## CERTIFICATE ISSUANCE

Course work must be completed within **five years** of enrollment into the series. Upon completion of all course work within the same series, employees should notify their department's [Training Liaison](#). PDS will then issue a certificate of completion signed by the Governor. Courses may be taken in any order, but the APDC cannot be issued before the PDC is issued, the ALDC cannot be issued before the LDC is issued, and the MDC cannot be issued before the LCBC is issued.

## IMPORTANT NOTICE

As of July 1, 2020 the following certificate series have been discontinued, PDC, APDC, LDC, and ALDC. If you have already begun one of these certificate series prior to July 1, 2020, you have 5 years to complete the courses from the date of the first course you have successfully completed in that series. All the courses in these certificates are currently still being offered, however are a part of the new certificate series.

## CANCELLATION POLICY

When a state employee enrolls in a PDS course, the agency purchases a “seat” in the course. If the employee becomes unable to participate in the class, the agency must notify PDS at least 14 calendar days in advance of the course date to withdraw from the course. Failure to provide the required 14-day notice will result in the agency being charged for the seat in the course if there is a course fee. Agencies may, in the alternative of proper notice, send a substitute to the course to fill the purchased seat. This is encouraged. The agency must inform PDS of the change in employee participating in the PDS course for proper billing. This policy also applies to non-state employee participants.

Additional information:

- In cases in which an enrolled employee leaves state employment before the course date, agencies are encouraged to fill the purchased seat with another employee if the agency is not able to comply with the 14-day notice requirement. If the purchased seat is unfilled, the agency will be charged if there is a course fee.
- To provide proper notice of withdrawal, participants need to contact the agency liaison, who will then inform PDS. PDS will review the date of the notice of withdrawal to determine if the agency will be billed when a substitute participant is not identified.
- The agency will not be charged when the employee is unable to participate due to approved leave other than vacation.
