State of Iowa
PROGRAM 3 PLUS Contract

Classic Blue / Blue Rx Complete Prescription Drug Plan

If you have questions about your coverage or about a specific claim, call the Wellmark Blue Cross and Blue Shield of Iowa customer service unit for State employees.

Des Moines Area: 515-245-5185 • Toll Free: 800-622-0043

For Precertification: 800-558-4409

Group Effective Date: 1/1/2017
Plan Year: January 1
Print Date: 2/1/2017
Coverage Code: AVO AWO AUO Co6 CZ0
Version: 01/17
NOTICE
This group health plan is sponsored and funded by your employer or group sponsor. Your employer or group sponsor has a financial arrangement with Wellmark under which your employer or group sponsor is solely responsible for claim payment amounts for covered services provided to you. Wellmark provides administrative services and provider network access only and does not assume any financial risk or obligation for claim payment amounts.

About This Benefit Booklet

Contract
This benefit booklet describes your rights and responsibilities under your group health plan. You and your covered dependents have the right to request a copy of this benefit booklet, at no cost to you, by contacting your employer or group sponsor.

Please note: Your employer or group sponsor has the authority to terminate, amend, or modify the coverage described in this benefit booklet at any time. Any amendment or modification will be in writing and will be as binding as this benefit booklet. If your contract is terminated, you may not receive benefits.

You should familiarize yourself with the entire booklet because it describes your benefits, payment obligations, provider networks, claim processes, and other rights and responsibilities.

This group health plan consists of medical benefits and prescription drug benefits. The medical benefits are called Classic Blue. The prescription drug benefits are called Blue Rx Complete. This benefit booklet will indicate when the service, supply or drug is considered medical benefits or drug benefits by using sections, headings, and notes when necessary.

Charts
Some sections have charts, which provide a quick reference or summary but are not a complete description of all details about a topic. A particular chart may not describe some significant factors that would help determine your coverage, payments, or other responsibilities. It is important for you to look up details and not to rely only upon a chart. It is also important to follow any references to other parts of the booklet. (References tell you to “see” a section or subject heading, such as, “See Details – Covered and Not Covered.” References may also include a page number.)

Complete Information
Very often, complete information on a subject requires you to consult more than one section of the booklet. For instance, most information on coverage will be found in these sections:

- At a Glance – Covered and Not Covered
- Details – Covered and Not Covered
- General Conditions of Coverage, Exclusions, and Limitations

However, coverage might be affected also by your choice of provider (information in the Choosing a Provider section), certain notification requirements if applicable to your group health plan (the Notification Requirements and Care Coordination section), and considerations of eligibility (the Coverage Eligibility and Effective Date section).

Even if a service is listed as covered, benefits might not be available in certain situations, and even if a service is not specifically described as being excluded, it might not be covered.

Read Thoroughly
You can use your group health plan to the best advantage by learning how this document is organized and how sections are related to each other. And whenever you look up a particular topic, follow any references, and read thoroughly.
Your coverage includes many services, treatments, supplies, devices, and drugs. Throughout the benefit booklet, the words *services or supplies* refer to any services, treatments, supplies, devices, or drugs, as applicable in the context, that may be used to diagnose or treat a condition.

**Questions**

If you have questions about your group health plan, or are unsure whether a particular service or supply is covered, call the Customer Service number on your ID card.
1. What You Pay

This section is intended to provide you with an overview of your payment obligations under this group health plan. This section is not intended to be and does not constitute a complete description of your payment obligations. To understand your complete payment obligations you must become familiar with this entire benefit booklet, especially the Factors Affecting What You Pay and Choosing a Provider sections.

Provider Network

Under the medical benefits of this plan, your network of providers consists of Participating Providers. All other providers are Out-of-Network Providers. Which provider type you choose will affect what you pay.

Program 3 Plus Contract

Payment Summary

This chart summarizes your payment responsibilities. It is only intended to provide you with an overview of your payment obligations. It is important that you read this entire section and not just rely on this chart for your payment obligations.

<table>
<thead>
<tr>
<th>You Pay</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Deductible</td>
<td>$300 for a single contract $400 (maximum) for a family contract*</td>
</tr>
<tr>
<td>Office Visit Copayment</td>
<td>$15</td>
</tr>
<tr>
<td>Coinsurance</td>
<td>20%</td>
</tr>
<tr>
<td>Out-of-Pocket Maximum</td>
<td>$1,000 for a single contract $2,000 (maximum) for a family contract*</td>
</tr>
</tbody>
</table>

*Family amounts are reached from amounts accumulated on behalf of any covered family member or combination of covered family members. You must satisfy the entire family deductible before we make benefit payments. Single contracts are subject to the single deductible. For family contracts, benefits are not available for any family members until the entire family deductible has been met. Out-of-pocket administration is based on the same accumulation.

Prescription Drugs

<table>
<thead>
<tr>
<th>You Pay†</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Copayment</td>
<td></td>
</tr>
<tr>
<td>$5 for Tier 1 medications. $15 for Tier 2 medications. $30 for Tier 3 and 4 medications. For more information see Tiers, page 55.</td>
<td></td>
</tr>
<tr>
<td>Out-of-Pocket Maximum</td>
<td>$500 per person $1,000 (maximum) per family*</td>
</tr>
</tbody>
</table>

*Family amounts are reached from amounts accumulated on behalf of any combination of covered family members. A member has benefits after the single out-of-pocket is met; an entire family has benefits after the family out-of-pocket is met.
What You Pay

†You pay the entire cost if you purchase a drug that is not on the Wellmark Blue Rx Complete Drug List. See Wellmark Blue Rx Complete Drug List, page 27.

**Prescription Maximums**
Generally, there is a maximum days' supply of medication you may receive in a single prescription. However, exceptions may be made for certain prescriptions packaged in a dose exceeding the maximum days' supply covered under your Blue Rx Complete prescription drug benefits. To determine if this exception applies to your prescription, call the Customer Service number on your ID card.

Your payment obligations may be determined by the quantity of medication you purchase.

**Payment Details**

**Program 3 Plus Contract**

**Deductible**

**Benefit Year Deductible.** This is a fixed dollar amount you pay in a benefit year before medical benefits become available for any of the following covered services:

- Inpatient services.
- Urgent care services.

The family deductible amount is reached from amounts accumulated on behalf of any covered family member or combination of covered family members.

You must satisfy the entire family deductible before we make benefit payments.

Once you meet the deductible, then coinsurance applies.

If a family member is removed from your coverage during the benefit year and this changes your coverage type from family to single coverage, you will not be credited with deductible amounts that were paid during the benefit year on behalf of the removed family member. As of the date of the coverage change, you will be responsible for any applicable deductible that remains unmet in the absence of amounts that were paid on behalf of the removed family member. See Coverage Changes and Termination, page 63.

**Common Accident Deductible.** When two or more covered family members are involved in the same accident and they receive covered services for injuries related to the accident, only one deductible amount will be applied to the accident-related
services for all family members involved. However, you still need to satisfy the family (not the per person) out-of-pocket maximum.

Deductible amounts are waived for some services. See Waived Payment Obligations later in this section.

Prior Deductible Credit. When you are covered by another State of Iowa health care plan administered by Wellmark Blue Cross and Blue Shield of Iowa immediately before becoming covered under this plan, any deductible amounts from the previous plan may be applied to help you meet the deductible under this plan. This is true when your coverage under both plans is for the same benefit year.

Copayment
This is a fixed dollar amount that you pay each time you receive certain covered services.

Office Visit Copayment.
The office visit copayment:
- applies to the office exam only.
- is taken once per date of service.

Related office services are subject to coinsurance and not this copayment.

Copayment amount(s) are waived for some services. See Waived Payment Obligations later in this section.

Coinsurance
Coinsurance is an amount you pay for certain covered services. Coinsurance is calculated by multiplying the fixed percentage(s) shown earlier in this section times Wellmark’s payment arrangement amount. Payment arrangements may differ depending on the contracting status of the provider and/or the state where you receive services. For details, see How Coinsurance is Calculated, page 51. Coinsurance amounts apply after you meet the deductible.

Coinsurance amounts are waived for some services. See Waived Payment Obligations later in this section.

Out-of-Pocket Maximum
The out-of-pocket maximum is the maximum amount you pay, out of your pocket, for most covered services in a benefit year. Many amounts you pay for covered services during a benefit year accumulate toward the out-of-pocket maximum. These amounts include:
- Deductible.
- Coinsurance.
- Office visit copayments.

The family out-of-pocket maximum is reached from applicable amounts paid on behalf of any covered family member or combination of covered family members.

If a family member is removed from your coverage during the benefit year and this changes your coverage type from family to single coverage, you will not be credited with out-of-pocket maximum amounts that were paid during the benefit year on behalf of the removed family member. As of the date of the coverage change, you will be responsible for any applicable out-of-pocket maximum that remains unmet in the absence of amounts that were paid on behalf of the removed family member. See Coverage Changes and Termination, page 63.

However, certain amounts do not apply toward your out-of-pocket maximum.
- Amounts representing any general exclusions and conditions. See General Conditions of Coverage, Exclusions, and Limitations, page 31.
- Difference in cost between the provider’s amount charged and our maximum allowable fee when you receive services from an Out-of-Network Provider.
- Difference in cost between the generic drug and the brand name drug when you purchase a brand name drug that
has an FDA-approved “A”-rated generic equivalent.

These amounts continue even after you have met your out-of-pocket maximum.

**Benefits Maximums**
Benefits maximums are the maximum benefit amounts that each member is eligible to receive.

**Waived Payment Obligations**
Some payment obligations are waived for the following covered services.

<table>
<thead>
<tr>

<td>Deductible</td>
</tr>
</tbody>
</table>

* A complete list of recommendations and guidelines related to preventive services can be found at [www.healthcare.gov](http://www.healthcare.gov). Recommended preventive services are subject to change and are subject to medical management.

**If you have a newborn child, but you do not add that child to your coverage, your newborn child may be added to your coverage solely for the purpose of administering the 48-96 hour mandated requirement. If that occurs, a separate deductible and coinsurance will be applied to your newborn child unless your coverage specifically waives the deductible or coinsurance for your newborn child.

