other** for Travel Card maintenance.

Next, select **Transaction List** to search for transactions in the current cycle, or **View Previous Cycle** to view/allocate after the cycle has ended.

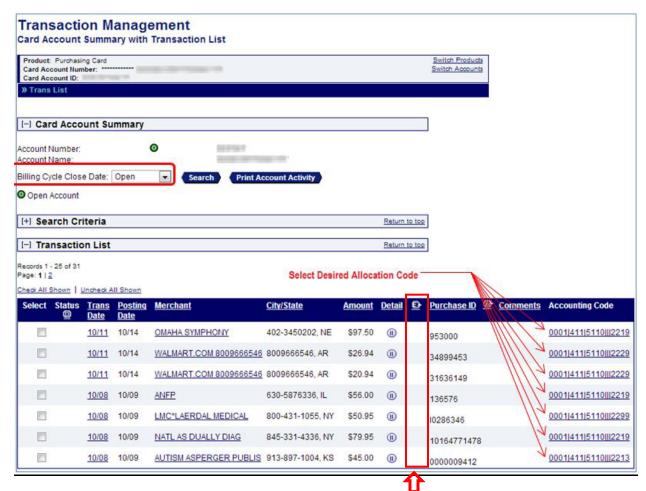

From the next **Transaction Management** screen, you are able to reallocate.

Allocating/Reallocating Transactions

Each Pcard has been assigned (mapped) to **default account coding** (chart of accounts: fund, department unit and object code). Some **Merchant Category Codes** (MCCs) have been mapped to default object codes (which describes the type of merchant business). Default object codes for all transactions must either be

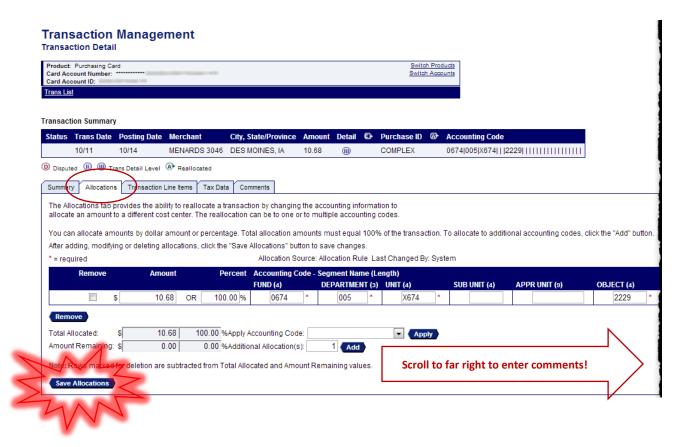

<u>verified as accurate or reallocated</u>. (If you don't know your Agency's accounting strings, consult your Budget Analyst or finance department.)

From the **Transaction Management** screen, the current (open) transaction list is selected by default from the **Billing Close Date** drop-down menu. Inside the drop-down menu, all active or previous billing cycle transactions are available for review. To allocate or reallocate transactions, simply select the **Accounting Code** live link from the Transaction List on the right.

(An "A" will appear in this column if the transaction has been reallocated.)

Next, select the **Allocations** tab to view default allocations, change account coding or distribute transactions either by percentage (total must equal 100%) or dollars (total dollars must sum). When reallocating, you must enter content in the **Comments** field before your reallocation will be accepted and **Save Allocations** to lock in your changes. If the default accounting code is correct, no action is needed.

COMMENTS REQUIRED: When reallocating, content must be added to the **Comments** field at the far right

of the screen before reallocations will be accepted. You must scroll to the far right to access the Comments field. Be sure to Save Allocations to lock in changes before exiting. If the default accounting code is correct, no action is needed.

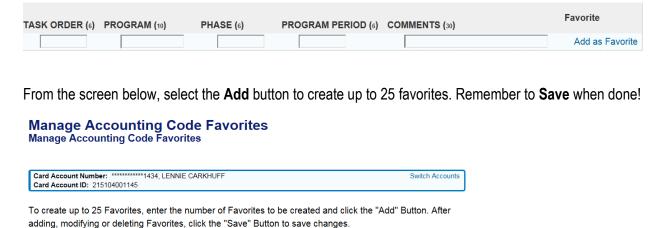

WHY WE ALLOCATE: Allocating in Access Online streamlines the payment process. Transaction data and accounting strings are extracted from Access Online 15 calendar days after the cycle close date. Through a data interface, the information is uploaded to I/3 and used to automatically generate Payment Request Commodity (PRC) documents. Accurate allocations in Access Online result in accurate PRCs – without the manual entry!

Note that the comments entered in Access Online are included with the accounting info – Code + Comments must match exactly for line items to roll up. To help ensure consistency, some agencies create a master list of accounting codes and corresponding comments. Another option is Accounting Code Favorites.

