

Substance Abuse Policy

Course Number: MTS SA 001

Cost Per Person: No Charge/Participating Agency, \$42/Non-Participating

Scheduled Sessions: This course is available On-Demand. Staff interested in completing this course should login to the [State of Iowa LMS](#) to launch the training. Contact your agency [training liaison](#) if you have questions.

Eligibility: Managers & Supervisors, Advanced Leaders

Instructor: PDS E-Learning

Certificate Series: Management Development Certificate (MDC)

Length: 1 Hour

Overview:

This course, designed for all managers and supervisors, focuses on the State of Iowa policy on substance abuse and discusses measures to take for violations of the policy. The course reviews national substance abuse trends, tests participant's knowledge regarding substance use and abuse, and provides managers and supervisors with information regarding workplace substance abuse situations.

Objectives:

- Better understand alcohol use and substance abuse
- Identify key components of the State of Iowa Substance Abuse Policy
- Understand procedures for substance abuse situations
