BETWEEN

THE STATE OF IOWA

AND

THE AMERICAN FEDERATION OF STATE,
COUNTY AND MUNICIPAL
EMPLOYEES, COUNCIL 61 AFL-CIO

MASTER CONTRACT
for the following bargaining unit

PUBLIC SAFETY

Effective: July 1, 2021 through June 30, 2023

Note: Throughout the course of these negotiations, the Union reserves the right to add to, delete from and/or revise this proposal.

**ARTICLE I
AGREEMENT**

This Agreement made and entered into this 1st day of July 2021, at Des Moines, Iowa, pursuant to the provisions of Chapter 20 of the Code of Iowa, by and between the State of Iowa (hereinafter referred to as the Employer) and the American Federation of State, County, and Municipal Employees, Iowa Public Employees Council 61, AFL-CIO (hereinafter referred to as the Union), and its appropriate affiliated locals, as representatives of employees employed by the State of Iowa, as set forth specifically in Appendix A.

**ARTICLE II
RECOGNITION AND UNION SECURITY**

Section 1 Bargaining Units

- A. The Employer recognizes the Union as the exclusive collective bargaining agent for employees as certified by the Iowa Public Employment Relations Board (PERB) as set forth in Appendix A. The Employer will not, during the life of this Agreement, meet and negotiate with any group of employees or with any other employee organization with respect to terms and conditions of employment covered by this Agreement.
- B. Employees excluded from the bargaining unit are all employees of the State of Iowa who are managerial, supervisory or confidential, part-time or temporary employees who are employed for four (4) months or less per fiscal year and who are scheduled for less than an average of fifteen (15) hours per week, and all other employees specifically excluded by the provisions of Chapter 20 of the Code of Iowa.
- C. Employees who are scheduled for an average of less than twenty (20) hours per week, but more than fifteen (15) hours per week, will not be entitled to sick leave, holiday, vacation, and insurance benefits. However, where permanent part-time employees are currently receiving prorated benefits, such benefits shall be continued. In order to comply with pay equity, all employees at their date of hire shall be paid in accordance with collectively bargained pay schedules.

- D. The Employer shall notify the Union prior to adding or deleting classes in the classification plans. The Union shall request a meeting within twenty (20) calendar days following receipt of the notice to review the proposed additions and/or deletions. If no meeting is requested, the Employer may proceed to implement the proposals. If the parties meet to review the additions and/or deletions, and if they are unable to reach agreement as to their inclusion or exclusion from the bargaining unit, they shall submit the disputed class additions and/or deletions to PERB for final resolution. (Board of Regents, see Appendix M)

Section 2 Bargaining Unit Information

On a monthly basis, and at no cost to the Union, the Employer shall provide the Union with information in an electronic format agreeable to both parties, which shows each bargaining unit employee's name, home address, home number in the public domain, payroll number, work location, work number (if available), pay grade, step, and hourly wage rate, as well as a header tape with insurance information, and any other information mutually agreed to. Each time the ten (10) digit payroll header file is changed, but no less than annually, the Employer shall provide the Union with a list showing the header codes and code key.

Section 3 Bulletin Boards

- A. The Union shall be allowed to utilize one-half (1/2) of the space on existing bulletin boards customarily used for the posting of information to the employees in the State workplace. It is understood that there shall be no pyramiding by the Union and that no more than one-half (1/2) of any existing bulletin boards shall be used by the Union regardless of the number of bargaining units represented. This provision shall not apply to bulletin boards customarily used for the posting of notices to students, patients or inmates at State institutions.
- B. No political campaign literature or material detrimental to the Employer or the Union shall be posted.
- C. The Employer agrees that during working hours, without loss of pay, and on the Employer's premises, Union representatives shall be granted a reasonable amount of time for the purpose of posting Union notices on designated bulletin boards.

Section 4 Union Leave

- A. Elected constitutional officers of the Union and/or its affiliated locals/chapters shall, upon written request of the Union and/or its affiliated locals/chapters, be granted a leave of absence without pay for the term of office, not to exceed two (2) years. Appointed officials of the Union and/or its affiliated locals/chapters shall, upon written request of the Union and/or its affiliated locals/chapters, be granted a leave of absence without pay for the term of office, not to exceed two (2) years unless the absence of the employee would cause a substantial hardship on the operating efficiency of the employing unit.

The Employer agrees to provide the Union an explanation of why the request constitutes a hardship. Grievances involving the issue of whether a substantial hardship does, in fact, exist may be appealed directly to arbitration pursuant to Article IV of this Agreement. Notwithstanding the above, elected or appointed officials of the Union and/or its affiliated locals/chapters may elect to take vacation or earned compensatory time in lieu of a leave of absence without pay.

- B. These same elected officers shall be released for monthly local/chapter meetings and quarterly Council 61 meetings under the same rules as above. The employee will provide the employee's supervisor with ten (10) calendar day's written notice for these meetings. A Union officer's leave supersedes any other scheduled leave of bargaining unit members. Any special meeting requiring less than ten (10) calendar days' notice must be arranged through the Department of Administrative Services-Human Resources Enterprise (DAS-HRE). Union leave with less than ten (10) calendar day's advance notice shall be limited to ten (10) days per employee per year.
- C. Upon the request of the President of AFSCME Iowa Council 61 to the Chief Operating Officer of the Department of Administrative Services - Human Resources Enterprise, employees shall be granted a Union leave for other Union activities. Such leave(s) shall be limited to ninety (90) calendar days per person in each fiscal year. Pursuant to subsection A of this Section, the leave may be denied if the absence of the employee would cause a substantial hardship on the operating efficiency of the employing unit.

- D. During Union leave without pay for thirty (30) calendar days or less, employees shall continue to accrue sick leave and annual (vacation) leave and the Employer will continue to pay the Employer's share of all insurances.

At the written request of the President of AFSCME Council 61, during periods of leave of thirty (30) calendar days or less, the Employer will continue to pay the employee's wages so that the employee's retirement contributions will be uninterrupted. The Employer shall submit a billing including the dates of the leave and the number of hours used to AFSCME within thirty (30) calendar days of the end of the pay period in which the leave occurred. The billing will include gross wages including the Employer's share of retirement and federal payroll taxes paid during such periods of Union leave without pay. The Employer shall receive reimbursement from the Union within thirty (30) calendar days following receipt of the Employer's billing.

Failure to reimburse the Employer in accordance with this provision will nullify this subsection in its entirety for the period remaining in the term of this Agreement.

Section 5 Union Conventions and Conferences

- A. Duly elected Union delegates or alternates to the annual conventions of AFSCME Iowa Council 61, AFL-CIO and the Iowa Federation of Labor, AFL-CIO shall be granted time off without pay, not to exceed a total of ten (10) work days annually, to attend said conventions.
- B. Duly elected Union delegates or alternates to the biennial convention of AFSCME International, AFL-CIO shall be granted time off without pay, not to exceed a total of ten (10) work days, to attend said convention.
- C. Union representatives selected to attend Union conferences shall be granted time off, without pay, not to exceed ten (10) work days annually, to attend said conferences.
- D. The Union shall give the Employer at least ten (10) work days' advance notice of the employees who will be attending such functions whenever possible. Time off taken pursuant to this Section may be charged to vacation, earned compensatory time, or leave of absence without pay as the individual employee may designate.

Section 6 Discrimination

The parties agree that their respective policies will not violate any bargaining unit member's rights which are provided in this Agreement because of Union or non-union affiliation.

Section 7 Union Activity Protection

- A. Chapter 20 of the Code of Iowa provides that the Employer is prohibited from interfering with concerted Union activity, as set forth in Sections 20.10 (2) a-h of the Code of Iowa.

- B. Bargaining unit employees who allege a violation of these rights may elect to file charges pursuant to Section 20.10 (2) of the Code of Iowa. In addition to the procedures set forth in the Code of Iowa, Section 20.11 and Public Employment Relations Board (PERB) Rules, Iowa Administrative Code 621-3, PERB shall, at the request of the parties and pursuant to this Agreement, provide an expedited procedure for the resolution of alleged violations of subsection A of this Section. When one of the parties submits a request to utilize this expedited procedure, the other party shall agree or disagree in writing within fourteen (14) calendar days of its receipt of the request. The procedure shall provide for an adjudicator designated by PERB to conduct a hearing and issue appropriate decisions and orders. The adjudicator shall endeavor to issue such decisions and orders within thirty (30) days. If the bargaining unit employee elects to utilize the expedited procedure, the parties to this Agreement agree that those procedures shall be exclusive and that the adjudicator's decision and order shall be final and binding.

Section 8 Union Visitation

Upon request, Union representatives will be allowed to meet with bargaining unit employees during the employees' non-work time on the Employer's premises, provided suitable meeting facilities are available and practical.

Section 9 No Reprisal

The Employer shall not take reprisal action against an employee for disclosure of information by that employee to a member of the General Assembly, the Legislative Service Agency or the respective caucus staff of the General Assembly, or for disclosure of information which the employee reasonably believes is evidence of a violation of law or rule, mismanagement, a gross abuse of funds, an abuse of authority, or a substantial and specific danger to public health or safety.