***Digital breast tomosynthesis (3D mammogram) may be subject to coinsurance and copayments, as applicable.

## Prescription Drugs

### Copayment

Copayment is a fixed dollar amount you pay each time a covered prescription is filled or refilled.

You pay the entire cost if you purchase a drug that is not on the Wellmark Blue Rx Complete Drug List. See [Wellmark Blue Rx Complete Drug List](#), page 27.

### Out-of-Pocket Maximum

The out-of-pocket maximum is the maximum you pay in a given benefit year toward the following amounts:

- Copayments.

The family out-of-pocket maximum is reached from applicable amounts paid on behalf of any combination of covered family members.
# Waived Payment Obligations

Some payment obligations are waived for the following covered drugs or services.

<table>
<thead>
<tr>
<th>Covered Drug or Service</th>
<th>Payment Obligation Waived</th>
</tr>
</thead>
<tbody>
<tr>
<td>Generic contraceptive drugs and generic contraceptive drug delivery devices (e.g., birth control patches).</td>
<td>Copayment</td>
</tr>
<tr>
<td>Payment obligations are also waived if you purchase brand name contraceptive drugs or brand name drug delivery devices when an FDA-approved generic equivalent is not available.</td>
<td></td>
</tr>
<tr>
<td>Payment obligations are not waived if you purchase brand name contraceptive drugs or brand name contraceptive drug delivery devices when an FDA-approved generic equivalent is available.</td>
<td></td>
</tr>
<tr>
<td>Preventive items or services* as follows:</td>
<td>Copayment</td>
</tr>
<tr>
<td>- Items or services with an “A” or “B” rating in the current recommendations of the United States Preventive Services Task Force (USPSTF); and</td>
<td></td>
</tr>
<tr>
<td>- Immunizations as recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.</td>
<td></td>
</tr>
<tr>
<td>Two smoking cessation attempts per calendar year, up to a 90-days’ supply of covered drugs for each attempt, or a 180-days’ supply total per calendar year.</td>
<td>Copayment</td>
</tr>
</tbody>
</table>

*A complete list of recommendations and guidelines related to preventive services can be found at [www.healthcare.gov](http://www.healthcare.gov). Recommended preventive items and services are subject to change and are subject to medical management.
2. At a Glance - Covered and Not Covered

Program 3 Plus Contract

Your coverage provides benefits for many services and supplies. There are also services for which this coverage does not provide benefits. The following chart is provided for your convenience as a quick reference only. This chart is not intended to be and does not constitute a complete description of all coverage details and factors that determine whether a service is covered or not. All covered services are subject to the contract terms and conditions contained throughout this benefit booklet. Many of these terms and conditions are contained in Details – Covered and Not Covered, page 13. To fully understand which services are covered and which are not, you must become familiar with this entire benefit booklet. Please call us if you are unsure whether a particular service is covered or not.

The headings in this chart provide the following information:

**Category.** Service categories are listed alphabetically and are repeated, with additional detailed information, in Details – Covered and Not Covered.

**Covered.** The listed category is generally covered, but some restrictions may apply.

**Not Covered.** The listed category is generally not covered.

**See Page.** This column lists the page number in Details – Covered and Not Covered where there is further information about the category.

**Benefits Maximums.** This column lists maximum benefit amounts that each member is eligible to receive. Benefits maximums that apply per benefit year or per lifetime are reached from benefits accumulated under this group health plan and any prior group health plans sponsored by the State of Iowa and administered by Wellmark Blue Cross and Blue Shield of Iowa.

Please note: Benefits maximums accumulate for medical and prescription drug benefits separately.

**Prescription Drugs**

**Please note:** To determine if a drug is covered, you must consult the Wellmark Blue Rx Complete Drug List. You are covered for drugs listed on the Wellmark Blue Rx Complete Drug List. If a drug is not on the Wellmark Blue Rx Complete Drug List, it is not covered.

For details on drug coverage, drug limitations, and drug exclusions, see the next section, *Details – Covered and Not Covered.*
3. Details - Covered and Not Covered

All covered services or supplies listed in this section are subject to the general contract provisions and limitations described in this benefit booklet. Also see the section *General Conditions of Coverage, Exclusions, and Limitations*, page 31. If a service or supply is not specifically listed, do not assume it is covered.

| **Ambulance Services**        | **Covered:** Professional air and ground ambulance transportation to a hospital or nursing facility in the surrounding area where your ambulance transportation originates. All of the following are required to qualify for benefits:  
  - The services required to treat your illness or injury are not available in the facility where you are currently receiving care if you are an inpatient at a facility.  
  - You are transported to the nearest hospital or nursing facility with adequate facilities to treat your medical condition.  
  - During transportation, your medical condition requires the services that are provided only by an ambulance that is professionally staffed and specially equipped for taking sick or injured people to or from a health care facility in an emergency.  
  - In addition to the preceding requirements, for air ambulance services to be covered, all of the following conditions must be met:  
    - The air ambulance has the necessary patient care equipment and supplies to meet your needs.  
    - Your medical condition requires immediate and rapid ambulance transport that cannot be provided by a ground ambulance; or the point of pick up is inaccessible by a land vehicle.  
    - Great distances, limited time frames, or other obstacles are involved in getting you to the nearest hospital with appropriate facilities for treatment.  
    - Your condition is such that the time needed to transport you by land poses a threat to your health.  
    - Not Covered: Professional air ambulance transport from a facility capable of treating your condition when performed primarily for your convenience or the convenience of your family, physician, or other health care provider.  
| **Anesthesia**                | **Covered:** Anesthesia and the administration of anesthesia. **Not Covered:** Local or topical anesthesia billed separately from related surgical or medical procedures. |
| **Blood and Blood Administration** | **Covered:** Blood and blood administration, including blood derivatives, and blood components. |
Chemical Dependency Treatment

**Covered:** Treatment for a condition with physical or psychological symptoms produced by the habitual use of certain drugs as described in the most current *Diagnostic and Statistical Manual of Mental Disorders*.

For treatment in a residential treatment facility, benefits are available:

- For treatment provided on an intensive outpatient basis, but not including charges related to residential care;
- For partial hospitalization treatment, but not including charges related to residential care;
- For sub-acute, medically monitored inpatient treatment for patients whose condition requires four-hour licensed nurse observation, monitoring, and treatment, as well as services provided by interdisciplinary staff under the direction of a licensed physician, but which does not require the full resources of an acute care general hospital or a medically managed inpatient treatment program; and
- For inpatient, medically managed acute care for patients whose condition requires the resources of an acute care general hospital or a medically managed inpatient treatment program.

Coverage for Psychiatric Medical Institutions for Children (PMIC) is separately addressed in this benefit booklet and is not subject to the preceding provision.

**Not Covered:**

- Treatment received in a residential treatment facility, except as described under *Covered*.

See Also:

*Hospitals and Facilities* later in this section.

---

Chemotherapy and Radiation Therapy

**Covered:** Use of chemical agents or radiation to treat or control a serious illness.

Clinical Trials

**Covered:** Medically necessary routine patient costs for items and services otherwise covered under this plan furnished in connection with participation in an approved clinical trial related to the treatment of cancer or other life-threatening diseases or conditions, when a covered member is referred by a Participating Provider based on the conclusion that the member is eligible to participate in an approved clinical trial according to the trial protocol or the member provides medical and scientific information establishing that the member’s participation in the clinical trial would be appropriate according to the trial protocol.

**Not Covered:**

- Investigational or experimental items, devices, or services which are themselves the subject of the clinical trial;
- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient;
- Services that are clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

Contraceptives

**Covered:** The following conception prevention, as approved by the U.S. Food and Drug Administration:

- Contraceptive medical devices, such as intrauterine devices and diaphragms.
- Implanted contraceptives.
- Injected contraceptives.
Please note: Contraceptive drugs and contraceptive drug delivery devices, such as insertable rings and patches are covered under your Blue Rx Complete prescription drug benefits described later in this section.

See the Wellmark Blue Rx Complete Drug List at Wellmark.com or call the Customer Service number on your ID card and request a copy of the Drug List.

**Cosmetic Services**

Not Covered: Cosmetic services, supplies, or drugs if provided primarily to improve physical appearance. A service, supply or drug that results in an incidental improvement in appearance may be covered if it is provided primarily to restore function lost or impaired as the result of an illness, accidental injury, or a birth defect. You are also not covered for treatment for any complications resulting from a noncovered cosmetic procedure.

See Also:

Reconstructive Surgery later in this section.

**Counseling and Education Services**

Not Covered:

- Bereavement counseling or services (including volunteers or clergy), family counseling or training services, and marriage counseling or training services.
- Education or educational therapy other than covered education for self-management of diabetes.

See Also:

Genetic Testing later in this section.

Education Services for Diabetes later in this section.

Mental Health Services later in this section.

---

**Dental Services**

Covered:

- Dental treatment for accidental injuries when:
  - Treatment is completed within six months of the injury.
- Anesthesia (general) and hospital or ambulatory surgical facility services related to covered dental services if:
  - You are under age 14 and, based on a determination by a licensed dentist and your treating physician, you have a dental or developmental condition for which patient management in the dental office has been ineffective and requires dental treatment in a hospital or ambulatory surgical facility; or
  - Based on a determination by a licensed dentist and your treating physician, you have one or more medical conditions that would create significant or undue medical risk in the course of delivery of any necessary dental treatment or surgery if not rendered in a hospital or ambulatory surgical facility.
- Impacted teeth removal (surgical) as an outpatient. Inpatient removal is covered only when you have a medical condition (such as hemophilia) that requires hospitalization.
- Facial bone fracture reduction.
- Incisions of accessory sinus, mouth, salivary glands, or ducts.
- Jaw dislocation manipulation.
- Orthodontic services required for surgical management of cleft palate.
- Treatment of abnormal changes in the mouth due to disease.

Not Covered:

- General dentistry including, but not limited to, diagnostic and preventive services, restorative services, endodontic services, periodontal services, indirect fabrications, dentures and bridges, and orthodontic services unrelated to
accidental injuries or surgical management of cleft palate.
- Injuries associated with or resulting from the act of chewing.
- Maxillary or mandibular tooth implants (osseointegration) unrelated to accidental injuries or abnormal changes in the mouth due to injury or disease.

