ORDER PROCESS

The order process is initiated when Esri receives an original purchase order or some form of advance payment. Several additional documents (e.g., Master License Agreement, credit application, Tax Exemption Certificate) may be required to complete the order process. Generally, the need for these documents varies by the type of software, data, web-enabled services, subscriptions, professional services, or other products ordered, which is determined upon receipt of the purchase order (or advance payment). If delivery must be expedited, please contact your marketing representative for assistance.

IMPORTANT! Collectively, these documents contain the authorizations and information necessary to ship proper versions of the software or data on the correct media or to initiate web-enabled services, subscriptions, or professional services. Please return them promptly to avoid unnecessary delays in shipping or delivery. Please return all documents to Esri Customer Service, or as otherwise directed.