Section 10 Electronic Communication

For purposes of this section, the term "electronic communication device" is defined to mean the Employer's telephone, cellular telephone, pager, facsimile machine, and the e-mail system. Only representatives of the Union whose names have been provided to the Employer shall be permitted to use electronic communication devices subject to the following conditions:

1. The amount of time used by the Union representative must be reasonable and must not unduly interfere with the performance of the Union representative's work duties.
2. Communication is limited to the processing of grievances, matters pertaining to investigatory interviews, labor/management meetings, and other information normally posted on Union bulletin boards.
3. No political campaign literature or material detrimental to the Employer will be transmitted by the Union representative.
4. Employees who use electronic communication devices will be responsible for payment of costs incurred by the Employer which are in addition to normal operating costs.
5. Employer work rules and policies, not in conflict with this Section, will apply.

Nothing herein should be construed as creating restrictions on previously permitted uses or as authorizing use in locations where use is prohibited due to health, safety, confidential or security reasons.

Section 11 New Employee Orientation

The Employer will notify the local Union President/Chapter Chair within fourteen (14) calendar days that a new employee has been hired. The Employer will provide the name(s) and work location(s) of all new employee(s). One (1) representative of the local Union shall be part of the Employer's formal orientation and shall be granted up to thirty (30) minutes for Union orientation during the formal orientation for new employees either as a group or with individuals. New employees who are members of the bargaining unit will be required to attend the thirty (30) minute Union orientation in paid status. Non-bargaining unit employees will not be allowed to attend the Union orientation.

Where the Employer does not have a formal orientation program, the Employer will notify the Local Union President/Chapter Chair, within fourteen (14) calendar days, that a new employee(s) has been hired. The Employer will provide the name(s) and work location(s) of the new employee(s). The Employer will allow, as the Union may elect, either up to thirty (30) minutes for Union orientation with the new employee to be scheduled by the Employer within thirty (30) days of the date of hire, or the distribution to new employees represented by the Union a packet of information material furnished to the Employer by the local Union.

The Employer retains the right to review materials provided for new employees by the Union and refuse to distribute any political campaign literature or material detrimental to the Employer.

The Union representative shall be in pay status for the thirty (30) minute Union orientation only if the representative is on duty at the time the orientation is presented. No local Union representative shall receive overtime, call-back pay, etc., for participating in the employee orientation program while off duty. This does not supersede the current agreement on New Employee Orientation between the Union and the Department of Corrections. That agreement remains in effect.

ARTICLE III MANAGEMENT RIGHTS

Consistent with this Agreement, Management shall have, in addition to all powers, duties and rights established by constitutional provisions, statute, ordinance, charter or special act, the exclusive power, duty, and the right to:

1. Direct the work of its employees.
2. Hire, promote, demote, transfer, assign, and retain employees in positions within its agencies.
3. Suspend, discipline or discharge employees for proper cause.
4. Maintain the efficiency of governmental operations.
5. Relieve employees from duties because of lack of work or for other legitimate reasons.
6. Determine and implement methods, means, assignments and personnel by which the Employer's operations are to be conducted.
7. Take such actions as may be necessary to carry out the mission of its agencies.
8. Initiate, prepare, certify and administer its budget.
9. Exercise all powers and duties granted to the Employer by law.

**ARTICLE IV
GRIEVANCE PROCEDURE**

Section 1 Definition

- A. A grievance shall be a written complaint alleging a violation involving the application and interpretation of the provisions of this Agreement.
- B. A grievance shall contain a statement of the grievance by indicating the issue(s) involved, the relief sought, the date the incident(s) or violation(s) took place, if known, and the specific Section or Sections of the Agreement involved. The grievance shall be presented to the Appointing Authority or his/her designee, or the District Director or his/her designee for CBC, on forms mutually agreed upon and furnished by the Union, and signed and dated by the Union. The grievance form will state the name of the employee(s) authorizing the filing of the grievance. An aggrieved employee shall have the right to a Union representative appointed by the Union. If a grievance form lacks any of the information required by this subsection, the grievance shall be returned to the Local Union Steward who filed the grievance with a copy to the Union and the Local Union with an explanation. The Local Union Steward will have seven (7) calendar days from the date of the read receipt to resubmit the original grievance with the required information.
- C. Any bargaining unit employee shall have the right to meet and adjust his/her individual complaint with the Employer.
- D. The arbitration provisions of this Agreement may only be invoked with the approval of the Union and, in the case of an employee's grievance, only with the approval of the employee.
- E. All grievances must be presented promptly and no later than fourteen (14) calendar days from the date the grievant first became aware of, or should have become aware of with the exercise of reasonable diligence, the cause of such grievance; however, under no circumstances shall a grievance be considered timely after six (6) months from the date of occurrence.

Section 2 Grievance Steps

A. Step 1

Within fourteen (14) calendar days of receipt of the written grievance from the employee or his/her Union representative, the Appointing Authority or his/her designee, will meet with the appropriate Union representative at a mutually agreed upon time and date (with or without the aggrieved employee) and attempt to resolve the grievance. A written answer will be placed on the grievance following the meeting by the Appointing Authority or his/her designee and returned to the employee and the Union representative within fourteen (14) calendar days from receipt of the written grievance submitted to the Appointing Authority. Settlements at this step will be non-precedent setting unless designated otherwise.

B. Step 2

If dissatisfied with the Employer's answer in Step 1, to be considered further, the grievance must be appealed by facsimile transmission, regular U.S. mail, local mail (institutional, departmental or interdepartmental) or hand-delivered to the Chief Operating Officer of DAS-HRE or the Director of Human Resources/Merit Systems, Board of Regents, within fourteen (14) calendar days from receipt of the answer in Step 1. Within forty-five (45) calendar days after the receipt of the appeal at Step 2, the designee of the Chief Operating Officer of DAS-HRE or the Director of Human Resources/Merit Systems, Board of Regents, will meet with the appropriate Union representative (with or without the aggrieved employee) and attempt to reach resolution of the grievance. On grievances which do not involve discipline or discharge, the parties will, where practicable and feasible, meet via a telephone conference. Within thirty (30) calendar days following this meeting, a written answer will be issued and attached to the grievance by the Chief Operating Officer of DAS-HRE or the Director of Human Resources/Merit Systems, Board of Regents, and returned to the grievant and the Union Representative. Step 2 answers shall be sent by facsimile transmission, regular US mail, local mail (institutional departmental or interdepartmental), hand-delivered, or e-mail (if the grievant provides an e-mail address). E-mails will be considered confidential personnel documents in accordance with Iowa Code Section 22.7.

Note: Grievances filed under Article IV, Section 9 will be eligible to proceed to GRIP. All other grievances will be eligible to proceed to arbitration.

- C. Step 3 - Grievance Resolution Improvement Process (GRIP):
Disciplinary grievances which have not been settled under the foregoing procedures are eligible to be heard by the Grievance Resolution Panel. To be considered further, the grievance must be placed on the Grievance Resolution Panel docket within thirty (30) calendar days from receipt of the answer in Step 2 by the keeper of the docket. The issue as stated in Step 2 shall constitute the sole and entire subject matter to be heard by the Grievance Resolution Panel, unless the parties mutually agree to modify the scope of the grievance.

The procedures to be used by the Grievance Resolution Panel will be governed by the "Rules of Procedure for the Grievance Resolution Improvement Process." The Rules of Procedure are set forth in Section 14 of Article IV of the Agreement. The parties may, however, agree to a more detailed set of rules of procedure outside of this Agreement. Before rules of procedure not contained within this Agreement take effect and become enforceable they must be signed by both the President of AFSCME Iowa Council 61 and the Director of DAS. Any rule of procedure returned to the grievant and the Union representative. Step 2 answers shall be sent by facsimile transmission, regular U.S. mail, local mail (institutional, that is in conflict with this Agreement or the law is unenforceable.

- D. Step 4 - Arbitration
Grievances which have not been settled under the foregoing procedure are eligible for arbitration. The issue as stated in Step 2 shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties mutually agree to modify the scope of the hearing. If an unresolved grievance is not arbitrated, it shall be considered terminated on the basis of the Step 2 answer without prejudice or precedent in the resolution of future grievances.

For the purpose of selecting an impartial arbitrator, the parties will meet upon request and if unable to agree on an impartial arbitrator, the parties or party, acting jointly or separately, shall request PERB to submit a five (5) member panel of arbitrators. If the panel submitted by PERB is unacceptable to either party, the parties shall request a second panel of arbitrators from PERB. The AFSCME representative and the DAS-HRE representative will contact the arbitrator and set a date for the arbitration hearing. After the date for the arbitration hearing is established, the AFSCME representative and the DAS-HRE representative will

schedule a meeting, not less than one (1) week prior to the grievance arbitration hearing date, to exchange all evidence relevant to the grievance that is available to them at that time through the exercise of reasonable diligence. If not provided at the pre-arbitration meeting, evidence cannot be offered at the arbitration hearing unless the party can prove that the evidence was not available to the party through the exercise of reasonable diligence.

Where two (2) or more grievances are appealed to arbitration, an effort will be made by the parties to agree upon the grievances to be heard by any one (1) arbitrator. On the grievances where agreement is not reached, a separate arbitrator shall be appointed for each grievance. The cost of the arbitrator and expenses of the hearing will be shared equally by the parties; however, the costs of transcripts shall be borne by the requesting party without having to furnish a copy to the other party, unless the parties mutually agree to share the entire cost. Except as provided in Section 8 of this Article, each of the parties shall bear the cost of their own witnesses, including any lost wages that may be incurred. The parties agree to share any cancellation fees for arbitration hearings canceled or postponed by mutual agreement. The party that is solely responsible for the cancellation or postponement of an arbitration hearing without the mutual consent of the other party shall pay the entire cancellation fee.

