Paul,

I am forwarding a waiver request. It is from ICN, but the system supports the Department of Corrections. I recommend approval.

Respectfully,

Al Meyer

AI, as you previously suggested, I have attached the waiver request to extend the current inmate calling system on a month to month basis, not to exceed 12 months.

I have copied Cord and Steve from DOC as they are also involved with the project and can assist with any questions or comments you or Director Trombino may have.

Let me know if you need anything else to process the waiver request.

Thank you for your assistance through this process.

Sincerely,