### Dialysis
**Covered:** Removal of toxic substances from the blood when the kidneys are unable to do so when provided as an inpatient in a hospital setting or as an outpatient in a Medicare-approved dialysis center.

### Education Services for Diabetes
**Covered:** Inpatient and outpatient training and education for the self-management of all types of diabetes mellitus.

All covered training or education must be prescribed by a licensed physician. Outpatient training or education must be provided by a state-certified program.

The state-certified diabetic education program helps any type of diabetic and his or her family understand the diabetes disease process and the daily management of diabetes.

### Emergency Services
**Covered:** When treatment is for a medical condition manifested by acute symptoms of sufficient severity, including pain, that a prudent layperson, with an average knowledge of health and medicine, could reasonably expect absence of immediate medical attention to result in:

- Placing the health of the individual or, with respect to a pregnant woman, the health of the woman and her unborn child, in serious jeopardy; or
- Serious impairment to bodily function; or
- Serious dysfunction of any bodily organ or part.

In an emergency situation, if you cannot reasonably reach a Participating Provider, covered services will be reimbursed as though they were received from a Participating Provider. However, because we do not have contracts with Out-of-Network Providers and they may not accept our payment arrangements, you are responsible for any difference between the amount charged and our amount paid for a covered service.

**See Also:**
*Out-of-Network Providers, page 52.*

### Fertility and Infertility Services
**Covered:**

- Fertility prevention, such as tubal ligation (or its equivalent) or vasectomy (initial surgery only).
- Infertility testing and treatment for infertile members including in vitro fertilization, gamete intrafallopian transfer (GIFT), and pronuclear stage transfer (PROST).
- The collection or purchase of donor semen (sperm) or oocytes (eggs) when performed in connection with fertility or infertility procedures; freezing of sperm, oocytes, or embryos.

**Benefits Maximum:**

- $25,000 per lifetime for infertility transfer procedures and the collection or purchase of donor semen or oocytes.

**Not Covered:**

- Infertility treatment if the infertility is the result of voluntary sterilization.
- Surrogate parent services.
- Reversal of a tubal ligation (or its equivalent) or vasectomy.

### Genetic Testing
**Covered:** Genetic molecular testing (specific gene identification) and related
counseling are covered when both of the following requirements are met:

- You are an appropriate candidate for a test under medically recognized standards (for example, family background, past diagnosis, etc.).
- The outcome of the test is expected to determine a covered course of treatment or prevention and is not merely informational.

**Hearing Services**

**Covered:**

- Hearing examinations, but only to test or treat hearing loss related to an illness or injury.

**Not Covered:**

- Hearing aids.
- Routine hearing examinations.

**Home Health Services**

**Covered:** All of the following requirements must be met in order for home health services to be covered:

- You require a medically necessary skilled service such as skilled nursing, physical therapy, or speech therapy.
- Services are received from an agency accredited by the Joint Commission for Accreditation of Health Care Organizations (JCAHO) and/or a Medicare-certified agency.
- Services are prescribed by a physician and approved by Wellmark for the treatment of illness or injury.
- Services are not more costly than alternative services that would be effective for diagnosis and treatment of your condition.

The following are covered services and supplies:

- **Home Health Aide Services**—when provided in conjunction with a medically necessary skilled service also received in the home.

**Short-Term Home Skilled Nursing.** Treatment must be given by a registered nurse (R.N.) or licensed practical nurse (L.P.N.) from an agency accredited by the Joint Commission for Accreditation of Health Care Organizations (JCAHO) or a Medicare-certified agency. Short-term home skilled nursing is intended to provide a safe transition from other levels of care when medically necessary, to provide teaching to caregivers for ongoing care, or to provide short-term treatments that can be safely administered in the home setting. The daily benefit for short-term home skilled nursing services will not exceed Wellmark’s daily maximum allowable fee for care in a skilled nursing facility. Custodial care is not included in this benefit.

**Inhalation Therapy.**

**Medical Equipment.**

**Medical Social Services.**

**Medical Supplies.**

**Occupational Therapy**—but only for services to treat the upper extremities, which means the arms from the shoulders to the fingers. You are not covered for occupational therapy supplies.

**Oxygen and Equipment** for its administration.

**Parenteral and Enteral Nutrition,** except enteral formula administered orally.

**Physical Therapy.**

**Prescription Drugs and Medicines** administered in the vein or muscle.

**Prosthetic Devices and Braces.**

**Speech Therapy.**

**Not Covered:**

- Custodial home care services and supplies, which help you with your daily living activities. This type of care does
not require the continuing attention and assistance of licensed medical or trained paramedical personnel. Some examples of custodial care are assistance in walking and getting in and out of bed; aid in bathing, dressing, feeding, and other forms of assistance with normal bodily functions; preparation of special diets; and supervision of medication that can usually be self-administered. You are also not covered for sanitaria care or rest cures.

- Extended home skilled nursing.

### Home/Durable Medical Equipment

**Covered:** Equipment that meets all of the following requirements:

- Durable enough to withstand repeated use.
- Primarily and customarily manufactured to serve a medical purpose.
- Used to serve a medical purpose.

In addition, we determine whether to pay the rental amount or the purchase price amount for an item, and we determine the length of any rental term. Benefits will never exceed the lesser of the amount charged or the maximum allowable fee.

**See Also:**

*Medical and Surgical Supplies* later in this section.

*Orthotics* later in this section.

*Personal Convenience Items* in the section *General Conditions of Coverage, Exclusions, and Limitations*, page 33.

*Prosthetic Devices* later in this section.

### Hospice Services

**Covered:** Care (generally in a home setting) for patients who are terminally ill and who have a life expectancy of six months or less. Hospice care covers the same services as described under *Home Health Services*, as well as hospice respite care from a facility approved by Medicare or by the Joint Commission for Accreditation of Health Care Organizations (JCAHO).

Hospice respite care offers rest and relief help for the family caring for a terminally ill patient. Inpatient respite care can take place in a nursing home, nursing facility, or hospital.

**Benefits Maximum:**

- **15 days** per lifetime for inpatient hospice respite care.
- **15 days** per lifetime for outpatient hospice respite care.
- Not more than **five days** of hospice respite care at a time.

### Hospitals and Facilities

**Covered:** Hospitals and other facilities that meet standards of licensing, accreditation or certification. Following are some recognized facilities:

- **Ambulatory Surgical Facility.** This type of facility provides surgical services on an outpatient basis for patients who do not need to occupy an inpatient hospital bed.

- **Chemical Dependency Treatment Facility.** This type of facility provides treatment of chemical dependency and must be licensed and approved by Wellmark.

- **Community Mental Health Center.** This type of facility provides outpatient treatment of mental health conditions and must be licensed and approved by Wellmark.

- **Hospital.** This type of facility provides for the diagnosis, treatment, or care of injured or sick persons on an inpatient and outpatient basis. The facility must be licensed as a hospital under applicable law.

- **Nursing Facility.** This type of facility provides continuous skilled nursing services as ordered and certified by your attending physician on an inpatient
basis. The facility must be licensed as a nursing facility under applicable law.

**Residential Treatment Facility.** This is a licensed facility other than a hospital or nursing facility that provides:
- treatment on an intensive outpatient basis;
- partial hospitalization treatment;
- sub-acute, medically monitored inpatient treatment for patients whose condition requires four-hour licensed nurse observation, monitoring, and treatment, as well as services provided by interdisciplinary staff under the direction of a licensed physician, but which does not require the full resources of an acute care general hospital or a medically managed inpatient treatment program;
- inpatient, medically managed acute care for patients whose condition requires the resources of an acute care general hospital or a medically managed inpatient treatment program.

Coverage for Psychiatric Medical Institutions for Children (PMIC) is separately addressed in this benefit booklet and is not subject to the preceding provision.

**Psychiatric Medical Institution for Children (PMIC).** This type of facility provides inpatient psychiatric services to children and is licensed as a PMIC under Iowa Code Chapter 135H.

Prior approval is required and benefits will be provided pursuant to the Iowa mandate. For information on how to submit a prior approval request, refer to Prior Approval in the Notification Requirements and Care Coordination section of this benefit booklet, or call the Customer Service number on your ID card.

**Urgent Care Center.** This type of facility provides medical care without an appointment during all hours of operation to walk-in patients of all ages who are ill or injured and require immediate care but may not require the services of a hospital emergency room.

**Not Covered:**
- Treatment received in a residential treatment facility, except as described under **Covered**.

**See Also:**
*Chemical Dependency Treatment* earlier in this section.
*Mental Health Services* later in this section.

**Illness or Injury Services**

**Covered:** Services or supplies used to treat any bodily disorder, bodily injury, disease, or mental health condition unless specifically addressed elsewhere in this section. This includes pregnancy and complications of pregnancy.

Treatment may be received from an approved provider in any of the following settings:
- Home.
- Inpatient (such as a hospital or nursing facility).
- Office (such as a doctor’s office).
- Outpatient.

**Inhalation Therapy**

**Covered:** Respiratory or breathing treatments to help restore or improve breathing function.

**Maternity Services**

**Covered:** Prenatal and postnatal care, delivery, including complications of pregnancy. A complication of pregnancy refers to a cesarean section that was not planned, an ectopic pregnancy that is terminated, or a spontaneous termination of pregnancy that occurs during a period of gestation in which a viable birth is not possible. Complications of pregnancy also include conditions requiring inpatient
hospital admission (when pregnancy is not terminated) whose diagnoses are distinct from pregnancy but are adversely affected by pregnancy or are caused by pregnancy.

**Please note:** You must notify us or your employer or group sponsor if you enter into an arrangement to provide surrogate parent services: Contact your employer or group sponsor or call the Customer Service number on your ID card.

In accordance with federal or applicable state law, maternity services include a minimum of:

- 48 hours of inpatient care (in addition to the day of delivery care) following a vaginal delivery, or
- 96 hours of inpatient care (in addition to the day of delivery) following a cesarean section.