The arbitrator shall only have authority to determine the compliance with the provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which in effect would grant the Union or the Employer any matters which were not obtained in the negotiation process.

The decision of the arbitrator shall be final and binding on both parties to this Agreement provided any such decision does not exceed the arbitrator's jurisdiction or authority as set forth above.

Section 3 Time Limits

Grievances not appealed within the designated time limits in any step of the grievance procedure may be denied by the Employer on the basis of timeliness. The Union reserves the right to submit such grievances to arbitration. The parties agree, however, that in grievances where timeliness is an issue, the grievance may be submitted by the Union to the next higher step through the date the grievance answer should have been issued in order to allow the parties to attempt to resolve it.

Grievances not answered by the Employer within the designated time limits in any step of the grievance procedure may be appealed to the next step within fourteen (14) calendar days of the date the grievance answer should have been issued. In order to be considered timely, a grievance must be scheduled for an arbitration hearing no later than nine (9) months from the date the grievance was answered by the Employer at Step 2. In order to be considered timely, a discharge grievance must be scheduled for an arbitration hearing no later than one hundred twenty (120) days from the date the grievance was answered by the Employer at Step 2. The Union may, at its option, seek to schedule an arbitration hearing any time after the Step 2 was due in the event the Employer fails to timely provide the response. Authority to schedule a hearing rests with the arbitrator should the parties disagree. The parties may, however, mutually agree in writing to extend the time limits in any step of the grievance procedure. In the event the U.S. mail is used, the mailing of the grievance or response thereto shall be considered timely if postmarked within the time limits.

Section 4 Retroactivity

Settlement of a grievance may or may not be retroactive as the equities of particular cases may demand. In any case, where it is determined that the award should be applied retroactively, the maximum period of retroactivity allowed shall be a date not earlier than six (6) months prior to the date of initiation of the written grievance in Step 1.

Section 5 Exclusive Procedure

The grievance procedure set out above shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the application and interpretation of this Agreement.

Section 6 Names of Stewards and Management Representatives

For informational purposes only, the Union shall provide DAS-HRE with a written list setting forth the names and jurisdictional areas of Union representatives.

The Employer shall supply the Local Union with a list of Management representatives to contact on grievance matters.

Section 7 Representation

An employee may consult with a local Union representative during working hours relative to a grievance matter by first contacting the employee's supervisor. The employee's supervisor shall arrange a meeting to take place as soon as possible for the employee with a Union representative through the Union representative's supervisor.

Section 8 Processing Grievances

Union representatives who are members of Executive Branch bargaining units and grievants will be permitted a reasonable amount of time to process grievances during their regularly scheduled hours of employment. Processing grievances shall be defined as investigating, filing, and attending any step meeting and/or hearing regarding grievances. However, only one (1) local Union representative will be in pay status for any one (1) grievance. Whenever possible, the Union representatives will provide twenty-four (24) hours notice to their supervisor(s).

Further, in a group grievance, up to three percent (3%), but not less than one (1) nor more than ten (10) of the grievants shall be in pay status as spokesperson(s) for the group. Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee and which involve like circumstances and facts for the grievants involved.

The Employer is not responsible for any compensation of employees or Union representatives for time spent processing grievances outside their regularly scheduled hours of employment. The Employer is not responsible for any travel or subsistence expenses incurred by grievants or Union representatives in the processing of grievances.

Notwithstanding the foregoing provisions of this Section, the Employer agrees to conduct all grievance meetings involving third shift employees either during that shift or at a time which is contiguous to the employee's shift. The Employer is not responsible for any compensation of third shift employees for such grievance meetings unless the Employer specifically requests, or if the parties mutually agree, that the grievant attend the hearing, in which case the grievant shall be compensated for the actual time spent in such hearing at his/her regular hourly rate and shall not be counted as hours worked for purposes of computing overtime.

Section 9 Discipline and Discharge

The parties recognize the authority of the Employer to suspend, discharge or take other appropriate disciplinary action against employees for just cause. The employee who alleges that such action was not based upon just cause may appeal a suspension or discharge taken by the Employer beginning with Step 2 of the grievance procedure. All other disciplinary action shall begin with Step 1 of the grievance procedure.

Any disciplinary action or measure imposed upon an employee may be processed as a grievance through the grievance procedure. The Employer shall not discipline an employee without just cause, recognizing and considering progressive discipline where applicable.

(See Appendix G for discipline related to attendance)

Suspensions, written reprimands, clarifications of expectations, or other similar memoranda shall be removed from the employee's personnel file after one (1) year provided no further disciplinary action has been taken against the employee.

The Employer shall provide written notification to affected employees prior to beginning an investigation into allegations of child abuse pursuant to Chapter 235A of the Code of Iowa and allegations of dependent adult abuse pursuant to Chapter 235B of the Code of Iowa and at the conclusion of such investigation.

Whenever the Employer determines that an employee must be removed from a current work assignment pending the completion of an investigation by the Employer to determine if disciplinary action is warranted, the Employer may:

1. Reassign the employee to another work assignment at their current rate of pay for up to twenty-one (21) calendar days, or
2. Suspend the employee from work for up to twenty-one (21) calendar days.

If the employee is suspended under number two (2) above, the employee shall be in pay status at their current rate of pay. If the investigation has not been completed within twenty-one (21) calendar days, the Employer will provide the steward who was involved in the investigation (if applicable) and the local Union President with a report regarding the status of the investigation. Additional reports will be provided on a periodic twenty-one (21) day basis thereafter. If, at the completion of the investigation, the Employer decides that suspension or discharge is warranted, the Employer shall have the right to recover the pay provided during the period of suspension under number two (2) above, consistent with the disciplinary action.

The Union shall receive written notice of any disciplinary action or measure imposed upon an employee within three (3) working days of the time such action is taken. Written notice of the disciplinary action or measure imposed may be provided to the Union by electronic communication with a read receipt. The Local Union and Management may agree upon processes for distributing written notices. If the Local Union and Management have a procedure for distributing written notices that is currently in place, this procedure will continue unless the Local Union and Management mutually agree to change the procedure.

Section 10 Exclusion of Probationary Employees

Notwithstanding Section 9 above, nor any other provision(s) of this Agreement, the release of probationary employees shall not be subject to the grievance procedure.

Section 11 Exclusion of Grievant

The aggrieved employee is entitled to be present at all steps of the grievance procedure. Should the employee be excused by either party, the grievance shall be processed in the absence of the aggrieved employee and the Union will be allowed a maximum of two (2) representatives in pay status.

Section 12 Exchange of Information for Processing Grievances

A. The Union and the Employer agree that it is incumbent upon the parties to share all information available regarding grievances involving the Union, employees, and the Employer.

- B. Weingarten principles (the right of an employee who reasonably believes that they may be subject to discipline to have, upon the employee's request, a Union representative present during the investigatory interview) shall apply during investigatory interviews of an employee. Management shall inform an employee of their right to have a Union representative present during the investigatory interview.
- C. Upon request from the Union representative, the Employer will provide that Union representative with written statements of witnesses, if they exist.
- D. Upon request from the Employer's representative, the Union will provide the Employer's representative with statements of witnesses, if they exist.
- E. Employees who receive witness statements must comply with the State's policy that witness statements and the information contained in the statements will not be redisseminated to any person not directly involved with the processing of the grievance. Employees who violate the State's policy on redissemination will be subject to disciplinary action.
- F. When a grievance is scheduled for arbitration, if the representative of either party desires to interview a witness prior to the arbitration hearing and the witness has been interviewed by the Employer or the Union in the course of a grievance investigation, the interview shall be conducted in the presence of a representative from DAS-HRE. Witnesses are not required to grant the interview, however, such interviews, when conducted, shall be limited to the witness, an AFSCME Iowa Council 61 staff representative or attorney, and the representative from DAS-HRE.

Section 13 Resolution of Timeliness Arbitrability Issues

Where an issue exists as to the timeliness arbitrability of a particular grievance, the Chief Operating Officer of DAS-HRE or the Chief Operating Officer's designee shall give written notice to the Union. Following written notice, the timeliness dispute shall be submitted to an arbitrator, other than the arbitrator selected to determine the merits of the grievance, upon written submissions and by telephone hearing only.

Where the timeliness of a particular grievance is submitted to arbitration, the date for such arbitration shall be scheduled within thirty (30) days following the date that DAS-HRE provided notice to the Union, and a decision rendered within thirty (30) days following the date of the timeliness arbitrability hearing. The party that does not prevail in the timeliness dispute must pay the cost of that hearing.

Section 14 Grievance Resolution Improvement Process (GRIP)

The Department of Administrative Services - Human Resources Enterprise Chief Operating Officer or General Counsel and the President of AFSCME Iowa Council 61 will establish a regular meeting schedule to discuss how the Grievance Resolution Improvement Process (GRIP) is working, determine if there are problems that need to be resolved, and develop a plan for resolution of the issues.

