Subject: Omnicell Upgrade Supplement

Chris,

Here is the supplement for signature, please complete page 2 then scan both pages back to me along with the "Purchase Order for the GRAND TOTAL" amount. We need to turn this quickly in order to get delivery by 6/30. I did request a sole source letter, I am very concerned however that I may not be able to provide this in time to meet our timeline as the wheels do not always turn as quickly as I would like. As soon as I get the sole source letter I will provide it. In the meantime, if we can get the PO and Supplement as soon as possible that would be the best. I can assure the State of Iowa that the G4 upgrades that Omnicell will provide are proprietary and there is not a chance that any other vendor can provide this patented product.

Thank you and please call or email me with any questions.
