Overview:

How do you make better ethical decisions at work? Just because a particular choice is *legal* does not make it right. Through this course, you will be introduced to processes that will help you make ethical decisions. Through the use of video, you will watch an office situation where ethical decision making is demonstrated. Through lecture and group discussion, you will explore the importance of being aware of your core values, as well as the standards of behavior expected by organizations.

Objectives:

- Identify your core values
- Identify ethical situations in the workplace
- Identify other effected parties through the ripple effect
- Develop a personal implementation plan