- A. The parties agree to utilize GRIP for all departments. GRIP will be limited to twenty (20) disciplinary cases per month.
- B. Operation of Panel
 - 1. Rules of Procedure

The Panel shall consist of four (4) representatives: two (2) representatives from AFSCME Iowa Council 61 and two (2) representatives from the State. The operation of the Panel shall be in accordance with these Rules of Procedure and such other rules as may from time to time be adopted by mutual agreement between the parties and signed by both the President of AFSCME Iowa Council 61 and the Director of DAS.
 - 2. Order of Cases

Every attempt will be made to hear docketed discharge cases during the time period scheduled for the case. Cases may be deadlocked in advance of the hearing.
 - 3. Hearings

The Panel will hear presentation from each party to the grievance. Each party will be permitted a maximum of twenty (20) minutes [thirty (30) minutes for disciplinary terminations] for its presentation. Witness statements and supporting documentation may be provided. Any information not presented at Step 2 of the grievance procedure that is to be used by either presenter will be exchanged between the parties at least seven (7) days prior to the meeting of the Panel. Exception will be allowed for evidence or witness statements submitted up to forty-eight (48) hours in advance of the meeting, if the information is mutually agreed upon. Information allowed under this exclusion must

be of such significant nature as to potentially alter a reasonable decision on the grievance. If the party not submitting the documentation can make a justified argument that the party submitting the information had knowledge of the evidence or statements prior to the seven (7) day rule, such late evidence or statements will not be allowed.

During the presentation, only Panel members, the parties presenting the case and those directly involved in the specific case being heard shall be allowed to sit in the immediate area where the case is being conducted. Other members of the Panel observing the case shall not participate in the presentation, the discussion or the questioning.

The Employer will present first. Each party shall have twenty (20) minutes [thirty (30) minutes for disciplinary terminations] to present its case in chief. Each party shall declare, prior to the presentation of its case whether there will be a co-presenter on any respective case. The number of presenters shall be limited to two (2) individuals. Any co-presenter shall only supplement the presentation of the case in chief. Both sides will have an opportunity to summarize and rebut; however no co-presenter may respond during the summation and rebuttal portion of the hearing. Summation and rebuttal shall not extend beyond five (5) minutes [ten (10) minutes for disciplinary terminations].

The AFSCME Iowa Council 61 Representative or the designated AFSCME steward will normally handle the Union presentation. The Department Director or his/her representative will normally handle the presentation for the Employer.

After each party has submitted its case and rebuttal, the panel members will be free to ask questions of the parties. After such questioning, the Panel will retire to executive session and will vote, and thereby render its decision. Voting by a show of hands will be sufficient. When the Panel goes into executive session, all others must retire from the room. After a decision has been reached by a majority vote of the Panel, the decision shall be reduced to writing and provided to the parties in a manner agreed upon by the Panel. The Panel has the authority to support, reject or modify any action taken. Decisions of the Panel are final and binding and may or may not be precedent setting as the Panel determines. Failure to reach a

majority vote will create a deadlock or tied vote and such shall be recorded as the outcome. In the event of a deadlock, the grievance may proceed to arbitration as outlined in Step 4 of Section 2(D).

(The Rules of Procedure, and any additional agreed upon rules, shall be posted on the DAS's website.)

ARTICLE V SENIORITY

Section 1 Definition

- A. For employees not covered by a collective bargaining agreement on July 1, 2003, seniority means an employee's length of continuous service with the Employer in a permanent position since his/her date of hire. Any length of service in a temporary position shall be included in the computation of seniority if the employment was in the same classification as and contiguous to the appointment to a permanent position.
- B. In the event two (2) employees have the same original date of employment, seniority of one as against the other shall be determined by the last four (4) digits of the social security number, with the employee having the lower last four (4) digits of the social security number being considered as having the greater seniority.
- C. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, or retirement. However, if an employee leaves work for any reason other than those listed above, the employee shall retain his/her original seniority date for a period equal to his/her length of employment up to a maximum of two (2) years. Any period of absence of more than two (2) years shall represent a break in continuous service.
- D. Management will be required to apply seniority as defined above only as specifically provided in this Agreement and subject to any limitations set forth in any particular Article or Section of this Agreement.
- E. An employee covered by a non-AFSCME collective bargaining agreement shall have no seniority upon entrance or return to a position covered by this Agreement.

- F. For all other employees, seniority means an employee's length of continuous service with the Employer since his/her date of hire in a permanent position covered by this Agreement. Any length of service in a temporary position shall be included in the computation of seniority if the employment was in a classification covered by this contract and contiguous to the appointment to a permanent position. No employee in a position covered by this Agreement on July 1, 2003, shall lose seniority by virtue of operation of this Section.

Section 2 Seniority Lists

- A. The Employer shall prepare and post, on existing bulletin boards, seniority lists as defined in this Article. The lists shall be updated semiannually and contain each employee's name, classification and seniority date. A copy of the seniority list shall be furnished to the local union at the time of posting.
- B. Employees shall have ninety (90) days in which to appeal their seniority date after which time the seniority date shall be presumed correct.

Section 3 Retroactivity Prohibited

Those employees in the bargaining unit employed prior to the effective date of this Agreement shall retain their current seniority date (date of hire or adjusted date of hire, if applicable) as established by DAS-HRE or the Board of Regents (BOR) prior to the effective date of this Agreement. For employees at the Department of Commerce, Alcoholic Beverages Division, all Warehouse Operations Workers and Transport Drivers who were employed when the State became the Employer will have the same seniority date. The employee's actual date of hire with the warehouse and transport operations will determine seniority.

ARTICLE VI LAYOFF PROCEDURE

Section 1 Application of Layoff

The Union recognizes the right of Management to layoff or to reduce the hours of employment in accordance with the procedures set forth in this Article. Such procedures shall not apply to:

- A. Temporary layoff; and/or
- B. Seasonal layoff of seasonal employees; and/or

- C. Employees with an academic year appointment at institutions and schools, during recesses in the academic year and/or summer;
- D. Volunteers only with the agreement of the President of AFSCME/Iowa Council 61.

Section 2 General Layoff Procedures

When a layoff or hours reduction occurs, the following general rules shall apply:

- A. Layoff shall be by classification and subtitle as set forth in the job specifications.
- B. Layoff shall be by organizational unit as follows:
 - 1) Regents Institutions
 - 2) Motor Vehicle Enforcement - Statewide layoff unit
- C. An agency may not layoff permanent employees until they have eliminated all non-permanent employees within the layoff unit in the same classification in the following order: emergency, temporary, provisional, intermittent, trainee, and probationary.
- D. The Employer shall notify the Union at least sixty (60) calendar days in advance of any anticipated layoff.
- E. Each employee affected by a reduction in force shall be notified in writing of layoff at least twenty (20) working days prior to the effective date of the layoff unless budgetary limitations require a lesser period of notice.
- F. Employees in the layoff unit shall be laid off in accordance with seniority and ability. Layoff shall be by seniority with the least senior employee being laid off first unless the least senior employee possesses special skills and ability required to meet the needs of the Employer, and that the senior employee must also possess the academic qualifications required for the position.
- G. A permanent employee in a classification in which layoffs are to be effected may, in lieu of layoff, elect bumping to the next lower classification in the layoff unit in the same series as the classification in which layoffs are to be effected or, in the absence of a lower classification in the same series, to a classification in the layoff unit which the employee has formerly occupied while in the continuous employ of the agency, or in the absence of a classification in the

layoff unit which the employee has formerly occupied while in the continuous employ of the agency, to an equal or lower classification in the layoff unit for which they meet the minimum qualifications of the job. The assignment in the classification will be at the Appointing Authority's discretion; however, such assignment shall not be permitted if the result would be to cause the bumping of a permanent employee with greater seniority. To exercise the right of bumping, in lieu of layoff, the employee must notify the Appointing Authority, in writing, of such election, which must be received or postmarked no later than five (5) calendar days after receiving notice of layoff. Any permanent employee displaced under these provisions shall have the right of election as provided herein.

The Employer shall notify the employee in writing of the exact location of the position to be bumped into. After receipt of this notification, the employee shall again have five (5) calendar days in which to notify the Appointing Authority, in writing, to either accept the position or be laid off.

Any employee who elects to bump in lieu of layoff shall have the right of recall to the classification he/ she formerly occupied, provided he/she meets the qualifications of the position, before any other person may be promoted to or a new employee hired for such classification by the Appointing Authority enforcing the layoff. Upon bumping, an employee shall retain his/her current rate of pay except that if such rate of pay is higher than the highest rate currently paid for the classification to which the employee bumps, his/her pay shall be reduced to that rate of pay. Additionally, if federal funds are involved, the employee upon bumping will receive the salary provided by the federal grant. In such an event, the Employer will make a good faith effort to obtain additional federal funds. Any employee laid off because of reduction in force shall be offered a position in the classification from which he/she was laid off provided he/she meets the minimum qualifications for the position, before a new employee may be hired for such position by the Appointing Authority enforcing the layoff, if such opening becomes available within two (2) years of such layoff because of a reduction in force. Employees who are covered by another collective bargaining agreement cannot bump an employee covered by this Agreement.

