Dear Bill,

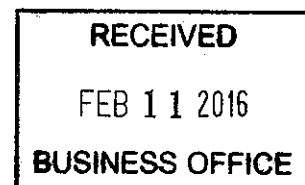

All products of V-Soft Communications are produced and sold solely by V-Soft Communications. Our products are not available through any distributor. Purchase of all V-Soft Communications' software is based out of our Cedar Falls, IA office. Our software cannot be purchased from any other source. Additionally, all station, terrain, mapping and population databases are in a proprietary format and cannot be used with software from other vendors, nor can the products supplied by other vendors be used with V-Soft products.

Please call us at (319)266-8402 if you have any questions or require additional information.

Sincerely,

A handwritten signature in cursive script that reads 'Kate English'.
