### Winter Driving

Like it or not, winter will be upon us soon. DAS Fleet Services provides multiple resources to support drivers and departments during winter driving conditions, severe weather and vehicle readiness.

**Driving Conditions:** DAS Fleet Services offers guidelines for [winter driving conditions](#), a link for the [DOT's road condition website](#) and a webpage dedicated to [driver safety and emergency procedures](#).

**State Employees Roadside Mobile Assistance (SERMA) website** is a great driver resource for all seasons, not only winter.

**Impending Severe Weather:** DAS Fleet Services sends information to agency Fleet Contacts as soon as information is available regarding severe weather, road closures and travel suspension.

**Vehicle Readiness:** Please have your agency's vehicles ready and equipped for winter weather. Vehicle supplies such as sand bags, snow shovels and snow brushes are [available to order](#) from DAS Fleet Services.

### Vehicle Fun Facts

Do you know what a solid white line in the road means? According to the US DOT, "White lines separate lanes for which travel is in the same direction. A double white line indicates that lane changes are prohibited. A single white line indicates that lane changes are discouraged."