- H. The Employer shall maintain a recall list of employees who were laid off, who exercised their bumping rights, or who made written notice to the Employer of their recovery from long-term disability or injury after the expiration of a leave of absence:
1. Employees who exercised bumping rights shall be placed on the recall list for the class from which they were laid off.
 2. Employees who are laid off or who make written notice to the Employer of their recovery from a long-term disability or injury shall be placed on the recall list for the class they held prior to layoff or disability. In addition, the employee may also designate up to fifteen (15) other classes, provided he/she meets the qualifications and/or passes the applicable DAS-HRE merit or BOR merit test, and the specific counties to which the employee will accept recall. The designation of classes or counties may be changed monthly by the employee through procedures agreed to by AFSCME/Iowa Council 61 and the Employer. If an employee is recalled to a position in a classification which the employee has not previously held, the employee will serve a probation period. If the recalled employee fails to successfully complete the probation period, the employee will be laid off without bumping rights and placed on the recall list as described above for a period of two (2) years.
 3. Employees who refuse to accept any reassignment in excess of twenty-five (25) miles of the original work site shall be placed on the recall list as described in numbers one (1) and two (2) above.
 4. Failure to accept any position listed by the employee pursuant to number two (2) above when offered by certified mail within five (5) calendar days after notice of recall shall negate any further recall rights.
 5. If a laid off employee accepts a temporary position, he/she shall remain on the recall list.
- I. The determination of the layoff order is subject to the grievance procedure commencing at Step 3. The implementation of such layoff shall not be delayed pending the resolution of such grievances.
- J. Whenever a permanent vacancy as defined in Article VII, Section 5 occurs, before a new or temporary employee is hired, employees shall be allowed to transfer or be recalled in the order set forth in Article VII, Section 6.

Section 3 Temporary Layoff Procedures

- A. When the Employer determines that a temporary layoff must be implemented, the Employer will determine the total number of days. The temporary layoff shall not exceed ninety (90) consecutive calendar days per employee per State fiscal year and shall not carry contiguously into the following fiscal year.
- B. Prior to implementing a temporary layoff, the Employer will first terminate all non-permanent employees who perform similar duties including temporary service (i.e. Manpower, Olsten, etc.) employees.
- C. Employees will be temporarily laid off by seniority within the entire classification series and temporary layoff unit.
- No more senior employee may be subject to the temporary layoff until the preceding less senior employee (within the classification series and temporary layoff unit) is scheduled for the maximum number of temporary layoff days. Employees shall receive a minimum of fourteen (14) calendar days notice of temporary layoff.
- D. No more than thirty percent (30%) of the employees in the temporary layoff unit may be temporarily laid off in any fiscal year.
- E. Employees in the temporary layoff unit may volunteer for any part of the temporary layoff with the most senior volunteer(s) being accepted unless the absence of the employee would cause a hardship on operating efficiency. Voluntary temporary layoffs shall be for a minimum of one (1) calendar week, unless the parties agree to a shorter length of time. No more senior employee (except volunteers) may be subject to the temporary layoff until the preceding less senior employee (within the classification series and temporary layoff unit) is scheduled for ninety (90) consecutive days.
- F. During the temporary layoff, employees shall continue to accrue sick leave and annual (vacation) leave and the Employer will continue to pay the Employer's share of all insurance.

**ARTICLE VII
TRANSFERS**

Section 1 Eligibility

- A. Employees must have been in their current classification for at least six (6) months in order to be eligible for transfers pursuant to this Article, but may not transfer more than twice during the life of the Agreement. Transfers to a position under the supervision of the employee's current supervisor will not be counted towards the limitation of two (2) transfers during the life of the Agreement. However, if an employee goes into a classification with a lower pay grade in lieu of layoff, the employee shall immediately be eligible for transfers pursuant to this Article. Additionally, an employee who is required to change shifts upon promotion shall be immediately eligible for transfer to a different shift within the employing unit.
- B. Employees who desire to transfer to another position within the same classification, either between employing units of a State agency or between State agencies, shall file a written request as prescribed by the agency or, if between State agencies, with the appropriate departmental personnel office indicating that interest.

Section 2 Transfers Within Employing Units

- A. The Employer shall post all openings indicating the specific location, shift, work unit and days off. Specific location shall be defined as the organizational unit of the agency. Specific shift shall be defined as the hours of work. Specific work unit shall be defined as the area inside of the organizational unit where the employee performs his/her work. Specific work unit can be defined as rotating post or relief post. Specific days off shall be the days off that are assigned to the position.

A period of five (5) work days from the date of the announcement shall be allowed for interested employees to file a written request to be included in the group of applicants to be considered for that vacancy. At the close of the five (5) work day posting period, the Employer will review those requests from any employee in the same employing unit who is in the same classification as the vacancy. When an employee applies for a posted position and has not removed his/her name by the close of the posting, the employee must accept the job, if offered. The Employer shall offer the position to the most senior bargaining unit employee who has filed a transfer

request. In the event an employee is the most senior bidder for more than one position simultaneously, he/she shall immediately accept one (1) of the positions.

- B. The Employer shall transfer the most senior employee who makes the transfer request for the open position provided he/she possesses the ability to perform the duties as assigned and meets any job related special or selective certification requirements. Such requirements shall be reflected on the posting. The Employer may deny transfers if the transfer would substantially impair the Employer's ability to maintain operational efficiency. The Employer is not obligated to retrain employees in order to qualify them for transfers under the provisions of this Article.

Section 3 Transfers Between Employing Units Within a State Agency

In the event a vacancy is not filled by transfer of an employee under the provisions of Section 2 of this Article, the Employer shall consider interested employees who are in the same classification as the vacancy from other employing units of the agency who have indicated an interest in the specific location, shift, work unit and days off by submitting a transfer request. The transfer request must be submitted prior to transfer opportunity posting in Section 2. The Employer shall transfer the most senior employee who makes such request for the open position provided he/she possesses the ability to perform the duties as assigned and meets any job related special or selective certification requirements. The Employer may deny transfers if the transfer would substantially impair the Employer's ability to maintain operational efficiency. The Employer is not obligated to retrain employees in order to qualify them for transfers under the provisions of this Article. The employee shall have three (3) working days in which to accept or decline the offer in writing.

Section 4 Transfers Between State Agencies

In the event a vacancy is not filled under the provisions of Sections 2 or 3 of this Article, the Employer shall consider interested employees in the same classification as the vacancy from other State agencies who have filed a transfer request. The Employer shall offer the position to the most senior employee who makes such request for the open position. The employee shall have three (3) working days in which to accept or decline the offer in writing.

Section 5 Definition of Permanent Vacancy

For purposes of this Article, a permanent vacancy is created:

- A. When the Employer has approval to increase the workforce and decides to fill the new positions;
- B. When any of the following personnel transactions take place and the Employer decides to replace the previous incumbent: termination, transfer out of the bargaining unit, promotion, or demotion;
- C. If no employee has indicated a desire to transfer to a vacancy and the Employer fills such vacancy by transfer of an employee from another classification in the same salary range and determines that the vacated position is to be filled, such position shall be subject to the provisions of this Article;
- D. Transfers within the bargaining unit resulting from Sections 2, 3, or 4 above;
- E. Where the Employer creates new shifts and/or days off schedule.

Section 6 Transfer Limitations

- A. The application of the procedures in this Article shall be limited to the original vacancy and the six (6) subsequent vacancies resulting from the filling of the original vacancy.
- B. Employees may not transfer under the provisions of this Article more often than once every six (6) months unless reassigned by Management within the six (6) month period.
- C. Employees who decline two (2) transfer opportunities within a twelve (12) month period will have their names removed from the register for a period of six (6) months. It is the responsibility of the employee to resubmit a transfer request following the six (6) month period.
- D. Employees transferring under the provisions of this Article shall not be eligible for payment of moving expenses by the Employer.
- E. Employees transferring into federally funded positions will receive the salary provided by the federal grant.
- F. In all employing units in which vacancy lists are maintained the local Union shall be allowed to inspect vacancy lists on a monthly basis.

- G. Nothing in this Article shall be construed as a limitation on the Employer's ability to reassign employees to meet agency needs as determined by the Employer. Employees reassigned more than twenty-five (25) miles from the original work site will be provided a twenty (20) working day notice. Employees who refuse to accept such reassignment will be afforded the rights set forth in Article VI, Section 2(H).
- H. Transfers will be granted as follows:
1. Transfer within the employing unit pursuant to Section 2.

When a position or post within an employing unit goes out of existence and the affected employees are not laid off, the Employer and the Union shall meet and attempt to agree upon the procedures for the assignment of affected employees. If the parties fail to agree upon an alternative procedure, the Employer shall offer existing vacancies for which no employee within the employing unit bid to the employees affected by the closure in seniority order. Employees who select a vacancy shall not be subject to the waiting periods established in (B) above for the exercise of transfer rights.

- J. This definition shall apply anywhere the terms "special qualifications" or "selective certification requirements" are used in this Agreement. "Special qualifications" and "selective certification requirements" shall consist only of those legal requirements and job related knowledge, skills, abilities, or competencies that are:
1. Appropriate to the job classification of the position;
 2. Necessary for successful performance of the essential duties of the position, and;
 3. Of a nature and extent that an individual lacking such "special qualifications" could not acquire them and become proficient in them through reasonable orientation or other training of a limited duration. All "special qualifications" and "selective certification requirements" shall be announced in the job posting.

