Time: 10-11:00 AM
Location: Hoover, Level A, Conf. Room 4

Continuing Business:

1. “Safety Flash” ideas The safety flash ideas will not be put in the First Friday Edition but will be made into a “Table Topper” to be produced this Fall by Tera Granger
2. Emergency Shelter Maps at Hoover updating Barb Bendon reports that the maps are done and will be posted after review by the facility coordinators for each building on complex.
3. Smokers standing on the street create confusion for drivers
 A safety committee member has received several complaints from drivers who are confused by smokers who stand in the street to smoke. Drivers slow or stop thinking the person wants to cross the street. This could create a dangerous situation if a driver didn’t yield to a pedestrian who is mistakenly thought to be a smoker.

1. Motor oil tanks at Fleet The new motor oil storage tanks need containment basins in case of a leak. Dave Phillips will look into it.
2. DAS Incident / Hazard Reporting Forms