Creating Accounting Code Favorites

A great time-saving tip is creating **Accounting Code Favorites**. You may save up to 25 favorites! To create a favorite, scroll to the far right of the reallocated accounting string and select **Add as Favorite**.

	Accounting Code - Segment Name (Length)									
Delete	Favorite Name		Status		FUND (4)	DEPARTMENT (3)	UNIT (4)	SUB UNIT (4)	APPR UNIT (9)	OBJECT (4)
	tools	*	Active	~	0674	005	X674			2229
	broom	*	Active	~	0674	005	X674			2299
	D batteries	*	Active	~	0674	005	X674			2219

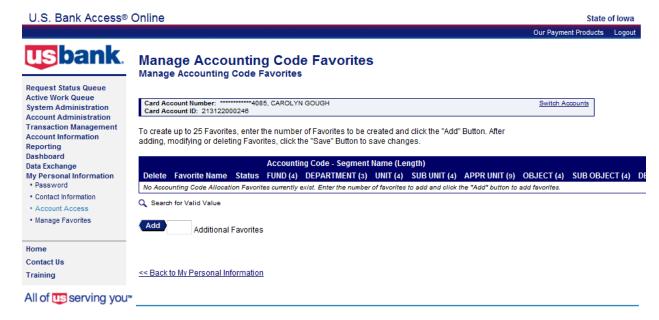

Q Search for Valid Value

When you return to the Allocations tab, your saved favorites will appear in the **Change To** drop-down menu for future reallocations. Don't forget to **Save Allocations**.

You can change or update Accounting Code Favorites from the **Manage Favorites** option in the left-hand menu under **My Personal Information**.

<u>Mass Allocation – Transaction Management</u>

Log into Access Online.

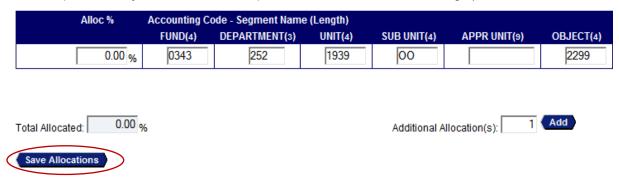

Select Transaction Management from the left navigation menu

1. <u>To allocate several transactions to the same accounting string</u>, check the appropriate boxes and select Mass Reallocate.

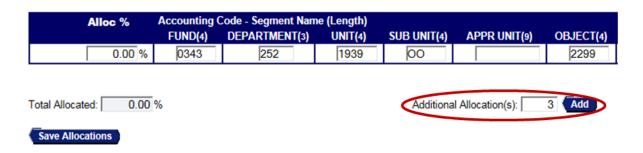

✓	<u>01/26</u> 01/27	OFFICEMAX CT*IN#789248	NAPERVILLE, IL	\$15.09	(11)	00000000000000000	0343 252 1939 OO 2219
✓	01/26 01/27	OFFICEMAX CT*IN#789236	NAPERVILLE, IL	\$60.40	(11)	00000000000000000	0343 252 1939 00 2219
✓	01/26 01/27	OFFICEMAX CT*IN#788989	800-472-6473, IL	\$626.00	(III)	00000000000000000	0343 252 1939 00 2219

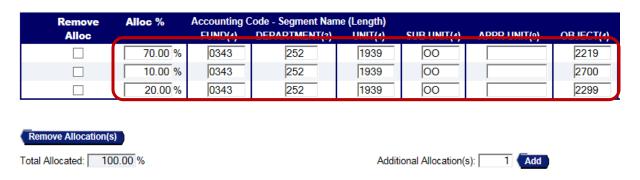

2. Next, enter the desired accounting string or select a saved favorite and Save Allocations (must have Fund, Dept., Unit, Object, as well as description in the Comment field at far right).

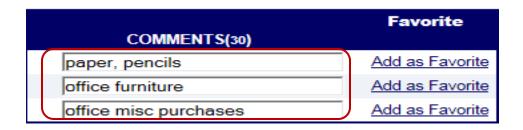

3. <u>To mass allocate with multiple percentages and dollar values</u>, insert the number of Additional Allocation(s) and select Add (shown below).

4. Enter your Allocation percentage values and update accounting code strings manually or via saved favorites per above.

5. <u>To create new favorites,</u> scroll to the far right and enter a description in the comment fields; select Add as Favorite.

6. After your allocation is completed, make sure to Save Allocations.

Remove	Alloc %	Accounting Code - Segment Name (Length)							
Alloc		FUND(4)	FUND(4) DEPARTMENT(3) UNIT			APPR UNIT(9)	OBJECT(4)