Section 7 Return from Military Service

If required by USERRA to allow the returning veteran to assume the position that they would have successfully bid on if not on active military service, or if the veteran returns to the position held prior to active military service and a shift imbalance occurs, the Employer will reassign the least senior employee 43 in the affected classification on the affected shift. Any employee reassigned under this Section will have immediate transfer rights.

Written notice of the permanent changes in work schedules may be provided to the Union and the affected employees by electronic communication with a read receipt. The fourteen (14) calendar day notice will start on the date of the read receipt.

Temporary work schedule changes shall not be made for the purpose of avoiding overtime except by voluntary agreement by the employee.

- D. Where practical and feasible as reasonably determined by Management, the employee may elect flexible hours of work including:
 - a. Variable starting and ending times;
 - b. Compressed work week such as:
 - 4-ten hour days, or

 - c. Other mutually agreeable flexible hour concepts, which may include weekend work only. When a request for flextime is denied the written rationale will be provided to the employee within five (5) working days after the date Management receives the request. The term "Management Rights" will not be used as sole justification for denial of flextime.

B. Utilization of Sick Leave

1. Employees may use accrued sick leave for personal illness (both physical and mental), bodily injuries, medically related disabilities resulting from pregnancy and childbirth, or exposure to contagious disease: (a) which require the employee's confinement; or (b) which render the employee unable to perform assigned duties; or (c) where performance of assigned duties would jeopardize the employee's health or recovery.

The Appointing Authority may require a medical certificate or other appropriate verification for absences covered by this Section.

It is not the Employer's intent nor will the above language be construed in such a way as to constitute harassment of employees. This language is intended as a vehicle by which the Employer may scrutinize habitual sick leave usage or in those cases where sick leave abuse is suspected.

Employees will be permitted to use compensatory time off and/or annual leave in lieu of sick leave when they so request. When a holiday falls while an employee is on paid sick leave, the employee's sick leave account shall not be charged for the holiday period.

2. Where death occurs in the immediate family of the employee, accrued sick leave may be used, not to exceed three (3) scheduled work days for each such occurrence. Immediate family is defined as, and limited to, the employee's spouse, children, grandchildren, foster children, stepchildren, legal wards, parents, grandparents, foster parents, stepparents, brothers, foster brothers, stepbrothers, sons-in-law, brothers-in-law, sisters, foster sisters, stepsisters, daughters-in-law, sisters-in-law, aunts, uncles, nieces, nephews, first cousins, corresponding relatives of the employee's spouse, and other persons who are members of the employee's household.

5. Employees may use accrued sick leave for care of and necessary attention of ill or injured members of the immediate family (as defined in paragraph 2 above), or for the birth of their child. Use of sick leave for this purpose is limited to forty (40) hours per year. Employees may carry over up to forty (40) hours of unused family care leave to the next fiscal year, for a maximum utilization of eighty (80) hours in the next fiscal year.
6. Employees may use accrued sick leave during adoption. Such leave shall not exceed forty (40) hours.

E. Payment of Sick Leave upon Retirement

All bargaining unit employees shall receive the following sick leave provisions and shall accrue sick leave in accordance with the following:

Sick Leave

<u>Balance</u>	<u>Rate of Accrual</u>	<u>Conversion Rate</u>

Over 750 hours to 1500 hours	12 days per year	80% of value
Over 1500 hours	6 days per year	100% of value

Upon retirement, employees shall receive cash payment for accumulated, unused sick leave converted at the employee's current hourly rate. Initially, the employee will receive two thousand dollars (\$2,000) payable with the final pay period that includes the employee's retirement date. The remaining converted balance of the accrued sick leave balance shall be converted as follows:

Upon a bona fide retirement, employees will convert the remainder, after payment of the \$2000 addressed in the preceding paragraph, of the unused sick leave balance to a bank for purposes of purchasing health insurance after retirement. The Sick Leave Balance for Conversion Rate purposes will be the employee's balance before payment of the \$2000 addressed above and will be converted according to the following schedule:

Sick Leave

<u>Balance</u>	<u>Rate of Accrual</u>	<u>Conversion Rate</u>
Zero to 750 hours	18 days per year	60% of value
Over 750 hours		
to 1500 hours	12 days per year	80% of value
Over 1500 hours	6 days per year	100% of value

The Employer will continue to pay the Employer's share of the health insurance premium each month until the converted value of the employee's sick leave balance is exhausted or until the employee is eligible for Medicare, whichever comes first. The retired employee may stay with the same health insurance program as when employed or switch "down" at any time without underwriting.

The converted value of the sick leave can only be applied to the Employer's share of health insurance payments. It has no cash value and it is not transferable to another use or to an heir.

The State agrees that with regards to employees in positions designated by IPERS as Protection Occupation positions who have reached retirement eligibility and have separated from employment with the State, but who have not yet begun to receive IPERS or TIAA retirement benefits, it will work with the Union to establish terms for their use of this benefit.

F. Conversion Rights

1. All bargaining unit employees who have accumulated a minimum of thirty (30) days (240 hours) in their sick leave account and who do not use sick leave for a full calendar month may elect to have one-half (1/2) day (4 hours) added to their accrued vacation account in lieu of the accrual of sick leave.
2. In the case of eligible permanent part-time employees, such conversion rights shall be prorated.

3. Employees who have made an election pursuant to this subsection will be allowed to accumulate up to an additional twelve (12) days (96) beyond twice their annual vacation and unscheduled holiday entitlement.

This amount will be paid on a separate pay warrant on the pay day which represents the last pay period of the fiscal year. In scheduling vacation (annual leave), choice of time and amounts shall be governed by seniority as defined in Article V, provided employees submit their vacation requests at least sixty (60) calendar days prior to the requested time off. When vacation requests are not submitted sixty (60) days in advance, vacations will be granted on a first come-first served basis. Vacation requests will be answered within five (5) working days from the date of receipt unless such requests are submitted more than sixty (60) days in advance. If a denied request is for a full shift or more and the requested time later becomes available, the Employer will offer it, by seniority, to the employees who had requested such time off sixty (60) days in advance and had been denied. If local Management and the local Union/Chapter have agreed to a vacation scheduling practice, this provision shall not supersede that practice. Once vacation periods have been scheduled, the Employer shall make no changes in employee vacation schedules except to meet emergencies. In the event the Employer finds it necessary to cancel a scheduled vacation, the affected employee may reschedule his/her vacation during the remainder of the calendar year or extend the scheduling of his/her vacation into the ensuing calendar year, as he/she desires, providing it does not affect other employees' vacation periods.

B. Jury Duty

1. An employee on jury duty will be continued on the payroll and be paid his/her straight time hourly rate for his/her normally scheduled hours of work. Upon return from jury duty, the employee shall present evidence of the amount received for such jury duty and remit that amount to the Employer, less any travel or personal expenses paid for the jury service. Time spent in court and reasonable travel time shall be deducted from an employee's scheduled work hours for the day in question and shall be considered time worked. Employees on the second or third shift, as defined in Article VIII, Section 6, shall be temporarily rescheduled to the day shift for the duration of their jury service.
2. The employee summoned as a juror shall notify his/her Employer immediately by memorandum attaching a copy of the summons. The employee shall be responsible for all subsequent notifications when obligated to report for jury duty.
3. An employee who reports for jury duty and is dismissed, shall promptly report to work for the remainder of the employee's working day, provided there are at least two (2) hours remaining in the scheduled work day.

C. Court Appearance

When, in obedience to a subpoena or direction by proper authority, an employee appears as a witness in a court proceeding, the time spent shall be considered as a leave of absence with pay provided the employee is not a party to the proceedings. The employee shall remit witness fees to the Employer.

D. Paid Educational Leave

The Employer retains the sole discretion to either grant or deny requests for paid educational leaves of absence. Requests for paid educational leave shall be submitted at least one hundred twenty (120) days in advance of the requested leave. The Employer agrees to either grant or deny such requests at least sixty (60) days prior to the requested leave. Failure to respond within the designated time limits shall not constitute approval of such requests. Employees should not be denied opportunity for educational leave based solely on the shift the employee works.

E. Court Time for Work Related Issues

Members of the bargaining unit who are required to appear in court or participate in proceedings over the phone or virtually, during their off-duty hours, as a result of the employees work activity shall be guaranteed a minimum of two (2) hours or actual hours worked, whichever is greater. The Employer shall not change the employee's schedule or scheduled shift to avoid payment for court proceedings incurred during off-duty hours without the employee's agreement. Payment shall be made in either cash or compensatory time at the discretion of the Employer, at the employee's appropriate rate of pay. Employees shall notify their immediate supervisor when they are requested or subpoenaed to appear in court. Employees shall not be precluded from retaining witness fees and mileage for appearances in civil actions during their non-duty hours, unless such payment is prohibited by statute.

**ARTICLE XI
MISCELLANEOUS**

Section 1 Work Rules

The Employer agrees to establish reasonable work rules. The Union reserves the right to grieve the application or reasonableness of any work rule so established. These work rules shall not conflict with any of the provisions of this Agreement. Newly established work rules or amendments to existing work rules shall be reduced to writing and furnished to the Union at least fourteen (14) calendar days prior to the effective date of the rule. For purposes of this Article, work rules are defined as and limited to: "Rules promulgated by the Employer within its discretion which regulate the personal conduct of employees."

