Ms. Meier,

The XPAF Lite Annual License Fee (ALF) entitles your company the right to use the XPAF software for the following year. The ALF also includes hotline support, patch fixes and product upgrades as they become available.

The annual license fee is mandatory per the license agreement and must be paid in order for Xerox to renew the license string that enables the XPAF products. Xerox is the Sole Source provider of XPAF software and support.

We appreciate your business and thank you for choosing Xerox products. Please let me know if I can be of any further assistance.

Sincerely,

Troy Wilson
