Classification Series Guidelines

Laundry Worker Series

Classes in the Series

Class Code	Class Title
07305	Laundry Worker 1
07306	Laundry Worker 2

Series Concept

This series covers those positions that perform the sorting, washing, drying, and pressing of clothing and linens.

Class Distinctions

Laundry Worker 1

Positions operate a variety of washers, dryers, extractors, flat ironers, folding machines, and other equipment in a laundry. Soiled and dirty clothing and linens are sorted, washed, dried, and folded.

Laundry Worker 2

Positions at this level function either as a lead worker of Laundry Worker 1 positions or operate computerized washers and extractors in a high volume laundry operation such as found at the Veterans Home. Consoles are monitored and plastic control cards are inserted at the appropriate time to ensure proper laundering.

Effective date: 10/12 BR