Section 2 Access to Personnel Files

Employees shall have the right to inspect their personnel files. The employee may respond to any item in the personnel file in writing. Such response by the employee shall become part of the permanent record. Access to personnel files shall be limited to authorized management personnel, the employee and a Union representative if so designated in writing by the employee. Upon previous notification and at the employee's expense, the Employer shall make copies of such files for the employee. However, in the event of disciplinary action involving a suspension or discharge, the Employer upon request will furnish at no cost a copy of any material contained in the affected employee's personnel file.

Section 3 Special Expenses

Upon direction and approval of the Employer, employees shall be reimbursed for registration fees, conference fees, banquet tickets, and other authorized expenses that are incurred in the performance of his/her duties as a State employee.

Section 4 Payment of Employees Moving Expenses

Employees who are reassigned at the direction of the Employer shall be reimbursed for relocation and related expenses in accordance with the Relocation and Reimbursement Policy published by DAS-HRE.

Section 5 Tuition and Related Reimbursement

Subject to the availability of funds, the Employer shall establish an educational assistance program to provide employees with one (1) year of full-time employment an opportunity to enhance their job performance and/ or career development. The plan shall provide for Employer participation in the cost of tuition expenses based upon successful completion of individual job related and/or career development courses. Employees shall be allowed to use these funds for professional development approved by Management, or other required training approved by Management. Employees should not be denied opportunity for participation in the educational assistance program based solely on the shift the employee works.

Section 6 Severe Weather/Emergency Closings

A. When the Employer closes a State facility, all employees, including probationary employees, may use earned compensatory time, vacation or leave of absence without pay as they may elect. Employees may, with the approval of their Appointing Authority, also elect to work their regularly scheduled hours even though the State facility is closed to the general public. Employees will also be permitted to make up lost time within the same work week.

When the facility is not closed, all employees, including probationary employees, who are unable to report to work may use earned compensatory time, vacation, or leave of absence without pay as they may elect.

B. If an inclement weather situation is declared or other emergency exists, the following shall apply:

1. If the employee reports within one-half (½) hour of his/her regularly scheduled reporting time, the employee will be assumed to have reported on time.

2. If the employee reports after one-half ($\frac{1}{2}$) hour of his/her regularly scheduled reporting time, the employee shall be credited with having worked the first one-half ($\frac{1}{2}$) hour of the day plus all hours actually worked. Employees may elect to charge any additional lost time pursuant to 6(A) above.

Section 7 Training

The Employer agrees to make a good faith effort, contingent upon the availability of adequate funding, to provide employees with such training as is necessary, as determined by the Employer, to carry out the duties of their assigned positions or to enhance State job opportunities. Employees shall be allowed to use these funds for professional development approved by Management, or other required training approved by Management. Employees should not be denied opportunity for training based solely on the shift the employee works.

Training shall be offered by seniority to those employees who have not had the course, in compliance with operational efficiency.

For Bargaining Unit Employees while attending trainings, the employees will be allowed to stay at a hotel of their choice with reimbursement pursuant to the Iowa Department of Administrative Services policy.

Section 8 Identification Cards

All employees shall receive identification cards which will be unique in appearance and for employees only. The Employer will replace at no cost all identification cards that wear out, and will replace one (1) identification card a year at no cost that is lost by the employee.

Section 9 Time Sheets

The Employer may not change an employee's time sheet arbitrarily.

Section 10 Retention of Disabled Employees

- A. It is the intent of both parties to encourage the retention of employees who may have become disabled while in State service. Consistent with the Americans with Disabilities Act, the Employer will make reasonable accommodations for such employees.

- B. The parties agree that employees who have become temporarily disabled due to a work-related illness or injury should be considered before other disabled employees for reasonable temporary job modifications. Employees who have become temporarily disabled due to an illness or injury that is not work-related will be considered for reasonable temporary job modifications on the basis of Employer needs after they have been released to return to work by their medical practitioner.
- C. The parties agree that the provisions of this Section may not be appealed to arbitration under Article IV of this Agreement.

Section 11 Performance Evaluation

All bargaining unit employees are entitled to a fair and impartial performance evaluation.

Section 12 Contracting and Job Security

- A. When a decision is made by the Employer to contract or subcontract work which would result in the layoff of bargaining unit members, the State agrees to a notification and discussion with AFSCME Council 61 not less than sixty (60) days in advance of the implementation.
- B. If, as a result of outsourcing or privatization following an Employer initiated competitive activities process, positions are eliminated, the Employer shall offer affected employees other employment within Iowa State government. Other employment shall first be sought within the affected employee's department and county of employment. Affected employees accepting other employment shall not be subject to loss of pay nor layoff pending placement in other employment under this Section. Neither shall such employees be subject to a decrease in pay in their new position. However, affected employees will not be eligible for any pay increase until such time as their pay is within their new pay grade range. In the alternative, employees may elect to be laid off. Employees placed in other employment under this Section, as well as those electing to be laid off, will be eligible for recall to the classification held at the time of outsourcing or privatization, in accordance with Article VI of this Agreement.

Section 13 Work Areas

The Union and the Employer shall develop and implement incentives which are non-economic in nature, to encourage employees to enter and/or remain in less desirable work areas, subject to the approval of the Chief Operating Officer of DAS-HRE and the President of AFSCME Iowa Council 61.

Section 14 Employee Assistance Program

- A. The Employer and the Union recognize the value of counseling and assistance programs to those employees who have personal problems which interfere with the employee's efficient and productive performance of job duties and responsibilities. Therefore, the Employer will provide an Employee Assistance Program (EAP) in order to aid such employees and their families. The Employer and the Union will encourage employees to seek professional assistance when necessary.
- B. The EAP is confidential. Any information shared with the EAP will not be released to anyone without written consent of the employee.
- C. An employee's participation in the EAP is separate from the disciplinary process and will not protect the employee from disciplinary action due to poor job performance or rule infraction. Likewise, an employee's participation in the EAP will not jeopardize the employee's career. While State policy is to offer assistance to employees, disciplinary action may result if an employee's job performance continues to be adversely affected.

Section 15 Labor/Management Meetings

- A. The Employer and the Union agree to establish monthly Labor/Management meetings when requested by the appropriate Local/Chapter. The request to meet must be made no less than two (2) weeks in advance. The parties will agree to a date the meeting will be held. Each party may submit agenda items to the other no later than one (1) week prior to the meeting. The meeting will last no longer than two (2) hours, but may be extended by mutual agreement. Up to six (6) representatives from the Union and up to an equal number of Management will attend the meetings. The purpose of the meetings shall be to afford both Labor and Management a forum in which to communicate on items that may be of interest to both parties. The meetings are established as a communication vehicle only and shall not have authority to bind either the Union or Management with respect to any of the items discussed. Union representatives will be in pay status for all time spent in

Labor/Management meetings. The Employer is not responsible for any travel expenses or other expenses incurred by employees for the purpose of complying with the provisions of this Article, except as provided by statewide Labor/Management meetings.

- B. The Employer and the Union agree to establish quarterly meetings on a statewide level when requested by the Union for discussion of issues which were unresolved at the Local/Chapter level and which affect employees in AFSCME bargaining units. Agenda items shall be exchanged at least two (2) weeks prior to the meeting. One (1) Union representative from each Local/Chapter and up to an equal number from Management will attend the meetings in pay status. Any employee who must travel more than twenty (20) miles will be reimbursed for mileage expense only. Such reimbursement shall be at the rate established by the Iowa Department of Administrative Services policy. Union members will attempt to car pool when possible.

ARTICLE XII HEALTH AND SAFETY

Section 1 Tools and Equipment

The Employer agrees to furnish and maintain in safe working condition all tools and equipment required to carry out the duties of each position. Employees are responsible for reporting any unsafe condition or practice, and for properly using and caring for the tools and equipment furnished by the Employer. Employees shall not use such tools and equipment for personal use.

Section 2 Building/Structures/Steam Tunnels

- A. The Employer shall provide and maintain all State owned and State employee occupied buildings, grounds, and equipment in accordance with directions of the applicable federal and State agencies.
- B. Where no policy exists for handling bomb threats in State owned or leased buildings, the Employer shall develop such policies.

- C. Procedures for confined space entry and for working in steam tunnels will be developed at Statewide Labor/Management Cooperative Team meetings. Protocols for working in steam tunnels will include, but not be limited to, a "buddy system" and the availability of protective clothing and breathing apparatus.

Section 3 Protective Clothing

The Employer shall furnish protective clothing and equipment in accordance with the applicable federal and State regulations.

Section 4 Uniforms

- A. The Employer shall provide all required Uniforms and necessary equipment for the Bargaining Unit Employees to do their job.
- B. The Employer will purchase exterior covers for vests for all employees in this bargaining unit, at the employees request.
- C. The Union will be notified in writing at least fourteen (14) calendar days in advance of any new requirements or changes in existing requirements regarding uniforms.
- D. Where pins are currently permitted, employees shall be allowed to wear up to two (2) Union pins on their uniforms/smocks.

