Development Certificate

## Overview:

This course, designed for all managers and supervisors, focuses on the State of Iowa policy on substance abuse and discusses measures to take for violations of the policy. The course reviews national substance abuse trends, tests participant's knowledge regarding substance use and abuse, and provides managers and supervisors with information regarding workplace substance abuse situations.

## Objectives:

- Better understand alcohol use and substance abuse
- Identify key components of the State of Iowa Substance Abuse Policy
- Understand procedures for substance abuse situations
