## Product Options

Fabric-Shire/Fossil on all seats

IPI will upholster and assemble the Ply shell at their facility.

**Sedia Systems** will supply the Ply shell, upholstery inserts, and the foam and fabric. We can supply cut fabric or rolled fabric.

July Installation

The freight quote includes shipping the Ply shell, foam and fabric early to IPI.

## Additional Project Notes

Lead time is 8-10 weeks after receipt of a clean PO, finish selection, field check and sign off on final drawing.

Seat count will be verified at time of field check.