Section 5 Safety Shoes and Safety Glasses

- A. Where the Employer requires employees to wear safety shoes, the Employer will furnish such shoes beginning with the first day of employment. These employees may, at the employee's discretion, be provided with a sum of money equal to the Employer's cost of the shoes toward the cost of buying safety boots.
- B. Safety glasses (including prescription lenses when required) or safety goggles shall be provided for employees who are required to wear them. Employees may, in lieu of receiving safety glasses or safety goggles of the style and choice of the Employer, receive an allowance equivalent to the Employer's cost toward the purchase of safety glasses or safety goggles in a style chosen by the employee. Safety glasses or safety goggles purchased by the employee must meet or exceed the Employer's safety standards.

Section 6 Damage to Personal Items

- A. The Employer agrees that bargaining unit employees may submit to the Employer requests for reimbursement for any personal items damaged in the performance of assigned duties up to a maximum of three hundred dollars (\$300) per occurrence, subject to legislative approval if necessary.
- B. The Employer agrees that bargaining unit employees may submit requests to the State Appeal Board for claims denied by the Employer or which are in excess of three hundred dollars (\$300). Such requests will be granted or denied in accordance with the applicable law. If the State Appeal Board requires that requests be submitted on special forms, the Employer will make such forms available to the employees. The employee's immediate supervisor may, at his/her discretion, certify that personal items were lost or damaged in the performance of the employee's assigned duty. The Employer shall provide priority processing for claims submitted pursuant to this section.

Section 7 Employer Owned Vehicles

All Employer-owned vehicles which are used by bargaining unit employees shall be equipped with reflective warning devices or flares, first aid kits and fire extinguishers. The State will endeavor in good faith to comply with Section 321.381 of the Code of Iowa.

Section 8 Compliance Limitations

The Employer's compliance with this Article is contingent upon the availability of funds. If the Employer is unable to meet the requirements of any section of this Article due to a lack of funds, the Employer shall make a positive effort to obtain the necessary funds from the appropriate legislative body.

Section 9 Video Display Terminals

- A. Where practical and feasible, the Employer will maintain standards for computers/word processing equipment (hereinafter referred to as VDTs).
- B. In addition to the relief provided by means of the rest periods and meal periods set forth in Article VIII of this Agreement, employees shall be entitled to a five (5) minute pause from work for every hour of intensive VDT use. Individual departments, in consultation with the VDT users, will establish the pattern of usage for the additional pauses described above. The local Union and Management will facilitate the establishment of such patterns. However, in lieu of the additional breaks, the Employer may provide an

alternative work assignment. Intensive VDT use is defined as: (1) use which requires continuous and sustained attention and concentration on the VDT screen, and; (2) use which occurs in situations where this type of task cannot be organized so as to provide for natural breaks or variations.

The parties agree that the pause time must be used as described above and may not be accumulated nor used in conjunction with rest periods and meal periods as set forth in Article VIII.

- C. The characteristics of the equipment being used, the area in which it is installed, the work to be performed and the needs of the user all contribute to the appropriateness of the work environment for VDT users. The Employer will make a good faith effort to provide appropriate work settings for VDT users, consistent with the availability of existing resources.

Design guidelines to be used as a factor in the purchase of VDTs will be developed by each unit of State government responsible for such purchases. These guidelines will address desirable characteristics relating to: (a) screen positioning, (b) keyboards, (c) screen and character type, and (d) accessories. The Union will be consulted in the development of these general design guidelines.

The following elements in the work environment may affect the appropriateness of the setting in which VDT users work:

1. The ability to position the VDT and keyboard in relationship to each other and at heights which are appropriate for the work to be performed and the user;
2. The ability to provide adequate lighting for the work to be performed;
3. The ability to minimize glare;
4. The ability to minimize printer noise, and;
5. Chairs which may be adjusted to and which provide proper support for the user.

The Employer will provide information and guidance to its work units which will assist them in creating an appropriate setting for VDT users.

Section 10 Education and Reporting Procedures

By July 1, 1999, the Employer will provide to the Union a written plan for delivery of health and safety information and reporting procedures for each department.

Section 11 Health and Safety Committees

In the State departments, Board of Regents institutions, and state institutions or correctional facilities where currently a health and safety committee operates, the Employer shall designate the number of bargaining unit representative(s) who will serve on the committee (which shall not be less than one (1) representative). The Union shall have the right to designate which bargaining unit employee(s) shall serve as representative(s). Bargaining unit representative(s) shall serve on the committee for a designated term consistent with current practices. This provision shall also apply to any newly created health and safety committee which will include bargaining unit employees.

The parties agree that attempts to resolve health and safety concerns should first be made at the local level. Therefore, these matters should be discussed with local Labor/Management committees pursuant to Article XI, Section 15. Should the parties be unable to come to mutual agreement at the local level or if it is a statewide issue, either party may refer the issue to the next statewide Labor/Management meeting pursuant to Article XI, Section 15. An additional two (2) hour limit will be set aside at the statewide Labor/Management meeting to address any issues referred pursuant to this section. For health and safety issues discussed at statewide Labor/Management meeting that are not resolved at that meeting, a joint report summarizing the various positions of the parties will be issued no later than two (2) weeks prior to the next statewide Labor/Management committee meeting. This joint report shall be shared with the department director and the President of AFSCME Iowa Council 61.

Section 12 Health and Safety Complaint Procedure

If practical, the Employer will provide safe, secure, healthful working conditions for all employees. The Employer agrees to comply with the federal Occupation Safety and Health Act (OSHA) and all other applicable federal, State, or local laws and regulations, and departmental safety rules and regulations. Nothing in this Agreement will imply the Union has assumed legal responsibility for the health and safety of employees. This Section does not affect the rights of individual employees or the Union to file complaints with IOSHA.

ARTICLE XIII
GENERAL

Section 1 Obligation to Bargain

This Agreement represents the entire agreement of the parties and shall supersede all previous agreements, written or verbal. The parties agree that the provisions of this Agreement shall supersede any provisions of the rules of the State's merit systems relating to any of the subjects of collective bargaining contained herein when the provisions of such rules differ with this Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement and any extension, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subjects or matters referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 2 Retention of Benefits

- A. The Employer agrees, that prior to making any change in a written agency-wide policy which is a mandatory subject of bargaining and not otherwise covered by this Agreement, to meet and confer with the Union in an attempt to reach an agreement. In the event the parties are unable to reach an agreement, the matter will be submitted to arbitration pursuant to Article IV of this Agreement. The sole issue to be considered by the arbitrator is whether the proposed change represents a deterioration of an existing benefit. If the arbitrator determines that the proposed change does represent a deterioration of an existing benefit, the Employer shall not make the change.
- B. For the purpose of this Section, the term "agency" means the individual departments of State government and each of the institutions within the BOR.

- C. In the event the parties are unable to agree as to whether a policy is a mandatory subject of bargaining, the question will be submitted to PERB.

Section 3 Savings Clause

- A. In the event any Article, Section or portion of this Agreement should be held invalid and unenforceable by operation of law or by any tribunal of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specifically specified in the decision; and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated Article, Section or portion thereof.
- B. In the event the parties fail to agree on the provisions of the substitute in fifteen (15) days following the start of negotiations, the parties shall request a list of five (5) arbitrators from PERB. The first strike shall be decided by a coin toss and the parties shall alternately strike until there is one (1) name remaining who shall become the arbitrator. Either party may request a second list of arbitrators from the PERB if they so desire. The arbitrator shall decide between Management's and the Union's final offer as to which is the most appropriate substitute. The decision of the arbitrator shall be final and binding on both parties.
- C. Should any provision of this Agreement jeopardize the receipt by the State of any federal grant-in-aid funds or other federal allotment of money, the provision shall be deemed invalid. However, such invalidation shall not invalidate the remaining portions hereof and they should remain in full force and effect. The parties shall immediately renegotiate the invalid provision or, in the absence of an agreement, submit the dispute to arbitration in accordance with the procedure set forth above.
- D. The parties disavow the Polk County District Court's decision in the matter of AFSCME vs. State of Iowa, Docket Number CE 37-21870 issued by Judge Rodney Ryan on February 6, 1992 regarding the savings clause. The parties agree that decision is not precedent setting and shall have no effect for the duration of this Agreement.

TERMINATION OF AGREEMENT

The terms and conditions of this Agreement shall continue in full force and effect commencing on July 1, 2021, and terminating on June 30, 2023, unless the parties mutually agree in writing to extend any or all of the terms of this Agreement. Upon termination of the Agreement, all obligations under the Agreement are automatically canceled.

Negotiations for a new Agreement shall commence on or before November 30, 2022. In the event the parties fail to reach an agreement by January 1, 2023, mediation shall be requested. In the event the parties are still at impasse on February 1, 2023, the dispute shall be submitted to final and binding arbitration. In the event the dispute is submitted to arbitration, the arbitrator's decision shall be rendered by no later than March 15, 2023. The parties may mutually agree to eliminate or modify any of the above impasse procedures.

1. Single Plans:

2. Family Plans:

In each year of this Agreement, the State's monthly contribution to all family plans shall be ninety percent (90%) of the Iowa Choice total family premium. Employees may apply this dollar amount to the plan of their choice.

Family plans will be available to Domestic Partners, provided they meet requirements set forth by the State and its carriers. The State will pay the State's contribution toward family premium. Any forms or affidavits will not be made part of this contract.

Should the monthly premium for any family health plan option be reduced during this Agreement, the State and the employees will contribute the same percentages of total monthly premium paid in the prior year.

3. Double-Spouse:
