

# State of Iowa Retirees

## 2017 Monthly Dental Insurance Premiums

Coverage	Delta Dental
Single	\$28.68
Family	\$77.06

The State of Iowa dental plan has only single and family rates. We do not offer rates for a retiree plus one. If your dental policy covers you and your spouse (who is not a State of Iowa retiree), this means you cannot have two single policies. You must have a family policy.
