JUSTIFICATION FOR EQUIPMENT/SERVICE CONTRACT PURCHASES

Effective December 12, 2008, Executive Branch agencies, *excluding* the Iowa Department of Transportation (DOT) and Regents, are prohibited from purchasing equipment valued over \$25,000 and entering into service (consulting) contracts over \$25,000, unless prior approval is received from the Iowa Department of Management. This applies to general, federal, and other funded purchases/service contracts.

Equipment includes purchases classified in object code 501 (equipment), 502 (office equipment), 503 (equipment, non-inventory), or 510 (IT equipment and new software, not a renewal of an existing software license). Examples of equipment include, *but are not limited to*, copiers, computers, servers, and office furniture. Service (consulting) contracts may be included in 405 (prof & scientific services), 406 (outside services), 409 (outside repairs/services), or 418 (IT outside services).

Please submit the completed form to your agency's fiscal & policy analyst at the Department of Management, and attach additional documentation if necessary. You will be notified by DOM if your purchase/service contract has been approved, or the reason why it was not approved.

TO BE COMPLETED BY REQUESTING AGENCY:

Agency: Civil Commitment Unit for Sexual Offenders #406

Submitted By: Jennifer Jenness-Lockwood

Telephone: 712-225-6950

E-mail: jjennes@dhs.state.ia.us

Description of Equipment/Service: Add 1 - new Omnicell New XT One Cell 2018 complete cabinet with 7 drawers, 1 external return bin and Omnicell Solution software for new ward opening at Civil Commitment Unit for Sexual Offenders. This is a Pharmacy prescription dispensing drug cabinet that will be compatible with the existing Omnicell Pharmacy system at Cherokee Mental Health Institute.

Cost of Equipment/Service: 57,453.61

Source of Funds: 0001 406 0000 M28

Contract # or RFP # (if applicable): N/A

Please explain the need for this purchase: Civil Commitment Unit for Sexual Offenders is opening a new ward for committed patients. As CCUSO continues to grow, the need for new equipment also continues to grow. The Omnicell system at Cherokee Mental Health and CCUSO has a Capital Asset value of \$606,800.00 so compatibility to existing system is essential to provide precise medications and care treatment to the patients. The Omnicell system has established links to the RX Connect and Avatar order entry system that includes Admission/Discharge, patient billing, medicine orders, Schedule of Meds bi-directional interfaces from the State of Iowa's BHIS software. The Omnicell system enables the MHI and CCUSO nursing staff to be current and up to date on all patient's medication profiles.
