

I/3 New Vendor Form - Designated Agencies only

Certify: I ran Data Warehouse report FR053-*All Vendor Codes for a TIN*, to confirm the vendor isn't set up yet.

- If the vendor's TIN already exists on FR053, and the vendor address is listed on FR053, do not submit this form. Instead, use the existing vendor code to process your payment document(s).
- If the vendor's TIN already exists on FR053, and ALL addresses are still being used, and if a new payment address is needed, submit a [I/3 New Location Form](#), with a copy of an invoice or a W-9 from the vendor.
- If the vendor's TIN already exists on FR053, and if the vendor's payment address needs to be changed (ie. vendor has moved), do not submit this form. Instead, submit a [I/3 Vendor Modification Form](#).

To set up a new vendor, complete each section below.

*** If the 1099 Classification is not 'Employee', you must attach a completed W-9 form with this submission ***

SSN		OR	EIN
