Overview of Routine Maintenance Procedures

This section presents a plan for distribution and utilization of these funds and procedures for reporting on the use and disposition.

Distribution of Funds on a Square Foot Basis

Distribution of funds will be coordinated by the Department of Administrative Services, General Services Enterprise, in accordance with:

- the language of the appropriation
- the definition and examples of Routine Maintenance, and
- the procedures outlined in this document.

Distribution of funds are prorated to all agencies supported by the Department of Administrative Services, based upon the gross square footage of buildings.

Square footages are maintained by the Department of Administrative Services. These square footages will be adjusted as requested with supporting documentation from the institution or site in question.

Additional Guidelines for Allocation of Routine Maintenance Funds

The Department of Administrative Services uses the following guidelines for distribution of Routine Maintenance funds.

- Allocations will not take into account any current spending from the operating budgets of the agencies and institutions.
 - Funds will be allocated on a gross square foot basis per agency, based upon the square footages of buildings maintained by the Department of Administrative Services. There may be adjustment for underutilized or vacant buildings. This recommendation will be reviewed annually.
 - Each agency requesting funds shall enter into a Memorandum of Understanding (MOU) with the Department of Administrative Services, General Services Enterprise, before funds are transferred. The MOU shall specify the date(s) and amount(s) of funds to be transferred and the receiving account codes to be used for the transfers. The type of receiving account, reverting or non-reverting, shall also be specified in the MOU. Funds will be transferred in one lump sum or in up to four payments, as determined by the Department of Administrative Services. A sample Memorandum of Understanding is included at the end of this section.
 - Agencies shall be responsible for developing their own Routine Maintenance Plan in conformance with the definition of Routine Maintenance in Iowa Code Section 8A.330.
 - Each agency shall maintain an accounting of their Routine Maintenance on Iowa's Integrated Information System (I3). If funds transferred into reverting accounts will not be used for goods and