A practitioner is not required to seek Wellmark’s review in order to prescribe a length of stay of less than 48 or 96 hours. The attending practitioner, in consultation with the mother, may discharge the mother or newborn prior to 48 or 96 hours, as applicable.

If the inpatient hospital stay is shorter, coverage includes a follow-up postpartum home visit by a registered nurse (R.N.). This nurse must be from a home health agency under contract with Wellmark or employed by the delivering physician.

If you have a newborn child, but you do not add that child to your coverage, your newborn child may be added to your coverage solely for the purpose of administering the 48-96 hour mandated requirement. If that occurs, a separate deductible and coinsurance will be applied to your newborn child unless your coverage specifically waives the deductible or coinsurance for your newborn child.

**See Also:**

*Coverage Change Events, page 63.*

---

### Medical and Surgical Supplies

**Covered:** Medical supplies and devices such as:

- Dressings and casts.
- Oxygen and equipment needed to administer the oxygen.
- Diabetic equipment and supplies including insulin syringes purchased from a covered home/durable medical equipment provider.

**Not Covered:**

- Elastic stockings or bandages including trusses, lumbar braces, garter belts, and similar items that can be purchased without a prescription.

**See Also:**

*Home/Durable Medical Equipment* earlier in this section.

*Orthotics* later in this section.

*Prescription Drugs, page 27.*

*Personal Convenience Items* in the section *General Conditions of Coverage, Exclusions, and Limitations, page 33.*

*Prosthetic Devices* later in this section.

### Mental Health Services

**Covered:** Treatment for certain psychiatric, psychological, or emotional conditions as an inpatient or outpatient. Covered facilities for mental health services include licensed and accredited residential treatment facilities and community mental health centers.

Coverage includes diagnosis and treatment of these biologically based mental illnesses:

- Schizophrenia.
- Bipolar disorders.
- Major depressive disorders.
- Schizo-affective disorders.
- Obsessive-compulsive disorders.
- Pervasive developmental disorders.
- Autistic disorders.
To qualify for mental health treatment benefits, the following requirements must be met:

- The disorder is classified as a mental health condition in the *Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition* (DSM-V) or subsequent revisions.
- The disorder is listed only as a mental health condition and not dually listed elsewhere in the most current version of *International Classification of Diseases, Clinical Modification* used for diagnosis coding.
- The disorder is not a chemical dependency condition.
- The disorder is a behavioral or psychological condition not attributable to a mental disorder that is the focus of professional attention or treatment, but only to the extent services for such conditions are otherwise considered covered under your medical benefits.

For treatment in a residential treatment facility, benefits are available:

- For treatment provided on an intensive outpatient basis, but not including charges related to residential care;
- For partial hospitalization treatment, but not including charges related to residential care;
- For sub-acute, medically monitored inpatient treatment for patients whose condition requires four-hour licensed nurse observation, monitoring, and treatment, as well as services provided by interdisciplinary staff under the direction of a licensed physician, but which does not require the full resources of an acute care general hospital or a medically managed inpatient treatment program; and
- For inpatient, medically managed acute care for patients whose condition requires the resources of an acute care general hospital or a medically managed inpatient treatment program.

Coverage for Psychiatric Medical Institutions for Children (PMIC) is separately addressed in this benefit booklet and is not subject to the preceding provision.

Please note: Your employer’s Employee Assistance Program (EAP) may be able to provide counseling services for certain conditions. For more information, contact your EAP coordinator.

Not Covered: Treatment for:

- Certain disorders related to early childhood, such as academic underachievement disorder.
- Communication disorders, such as stuttering and stammering.
- Impulse control disorders, such as pathological gambling.
- Nonpervasive developmental and learning disorders.
- Sensitivity, shyness, and social withdrawal disorders.
- Sexual disorders.
- Treatment received in a residential treatment facility, except as described under Covered.

See Also:

*Chemical Dependency Treatment* and *Hospitals and Facilities* earlier in this section.

**Morbid Obesity Treatment**

Covered: Weight reduction surgery provided the surgery is medically necessary for your condition. Not all procedures classified as weight reduction surgery are covered.

Not Covered:

- Weight reduction programs or supplies (including dietary supplements, foods, equipment, lab testing, examinations, and prescription drugs), whether or not weight reduction is medically appropriate.
Motor Vehicles

**Not Covered:** Purchase or rental of motor vehicles such as cars or vans. You are also not covered for equipment or costs associated with converting a motor vehicle to accommodate a disability.

Musculoskeletal Treatment

**Covered:** Outpatient nonsurgical treatment of ailments related to the musculoskeletal system, such as manipulations or related procedures to treat musculoskeletal injury or disease.

**Not Covered:** Massage therapy.

Nonmedical Services

**Not Covered:** Such services as telephone consultations, charges for failure to keep scheduled appointments, charges for completion of any form, charges for medical information, recreational therapy, and any services or supplies that are nonmedical. You are also not covered for services delivered to you by a provider via interactive audio only, audio-visual technology, or web-based mobile device or similar electronic-based communication network.

Occupational Therapy

**Covered:** Occupational therapy services are covered when all the following requirements are met:

- Services are to treat the upper extremities, which means the arms from the shoulders to the fingers.
- The goal of the occupational therapy is improvement of an impairment or functional limitation.
- The potential for rehabilitation is significant in relation to the extent and duration of services.
- The expectation for improvement is in a reasonable (and generally predictable) period of time.
- There is evidence of improvement by successive objective measurements whenever possible.

**Not Covered:**

- Occupational therapy supplies.
- Occupational therapy provided as an inpatient in the absence of a separate medical condition that requires hospitalization.
- Occupational therapy performed for maintenance.
- Occupational therapy services that do not meet the requirements specified under **Covered**.

Orthotics

**Covered:** Orthotics training.

**Not Covered:** Orthotic foot devices such as arch supports or in-shoe supports, orthopedic shoes, elastic supports, or examinations to prescribe or fit such devices.

See Also:

*Home/Durable Medical Equipment* earlier in this section.

*Personal Convenience Items* in the section *General Conditions of Coverage, Exclusions, and Limitations*, page 33.

*Prosthetic Devices* later in this section.

Physical Therapy

**Covered:** Physical therapy services are covered when all the following requirements are met:

- The goal of the physical therapy is improvement of an impairment or functional limitation.
- The potential for rehabilitation is significant in relation to the extent and duration of services.
- The expectation for improvement is in a reasonable (and generally predictable) period of time.
- There is evidence of improvement by successive objective measurements whenever possible.
Details – Covered and Not Covered

Not Covered:

- Physical therapy provided as an inpatient in the absence of a separate medical condition that requires hospitalization.
- Physical therapy performed for maintenance.
- Physical therapy services that do not meet the requirements specified under Covered.

Physicians and Practitioners

Covered: Most services provided by practitioners that are recognized by us and meet standards of licensing, accreditation or certification. Following are some recognized physicians and practitioners:

- **Advanced Registered Nurse Practitioners (ARNP).** An ARNP is a registered nurse with advanced training in a specialty area who is registered with the Iowa Board of Nursing to practice in an advanced role with a specialty designation of certified clinical nurse specialist, certified nurse midwife, certified nurse practitioner, or certified registered nurse anesthetist.

- **Audiologists.**

- **Chiropractors.**

- **Doctors of Osteopathy (D.O.).**

- **Licensed Independent Social Workers.**

- **Medical Doctors (M.D.).**

- **Occupational Therapists.** This provider is covered only when treating the upper extremities, which means the arms from the shoulders to the fingers.

- **Optometrists.**

- **Oral Surgeons.**

- **Physical Therapists.**

- **Physician Assistants.**

- **Podiatrists.**

**Psychologists.** Psychologists must have a doctorate degree in psychology with two years’ clinical experience and meet the standards of a national register.

**Speech Pathologists.**

See Also:

*Choosing a Provider*, page 35.

**Prescription Drugs**

Covered: Most prescription drugs and medicines that bear the legend, “Caution, Federal Law prohibits dispensing without a prescription,” are generally covered under your Blue Rx Complete prescription drug benefits, not under your medical benefits. However, there are exceptions when prescription drugs and medicines are covered under your medical benefits.

Drugs classified by the FDA as Drug Efficacy Study Implementation (DESI) drugs may also be covered. For a list of these drugs, visit our website at Wellmark.com or check with your pharmacist or physician.

Prescription drugs and medicines covered under your medical benefits include:

- **Drugs and Biologicals.** Drugs and biologicals approved by the U.S. Food and Drug Administration. This includes such supplies as serum, vaccine, antitoxin, or antigen used in the prevention or treatment of disease.

- **Intravenous Administration.** Intravenous administration of nutrients, antibiotics, and other drugs and fluids when provided in the home (home infusion therapy).

- **Specialty Drugs.** Specialty drugs are high-cost injectable, infused, oral, or inhaled drugs typically used for treating or managing chronic illnesses. These drugs often require special handling (e.g., refrigeration) and administration. They are not available through the mail order drug program.
Specialty drugs may be covered under your medical benefits or under your Blue Rx Complete prescription drug benefits. To determine whether a particular specialty drug is covered under your medical benefits or under your Blue Rx Complete prescription drug benefits, consult the Wellmark Blue Rx Complete Drug List at Wellmark.com, or call the Customer Service number on your ID card.

**Not Covered:** Some prescription drugs are not covered under either your medical benefits or your Blue Rx Complete benefits. For example:

- Drugs purchased outside the United States failing the requirements specified earlier in this section.
- Prescription drugs that are not FDA-approved.

Some prescription drugs are covered under your Blue Rx Complete benefits:

- Insulin.

See the Wellmark Blue Rx Complete Drug List at Wellmark.com or call the Customer Service number on your ID card and request a copy of the Drug List.

**See Also:**

*Prescription Drugs* later in this section.

*Contraceptives* earlier in this section.

*Medical and Surgical Supplies* earlier in this section.

*Notification Requirements and Care Coordination*, page 43.

---

**Preventive Care**

**Covered:** Preventive care such as:

- Digital breast tomosynthesis (3D mammogram).
- Gynecological examinations.
- Mammograms.
- Medical evaluations and counseling for nicotine dependence per U.S. Preventive Services Task Force (USPSTF) guidelines.
- Pap smears.
- Physical examinations.
- Preventive items and services including, but not limited to:
  - Items or services with an “A” or “B” rating in the current recommendations of the United States Preventive Services Task Force (USPSTF);
  - Immunizations as recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;
  - Preventive care and screenings for infants, children and adolescents provided for in the guidelines supported by the Health Resources and Services Administration (HRSA); and
  - Preventive care and screenings for women provided for in guidelines supported by the HRSA.
- Well-child care including age-appropriate pediatric preventive services, as defined by current recommendations for Preventive Pediatric Health Care of the American Academy of Pediatrics. Pediatric preventive services shall include, at minimum, a history and complete physical examination as well as developmental assessment, anticipatory guidance, immunizations, and laboratory services including, but not limited to, screening for lead exposure as well as blood levels.

**Benefits Maximum:**

- Well-child care until the child reaches age seven.
- **One** routine physical examination per benefit year.
- **One** routine mammogram per benefit year.
- **One** routine gynecological examination per benefit year.

**Not Covered:**

- Routine foot care, including related services or supplies.
- Periodic physicals or health examinations, screening procedures, or immunizations performed solely for school, sports, employment, insurance, licensing, or travel.
- All other treatment related to nicotine dependence, except prescription drugs and devices used to treat nicotine dependence, including over-the-counter drugs prescribed by a physician. These are covered under your Blue Rx Complete prescription drug benefits.

**See Also:**

*Hearing Services* earlier in this section.

*Vision Services* later in this section.

### Prosthetic Devices

**Covered:** Devices used as artificial substitutes to replace a missing natural part of the body or to improve, aid, or increase the performance of a natural function.

Also covered are braces, which are rigid or semi-rigid devices commonly used to support a weak or deformed body part or to restrict or eliminate motion in a diseased or injured part of the body. Braces do not include elastic stockings, elastic bandages, garter belts, arch supports, orthodontic devices, or other similar items.

**Not Covered:**

- Devices such as eyeglasses and air conduction hearing aids or examinations for their prescription or fitting.
- Elastic stockings or bandages including trusses, lumbar braces, garter belts, and similar items that can be purchased without a prescription.

**See Also:**

*Home/Durable Medical Equipment* earlier in this section.

*Medical and Surgical Supplies* earlier in this section.

*Orthotics* earlier in this section.

*Personal Convenience Items* in the section *General Conditions of Coverage, Exclusions, and Limitations*, page 33.

### Reconstructive Surgery

**Covered:** Reconstructive surgery primarily intended to restore function lost or impaired as the result of an illness, injury, or a birth defect (even if there is an incidental improvement in physical appearance) including breast reconstructive surgery following mastectomy. Breast reconstructive surgery includes the following:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications of the mastectomy, including lymphedemas.

**See Also:**

*Cosmetic Services* earlier in this section.

### Self-Help Programs

**Not Covered:** Self-help and self-cure products or drugs.

### Sleep Apnea Treatment

**Covered:** Obstructive sleep apnea diagnosis and treatments.

**Not Covered:** Treatment for snoring without a diagnosis of obstructive sleep apnea.
Details – Covered and Not Covered

Speech Therapy
Covered: Rehabilitative speech therapy services when related to a specific illness, injury, or impairment and involve the mechanics of phonation, articulation, or swallowing. Services must be provided by a licensed or certified speech pathologist.

Not Covered:
- Speech therapy services not provided by a licensed or certified speech pathologist.
- Speech therapy to treat certain developmental, learning, or communication disorders, such as stuttering and stammering.

Surgery
Covered. This includes the following:
- Major endoscopic procedures.
- Operative and cutting procedures.
- Preoperative and postoperative care.

See Also:
Dental Services earlier in this section.
Reconstructive Surgery earlier in this section.

Temporomandibular Joint Disorder (TMD)
Covered.

Not Covered: Dental extractions, dental restorations, or orthodontic treatment for temporomandibular joint disorders.

Transplants
Covered:
- Certain bone marrow/stem cell transfers from a living donor.
- Heart.
- Heart and lung.
- Kidney.
- Liver.
- Lung.
- Pancreas.
- Simultaneous pancreas/kidney.
- Small bowel.

Transplants are subject to case management.

Charges related to the donation of an organ are usually covered by the recipient’s medical benefits plan. However, if donor charges are excluded by the recipient’s plan, and you are a donor, the charges will be covered by your medical benefits.

Not Covered:
- Expenses of transporting the recipient.
- Expenses of transporting a living donor.
- Expenses related to the purchase of any organ.
- Services or supplies related to mechanical or non-human organs associated with transplants.
- Transplant services and supplies not listed in this section including complications.

See Also:
Case Management, page 48.

Travel or Lodging Costs
Not Covered.

Vision Services
Covered: Vision examinations but only when related to an illness or injury.

Not Covered:
- Surgery to correct a refractive error (i.e., when the shape of your eye does not bend light correctly resulting in blurred images).
- Eyeglasses or contact lenses, including charges related to their fitting.
- Prescribing of corrective lenses.
- Eye examinations for the fitting of eyewear.
- Routine vision examinations.

Wigs or Hairpieces
Not Covered.
X-ray and Laboratory Services

Prescription Drugs

Guidelines for Drug Coverage

To be covered, a prescription drug must meet all of the following criteria:

- Listed on the Wellmark Blue Rx Complete Drug List.
- Can be legally obtained in the United States only with a written prescription.
- Deemed both safe and effective by the U.S. Food and Drug Administration (FDA) and approved for use by the FDA after 1962.
- Prescribed by a practitioner prescribing within the scope of his or her license.
- Dispensed by a recognized licensed retail pharmacy employing licensed registered pharmacists, through the specialty pharmacy program, or through the mail order drug program.
- Medically necessary for your condition. See Medically Necessary, page 31.
- Not available in an equivalent over-the-counter strength. However, certain over-the-counter products and over-the-counter tobacco dependency drugs prescribed by a physician may be covered. To determine if a particular over-the-counter product is covered, call the Customer Service number on your ID card.
- Reviewed, evaluated, and recommended for addition to the Wellmark Blue Rx Complete Drug List by Wellmark.

Drugs that are Covered

The Wellmark Blue Rx Complete Drug List
The Wellmark Blue Rx Complete Drug List is a reference list that includes generic and brand-name prescription drugs that have been approved by the U.S. Food and Drug Administration (FDA) and are covered under your Blue Rx Complete prescription drug benefits. The Drug List is updated on a quarterly basis, or when new drugs become available, and as discontinued drugs are removed from the marketplace.

To determine if a drug is covered, you must consult the Wellmark Blue Rx Complete Drug List. You are covered for drugs listed on the Wellmark Blue Rx Complete Drug List. If a drug is not on the Wellmark Blue Rx Complete Drug List, it is not covered.

If you need help determining if a particular drug is on the Drug List, ask your physician or pharmacist, visit our website, Wellmark.com, or call the Customer Service number on your ID card and request a copy of the Drug List.

New drugs will not be added to the Drug List until they have been evaluated by Wellmark. We will periodically update the list to reflect these evaluations and to reflect the changing drug market in general. Revisions to the list will be distributed to providers who participate with Wellmark, and pharmacies that participate with the network used by this prescription drug plan.

The Drug List is subject to change.

Preventive Items and Services
Preventive items and services received at a licensed retail pharmacy, including certain items or services recommended with an “A” or “B” rating by the United States Preventive Services Task Force, and immunizations recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention are
covered. To determine if a particular preventive item or service is covered, consult the Wellmark Blue Rx Complete Drug List or call the Customer Service number on your ID card.

**Specialty Drugs**
Specialty drugs are high-cost injectable, infused, oral, or inhaled drugs typically used for treating or managing chronic illnesses. These drugs often require special handling (e.g., refrigeration) and administration. They are not available through the mail order drug program.

Specialty drugs may be covered under your Blue Rx Complete prescription drug benefits or under your medical benefits. To determine whether a particular specialty drug is covered under your Blue Rx Complete prescription drug benefits or under your medical benefits, consult the Wellmark Blue Rx Complete Drug List at Wellmark.com, check with your pharmacist or physician, or call the Customer Service number on your ID card.

**Tobacco Dependency Drugs**
Prescription drugs and devices used to treat nicotine dependence, including over-the-counter drugs prescribed by a physician are covered.

**Benefits Maximum:** 180-days' supply of covered over-the-counter drugs for smoking cessation per calendar year.

### Limits on Prescription Drug Coverage
We may exclude, discontinue, or limit coverage for any drug by removing it from the Drug List or by moving a drug to a different tier on the Drug List for any of the following reasons:

- New drugs are developed.
- Generic drugs become available.
- Over-the-counter drugs with similar properties become available or a drug's active ingredient is available in a similar strength in an over-the-counter product or as a nutritional or dietary supplement product available over the counter.
- There is a sound medical reason.
- Scientific evidence does not show that a drug works as well and is as safe as other drugs used to treat the same or similar conditions.
- A drug receives FDA approval for a new use.

### Drugs that are Not Covered
Drugs and items that are not covered under your prescription drug benefits include but are not limited to:

- Drugs not listed on the Wellmark Blue Rx Complete Drug List.
- Drugs in excess of a quantity limitation. See Quantity Limitations later in this section.
- Drugs that are not FDA approved.
- Experimental or investigational drugs.
- Compounded drugs that do not contain an active ingredient in a form that has been approved by the FDA and that require a prescription to obtain.
- Compounded drugs that contain bulk powders or that are commercially available as a similar prescription drug.
- Drugs determined to be abused or otherwise misused by you.
- Drugs that are lost, damaged, stolen, or used inappropriately.
- Contraceptive medical devices, such as intrauterine devices and diaphragms. These are covered under your medical benefits. See Contraceptives, page 14.
- Convenience packaging. If the cost of the convenience packaged drug exceeds what the drug would cost if purchased in its normal container, the convenience packaged drug is not covered.
- Cosmetic drugs.
- Irrigation solutions and supplies.
- Therapeutic devices or medical appliances.
- Infertility drugs.
- Prenatal vitamins.
Weight reduction drugs.

See Also:
Prescription Drugs, page 23.

Prescription Purchases
Outside the United States
To qualify for benefits for prescription drugs purchased outside the United States, all of the following requirements must be met:

- You are injured or become ill while in a foreign country.
- The prescription drug’s active ingredient and dosage form are FDA-approved or an FDA equivalent and have the same name and dosage form as the FDA-approved drug’s active ingredient.
- The prescription drug would require a written prescription by a licensed practitioner if prescribed in the U.S.
- You provide acceptable documentation that you received a covered service from a practitioner or hospital and the practitioner or hospital prescribed the prescription drug.

Quantity Limitations
Most prescription drugs are limited to a maximum quantity you may receive in a single prescription.

Federal regulations limit the quantity that may be dispensed for certain medications. If your prescription is so regulated, it may not be available in the amount prescribed by your physician.

In addition, coverage for certain drugs is limited to specific quantities per month, benefit year, or lifetime. Amounts in excess of quantity limitations are not covered.

For a list of drugs with quantity limits, check with your pharmacist or physician, consult the Wellmark Blue Rx Complete Drug List at Wellmark.com, or call the Customer Service number on your ID card.

Refills
To qualify for refill benefits, all of the following requirements must be met:

- Sufficient time has elapsed since the last prescription was written. Sufficient time means that at least 75 percent of the medication has been taken according to the instructions given by the practitioner. For retirees, sufficient time means at least 60 percent of the medication has been taken according to the instructions given by the practitioner.
- The refill is not to replace medications that have been lost, damaged, stolen, or used inappropriately.
- The refill is for use by the person for whom the prescription is written (and not someone else).
- The refill does not exceed the amount authorized by your practitioner.
- The refill is not limited by state law.

You are allowed one early refill per medication per calendar year if you will be away from home for an extended period of time.

If traveling within the United States, the refill amount will be subject to any applicable quantity limits under this coverage. If traveling outside the United States, the refill amount will not exceed a 90-day supply.

To receive authorization for an early refill, ask your pharmacist to call us.
4. General Conditions of Coverage, Exclusions, and Limitations

The provisions in this section describe general conditions of coverage and important exclusions and limitations that apply generally to all types of services or supplies.

**Conditions of Coverage**

**Medically Necessary**
A key general condition in order for you to receive benefits is that the service, supply, device, or drug must be medically necessary. Even a service, supply, device, or drug listed as otherwise covered in *Details - Covered and Not Covered* may be excluded if it is not medically necessary in the circumstances. Unless otherwise required by law, Wellmark determines whether a service, supply, device, or drug is medically necessary, and that decision is final and conclusive. Even though a provider may recommend a service or supply, it may not be medically necessary.

A medically necessary health care service is one that a provider, exercising prudent clinical judgment, provides to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and is:

- Provided in accordance with generally accepted standards of medical practice. Generally accepted standards of medical practice are based on:
  - Credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community;
  - Physician Specialty Society recommendations and the views of physicians practicing in the relevant clinical area; and
  - Any other relevant factors.
- Clinically appropriate in terms of type, frequency, extent, site and duration, and considered effective for the patient’s illness, injury or disease.

- Not provided primarily for the convenience of the patient, physician, or other health care provider, and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the illness, injury or disease.

An alternative service, supply, device, or drug may meet the criteria of medical necessity for a specific condition. If alternatives are substantially equal in clinical effectiveness and use similar therapeutic agents or regimens, we reserve the right to approve the least costly alternative.

If you receive services that are not medically necessary, you are responsible for the cost if:

- You receive the services from an Out-of-Network Provider; or
- You receive the services from a Participating Provider in the Wellmark service area and:
  - The provider informs you in writing before rendering the services that Wellmark determined the services to be not medically necessary; and
  - The provider gives you a written estimate of the cost for such services and you agree in writing, before receiving the services, to assume the payment responsibility.

If you do not receive such a written notice, and do not agree in writing to assume the payment responsibility for services that Wellmark determined are not medically necessary, the
Participating Provider is responsible for these amounts.

- You are also responsible for the cost if you receive services from a provider outside of the Wellmark service area that Wellmark determines to be not medically necessary. This is true even if the provider does not give you any written notice before the services are rendered.

**Member Eligibility**

Another general condition of coverage is that the person who receives services must meet requirements for member eligibility. See *Coverage Eligibility and Effective Date*, page 59.

**General Exclusions**

Even if a service, supply, device, or drug is listed as otherwise covered in *Details - Covered and Not Covered*, it is not eligible for benefits if any of the following general exclusions apply.

**Investigational or Experimental**

You are not covered for a service, supply, device, or drug that is investigational or experimental. A treatment is considered investigational or experimental when it has progressed to limited human application but has not achieved recognition as being proven effective in clinical medicine.

To determine investigational or experimental status, we may refer to the technical criteria established by the Blue Cross and Blue Shield Association, including whether a service, supply, device, or drug meets these criteria:

- It has final approval from the appropriate governmental regulatory bodies.
- The scientific evidence must permit conclusions concerning its effect on health outcomes.
- It improves the net health outcome.
- It is as beneficial as any established alternatives.

- The health improvement is attainable outside the investigational setting.

These criteria are considered by the Blue Cross and Blue Shield Association’s Medical Advisory Panel for consideration by all Blue Cross and Blue Shield member organizations. While we may rely on these criteria, the final decision remains at the discretion of our Medical Director, whose decision may include reference to, but is not controlled by, policies or decisions of other Blue Cross and Blue Shield member organizations. You may access our medical policies, with supporting information and selected medical references for a specific service, supply, device, or drug through our website, *Wellmark.com*.

If you receive services that are investigational or experimental, you are responsible for the cost if:

- You receive the services from an Out-of-Network Provider; or
- You receive the services from a Participating Provider in the Wellmark service area and:
  - The provider informs you in writing before rendering the services that Wellmark determined the services to be investigational or experimental; and
  - The provider gives you a written estimate of the cost for such services and you agree in writing, before receiving the services, to assume the payment responsibility.

If you do not receive such a written notice, and do not agree in writing to assume the payment responsibility for services that Wellmark determined to be investigational or experimental, the Participating Provider is responsible for these amounts.

- You are also responsible for the cost if you receive services from a provider outside of the Wellmark service area that Wellmark determines to be investigational or experimental. This is
true even if the provider does not give you any written notice before the services are rendered.

See Also:  
Clinical Trials, page 14.

Complications of a Noncovered Service
You are not covered for a complication resulting from a noncovered service, supply, device, or drug. However, this exclusion does not apply to the treatment of complications resulting from:

- Smallpox vaccinations when payment for such treatment is not available through workers’ compensation or government-sponsored programs; or
- A noncovered abortion.

Nonmedical Services
You are not covered for telephone consultations, charges for missed appointments, charges for completion of any form, or charges for information. You are also not covered for services delivered to you by a provider via interactive audio only, audio-visual technology, or web-based mobile device or similar electronic-based communication network.

Personal Convenience Items
You are not covered for items used for your personal convenience, such as:

- Items not primarily and customarily manufactured to serve a medical purpose or which can be used in the absence of illness or injury (including, but not limited to, air conditioners, dehumidifiers, ramps, home remodeling, hot tubs, swimming pools); or
- Items that do not serve a medical purpose or are not needed to serve a medical purpose.

Provider Is Family Member
You are not covered for a service or supply received from a provider who is in your immediate family (which includes yourself, parent, child, or spouse or domestic partner).

Covered by Other Programs or Laws
You are not covered for a service, supply, device, or drug if:

- Someone else has the legal obligation to pay for services or without this group health plan, you would not be charged.
- You require services or supplies for an illness or injury sustained while on active military status.

Workers’ Compensation
You are not covered for services or supplies that are compensated under workers’ compensation laws, including services or supplies applied toward satisfaction of any deductible under your employer’s workers’ compensation coverage. You are also not covered for any services or supplies that could have been compensated under workers’ compensation laws if you had complied with the legal requirements relating to notice of injury, timely filing of claims, and medical treatment authorization.

For treatment of complications resulting from smallpox vaccinations, see Complications of a Noncovered Service earlier in this section.

Benefit Limitations
Benefit limitations refer to amounts for which you are responsible under this group health plan. These amounts are not credited toward your out-of-pocket maximum. In addition to the exclusions and conditions described earlier, the following are examples of benefit limitations under this group health plan:

- A service or supply that is not covered under this group health plan is your responsibility.
- If a covered service or supply reaches a benefit maximum, it is no longer eligible for benefits. (A maximum may renew at the next benefit year.) See Details – Covered and Not Covered, page 13.
- If you receive benefits that reach a lifetime benefits maximum applicable to any specific service, then you are no longer eligible for benefits for that service under this group health plan. See Benefits Maximums, page 6, and At a Glance—Covered and Not Covered, page 9.

- If you do not obtain precertification for certain medical services, benefits can be reduced or denied. You are responsible for benefit reductions if you receive the services from an Out-of-Network Provider. You are responsible for benefit denials only if you are responsible (not your provider) for notification. See Notification Requirements and Care Coordination, page 43.

- If you do not obtain prior approval for certain medical services, benefits will be denied on the basis that you did not obtain prior approval. Upon receiving an Explanation of Benefits (EOB) indicating a denial of benefits for failure to request prior approval, you will have the opportunity to appeal (see the Appeals section) and provide us with medical information for our consideration in determining whether the services were medically necessary and a benefit under your medical benefits. Upon review, if we determine the service was medically necessary and a benefit under your medical benefits, benefits for that service will be provided according to the terms of your medical benefits. You are responsible for these benefit denials only if you are responsible (not your provider) for notification. See Notification Requirements and Care Coordination, page 43.

- If you do not obtain prior authorization for certain prescription drugs, benefits can be reduced or denied. See Notification Requirements and Care Coordination, page 43.

- The type of provider you choose can affect your benefits and what you pay. See Choosing a Provider, page 35, and Factors Affecting What You Pay, page 51. Examples of charges that depend on the type of provider include but are not limited to:
  - Any difference between the provider’s amount charged and our amount paid is your responsibility if you receive services from an Out-of-Network practitioner.
5. Choosing a Provider

Provider Network
Under the medical benefits of this plan, your network of providers consists of Participating Providers. All other providers are Out-of-Network Providers.

Your medical benefits are called Classic Blue.

Although Classic Blue allows you to receive covered services from almost any provider who is eligible to provide the services, it is usually to your advantage to receive services from Participating Providers. Participating Providers participate with a Blue Cross and/or Blue Shield Plan. You will usually pay less for services you receive from Participating Providers than for services you receive from Out-of-Network Providers.

Providers who do not participate with a Blue Cross and/or Blue Shield Plan are called Out-of-Network Providers.

To determine if a provider participates with this medical benefits plan, ask your provider, or call the Customer Service number on your ID card.

Providers are independent contractors and are not agents or employees of Wellmark Blue Cross and Blue Shield of Iowa. For types of providers that may be covered under your medical benefits, see Hospitals and Facilities, page 18 and Physicians and Practitioners, page 23.

Please note: Even if a specific provider type is not listed as a recognized provider type, Wellmark does not discriminate against a licensed health care provider acting within the scope of his or her state license or certification with respect to coverage under this plan.

Please note: Even though a facility may be Participating, particular providers within the facility may not be Participating Providers. Examples include Out-of-Network physicians on the staff of a Participating hospital, home medical equipment suppliers, and other independent providers. Therefore, when you are referred by a Participating Provider to another provider, or when you are admitted into a facility, always ask if the providers contract with a Blue Cross and/or Blue Shield Plan.

Always carry your ID card and present it when you receive services. Information on it, especially the ID number, is required to process your claims correctly.

Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers. See Choosing a Pharmacy and Specialty Pharmacy Program later in this section. To determine if a pharmacy contracts with our pharmacy benefits manager, ask the pharmacist or call the Customer Service number on your ID card.

Services Outside the Wellmark Service Area

BlueCard Program

This program ensures that members of any Blue Plan have access to the advantages of Participating Providers throughout the United States. Participating Providers have a contractual agreement with the Blue Cross or Blue Shield Plan in their home state ("Host Blue"). The Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

The BlueCard Program is one of the advantages of your coverage with Wellmark Blue Cross and Blue Shield of Iowa. It provides conveniences and benefits outside the Wellmark service area similar to those you would have within our service area when you obtain covered medical services from a Participating Provider. Always carry your ID card (or BlueCard) and present it to your provider when you receive care. Information on it, especially the ID number, is required to process your claims correctly.

When you receive covered services from Participating Providers outside the Wellmark service area, all of the following statements are true:

- Claims are filed for you.
- These providers agree to accept payment arrangements or negotiated prices of the Blue Cross and/or Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The group health plan payment is sent directly to the providers.

Typically, when you receive covered services from Participating Providers outside the Wellmark service area, you are responsible for notification requirements. See Notification Requirements and Care Coordination, page 43. However, if you are admitted to a BlueCard facility outside the Wellmark service area, any Participating Provider should handle notification requirements for you.

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called “Inter-Plan Arrangements.” These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the Wellmark service area, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described in the following paragraphs.

When you receive care outside of our service area, you will receive it from one of two kinds of providers. Most providers ("Participating Providers") contract with the
Choosing a Provider

local Blue Cross and/or Blue Shield Plan in that geographic area (“Host Blue”). Some providers (“Out-of-Network Providers”) don’t contract with the Host Blue. In the following paragraphs we explain how we pay both kinds of providers.

Inter-Plan Arrangements Eligibility – Claim Types
All claim types are eligible to be processed through Inter-Plan Arrangements, as described previously, except for all dental care benefits (except when paid as medical benefits), and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific service or services.

BlueCard® Program
Under the BlueCard® Program, when you receive covered services within the geographic area served by a Host Blue, we will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When you receive covered services outside Wellmark’s service area and the claim is processed through the BlueCard Program, the amount you pay for covered services is calculated based on the lower of:

- The billed charges for covered services; or
- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted previously. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees
Federal or state laws or regulations may require a surcharge, tax, or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax, or other fee as part of the claim charge passed on to you.

Out-of-Network Providers Outside the Wellmark Service Area
Your Liability Calculation. When covered services are provided outside of our service area by Out-of-Network Providers, the amount you pay for such services will normally be based on either the Host Blue’s Out-of-Network Provider local payment or the pricing arrangements required by applicable state law. In these situations, you may be responsible for the difference between the amount that the Out-of-Network Provider bills and the payment we will make for the covered services as set forth in this benefit booklet. Federal or state law, as applicable, will govern payments for Out-of-Network emergency services.

In certain situations, we may use other payment methods, such as billed charges for covered services, the payment we would make if the healthcare services had been obtained within our service area, or a special negotiated payment to determine the amount we will pay for services provided by Out-of-Network Providers. In these situations, you may be liable for the difference between the amount that the Out-of-Network Provider bills and the payment we will make for the covered services as set forth in this benefit booklet.
Choosing a Provider

Care in a Foreign Country
For covered services you receive in a country other than the United States, payment level assumes the provider category is Out-of-Network except for services received from providers that participate with Blue Cross Blue Shield Global.

Blue Cross Blue Shield Global™ Program
If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter “BlueCard service area”), you may be able to take advantage of the Blue Cross Blue Shield Global Program when accessing covered services. The Blue Cross Blue Shield Global Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Program assists you with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the BlueCard service area, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, you should call the Blue Cross Blue Shield Global Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services. In most cases, if you contact the Blue Cross Blue Shield Global Service Center for assistance, hospitals will not require you to pay for covered inpatient services, except for your deductibles, coinsurance, etc. In such cases, the hospital will submit your claims to the Blue Cross Blue Shield Global Service Center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for covered services. You must contact us to obtain precertification for non-emergency inpatient services.

Outpatient Services. Physicians, urgent care centers and other outpatient providers located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for covered services. See Claims, page 67.

Submitting a Blue Cross Blue Shield Global Claim
When you pay for covered services outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global International claim form and send the claim form with the provider’s itemized bill(s) to the Blue Cross Blue Shield Global Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from us, Blue Cross Blue Shield Global Service Center or online at www.bluecardworldwide.com. If you need assistance with your claim submission, you should call the Blue Cross Blue Shield Global Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. Whenever possible, before receiving services outside the Wellmark service area, you should ask the provider if he or she participates with a Blue Cross and/or Blue Shield Plan in that state. To locate Participating Providers in any state, call 800-810-BLUE, or visit www.bcbs.com.

Iowa and South Dakota comprise the Wellmark service area.

Laboratory services. You may have laboratory specimens or samples collected by a Participating Provider and those laboratory specimens may be sent to another laboratories services provider for
Choosing a Provider

processing or testing. If that laboratory services provider does not have a contractual relationship with the Blue Plan where the specimen was drawn, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

*Where the specimen is drawn will be determined by which state the referring provider is located.

**Home/durable medical equipment.** If you purchase or rent home/durable medical equipment from a provider that does not have a contractual relationship with the Blue Plan where you purchased or rented the equipment, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

If you purchase or rent home/durable medical equipment and have that equipment shipped to a service area of a Blue Plan that does not have a contractual relationship with the provider, that provider will be considered Out-of-Network and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service. This includes situations where you purchase prosthetic devices and have them shipped to you in Wellmark’s service area, when Wellmark does not have a contractual relationship with the provider.

**Prosthetic devices.** If you purchase prosthetic devices from a provider that does not have a contractual relationship with the Blue Plan where you purchased the prosthetic devices, that provider will be considered an Out-of-Network Provider and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service.

If you purchase prosthetic devices and have that equipment shipped to a service area of a Blue Plan that does not have a contractual relationship with the provider, that provider will be considered Out-of-Network and you will be responsible for any applicable Out-of-Network Provider payment obligations and you may also be responsible for any difference between the amount charged and our amount paid for the covered service. This includes situations where you purchase prosthetic devices and have them shipped to you in Wellmark’s service area, when Wellmark does not have a contractual relationship with the provider.

**Talk to your provider.** Whenever possible, before receiving laboratory services, home/durable medical equipment, or prosthetic devices, ask your provider to utilize a provider that has a contractual arrangement with the Blue Plan where you received services, purchased or rented equipment, or shipped equipment, or ask your provider to utilize a provider that has a contractual arrangement with Wellmark.

To determine if a provider has a contractual arrangement with a particular Blue Plan or with Wellmark, call the Customer Service number on your ID card or visit our website, Wellmark.com.

See Out-of-Network Providers, page 52.
Choosing a Pharmacy
Your prescription drug benefits are called Blue Rx Complete. Pharmacies that participate with the network used by Blue Rx Complete are called participating pharmacies. Pharmacies that do not participate with the network are called nonparticipating pharmacies.

To determine if a pharmacy is participating, ask the pharmacist, consult the directory of participating pharmacies, visit our website at Wellmark.com, or call the Customer Service number on your ID card. Our directory also is available upon request by calling the Customer Service number on your ID card.

Blue Rx Complete allows you to purchase most covered prescription drugs from almost any pharmacy you choose. However, you will usually pay more for prescription drugs when you purchase them from nonparticipating pharmacies. Remember, you are responsible for the entire cost if you purchase a drug that is not on the Wellmark Drug List. We recommend you:

- Fill your prescriptions at a participating retail pharmacy, through the specialty pharmacy program, or through the mail order drug program. See Mail Order Drug Program and Specialty Pharmacy Program later in this section.
- Advise your physician that you are covered under Blue Rx Complete.
- Always present your ID card when filling prescriptions. Your ID card enables participating pharmacists to access your benefits information.

Advantages of Visiting Participating Pharmacies
When you fill your prescription at participating pharmacies:

- You will usually pay less. If you use a nonparticipating pharmacy, you must pay the amount charged at the time of purchase, and the amount we reimburse you may be less than what you paid. You are responsible for this difference.
- The participating pharmacist can check whether your prescription is subject to prior authorization or quantity limits.
- The participating pharmacist can access your benefit information, verify your eligibility, check whether the prescription is a benefit under your Blue Rx Complete prescription drug benefits, list the amount you are expected to pay, and suggest generic alternatives.

Always Present Your ID Card
If you do not have your ID card with you when you fill a prescription at a participating pharmacy, the pharmacist may not be able to access your benefit information. In this case:

- You must pay the full amount charged at the time you receive your prescription, and the amount we reimburse you may be less than what you paid. You are responsible for this difference.
- You must file your claim to be reimbursed. See Claims, page 67.

Specialty Pharmacy Program
Specialty drugs are often unavailable from ordinary retail pharmacies. Specialty pharmacies deliver specialty drugs directly to your home or to your physician's office. We recommend that you purchase specialty drugs through a participating pharmacy or through the specialty pharmacy program. You must register as a specialty pharmacy program user in order to fill your prescriptions through the specialty pharmacy program. For information on how to register, call the Customer Service number on your ID card or visit our website at Wellmark.com.

The specialty pharmacy program administers the distribution of specialty drugs to the home and to physicians' offices.
Choosing a Provider

When you fill your prescription through the specialty pharmacy program, you will usually pay less than if you use a pharmacy outside the specialty pharmacy program. For specialty drug purchases, pharmacies outside the specialty pharmacy program are considered nonparticipating pharmacies. When you purchase covered drugs from nonparticipating pharmacies, you will usually pay more.

When you purchase covered drugs from nonparticipating pharmacies you are responsible for the amount charged for the drug at the time you fill your prescription, and then you must file a claim to be reimbursed. Once you submit a claim, you will be reimbursed up to the maximum allowable fee of the drug, less your payment obligation. The maximum allowable fee may be less than the amount you paid. In other words, you are responsible for any difference in cost between what the pharmacy charges you for the drug and our reimbursement amount.

See Participating vs. Nonparticipating Pharmacies, page 56.

Mail Order Drug Program

When you fill your prescription through the mail order drug program, you will usually pay less than if you use a nonparticipating mail order pharmacy.

You must register as a mail service user in order to fill your prescriptions through the mail order drug program. For information on how to register, visit our website, Wellmark.com, or call the Customer Service number on your ID card.

Mail order pharmacy providers outside our mail order program are considered nonparticipating pharmacies. If you purchase covered drugs from nonparticipating mail order pharmacies, you will usually pay more.

When you purchase covered drugs from nonparticipating pharmacies you are responsible for the amount charged for the drug at the time you fill your prescription, and then you must file a claim to be reimbursed. Once you submit a claim, you
6. Notification Requirements and Care Coordination

**Program 3 Plus Contract**

Many services require a notification to us or a review by us. If you do not follow notification requirements properly, you may have to pay for services yourself, so the information in this section is critical. For a complete list of services subject to notification or review, visit Wellmark.com or call the Customer Service number on your ID card.

**Providers and Notification Requirements**

Participating Providers in Iowa and South Dakota should handle notification requirements for you. If you are admitted to a Participating facility outside Iowa or South Dakota, the Participating Provider should handle notification requirements for you.

If you receive any other covered services (i.e., services unrelated to an inpatient admission) from a Participating Provider outside Iowa or South Dakota, you or someone acting on your behalf are responsible for notification requirements.

More than one of the notification requirements and care coordination programs described in this section may apply to a service. Any notification or care coordination decision is based on the medical benefits in effect at the time of your request. If your coverage changes for any reason, you may be required to repeat the notification process.

You or your authorized representative, if you have designated one, may appeal a denial or reduction of benefits resulting from these notification requirements and care coordination programs. See Appeals, page 77. Also see Authorized Representative, page 81.

---

**Precertification**

<table>
<thead>
<tr>
<th>Purpose</th>
<th>Precertification helps determine whether a service or admission to a facility is medically necessary. Precertification is required; however, it does not apply to maternity or emergency services.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Applies to</td>
<td>For a complete list of the services subject to precertification, visit Wellmark.com or call the Customer Service number on your ID card.</td>
</tr>
</tbody>
</table>
### Person Responsible for Obtaining Precertification

**You** or someone acting on your behalf are responsible for obtaining precertification if:

- You receive services subject to precertification from an Out-of-Network Provider; or
- You receive non-inpatient services subject to precertification from a Participating Provider outside Iowa or South Dakota;

**Your Provider** should obtain precertification for you if:

- You receive services subject to precertification from a Participating Provider in Iowa or South Dakota; or
- You receive inpatient services subject to precertification from a Participating Provider outside Iowa or South Dakota

**Please note:** If you are ever in doubt whether precertification has been obtained, call the Customer Service number on your ID card.

### Process

When you, instead of your provider, are responsible for precertification, call the phone number on your ID card before receiving services.

Wellmark will respond to a precertification request within:

- 72 hours in a medically urgent situation;
- 15 days in a non-medically urgent situation.

Precertification requests must include supporting clinical information to determine medical necessity of the service or admission.

After you receive the service(s), Wellmark may review the related medical records to confirm the records document the services subject to the approved precertification request. The medical records also must support the level of service billed and document that the services have been provided by the appropriate personnel with the appropriate level of supervision.
Importance
If you choose to receive services subject to precertification, you will be responsible for the charges as follows:

- If you receive services subject to precertification from an Out-of-Network Provider and we determine that the procedure was not medically necessary you will be responsible for the full charge.
- If you receive non-inpatient services from a Participating Provider in another state or service area and we determine the procedure is medically necessary and otherwise covered, without precertification, benefits can be reduced by 50% of the maximum allowable fee, after which we subtract your applicable payment obligations.
- If you are admitted to a Participating inpatient facility, the provider, not you, will be responsible for any reduction for failure to complete the precertification process. Please note: It is important that you are aware of precertification requirements to help ensure that they are met.
- If you receive the services from an Out-of-Network Provider and we determine the procedure is medically necessary and otherwise covered, without precertification, benefits can be reduced by 50% of the maximum allowable fee, after which we subtract your applicable payment obligations. The maximum reduction will not exceed $500 per benefit year. See Maximum Allowable Fee, page 53. You are subject to this benefit reduction only if you receive the services from an Out-of-Network Provider.

Reduced or denied benefits that result from failure to follow notification requirements are not credited toward your out-of-pocket maximum. See What You Pay, page 3.

---

**Notification**

<table>
<thead>
<tr>
<th>Purpose</th>
<th>Notification of most facility admissions and certain services helps us identify and initiate discharge planning or care coordination. Notification is required.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Applies to</td>
<td>For a complete list of the services subject to notification, visit Wellmark.com or call the Customer Service number on your ID card.</td>
</tr>
<tr>
<td>Person Responsible</td>
<td>Participating Providers in the states of Iowa and South Dakota perform notification for you. However, you or someone acting on your behalf are responsible for notification if:</td>
</tr>
<tr>
<td></td>
<td>- You receive services subject to notification from a provider outside Iowa or South Dakota;</td>
</tr>
<tr>
<td></td>
<td>- You receive services subject to notification from an Out-of-Network Provider.</td>
</tr>
<tr>
<td>Process</td>
<td>When you, instead of your provider, are responsible for notification, call the phone number on your ID card before receiving services, except when you are unable to do so due to a medical emergency. In the case of an emergency admission, you must notify us within one business day of the admission or the receipt of services or as soon as reasonably possible thereafter.</td>
</tr>
</tbody>
</table>
Prior Approval

**Purpose**

Prior approval helps determine whether a proposed treatment plan is medically necessary and a benefit under your medical benefits. Prior approval is required.

**Applies to**

For a complete list of the services subject to prior approval, visit *Wellmark.com* or call the Customer Service number on your ID card.

<table>
<thead>
<tr>
<th>Person Responsible for Obtaining Prior Approval</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>You</strong> or someone acting on your behalf are responsible for obtaining prior approval if:</td>
</tr>
<tr>
<td>- You receive services subject to prior approval from an Out-of-Network Provider; or</td>
</tr>
<tr>
<td>- You receive non-inpatient services subject to prior approval from a Participating Provider outside Iowa or South Dakota;</td>
</tr>
</tbody>
</table>

**Your Provider** should obtain prior approval for you if:

- You receive services subject to prior approval from a Participating Provider in Iowa or South Dakota; or
- You receive inpatient services subject to prior approval from a Participating Provider outside Iowa or South Dakota.

**Please note:** If you are ever in doubt whether prior approval has been obtained, call the Customer Service number on your ID card.

**Process**

When you, instead of your provider, are responsible for requesting prior approval, call the number on your ID card to obtain a prior approval form and ask the provider to help you complete the form.

Wellmark will determine whether the requested service is medically necessary and eligible for benefits based on the written information submitted to us. We will respond to a prior approval request in writing to you and your provider within:

- 72 hours in a medically urgent situation.
- 15 days in a non-medically urgent situation.

Prior approval requests must include supporting clinical information to determine medical necessity of the services or supplies.
Importance

If your request is approved, the service is covered provided other contractual requirements, such as member eligibility and benefit maximums, are observed. If your request is denied, the service is not covered, and you will receive a notice with the reasons for denial.

If you do not request prior approval for a service, the benefit for that service will be denied on the basis that you did not request prior approval.

Upon receiving an Explanation of Benefits (EOB) indicating a denial of benefits for failure to request prior approval, you will have the opportunity to appeal (see the Appeals section) and provide us with medical information for our consideration in determining whether the services were medically necessary and a benefit under your medical benefits. Upon review, if we determine the service was medically necessary and a benefit under your medical benefits, the benefit for that service will be provided according to the terms of your medical benefits.

Approved services are eligible for benefits for a limited time. Approval is based on the medical benefits in effect and the information we had as of the approval date. If your coverage changes for any reason (for example, because of a new job or new medical benefits), an approval may not be valid. If your coverage changes before the approved service is performed, a new approval is recommended.

Note: When prior approval is required, and an admission to a facility is required for that service, the admission also may be subject to notification or precertification. See Precertification and Notification earlier in this section.

---

**Concurrent Review**

**Purpose**

Concurrent review is a utilization review conducted during a member's facility stay or course of treatment at home or in a facility setting to determine whether the place or level of service is medically necessary. This care coordination program occurs without any notification required from you.

**Applies to**

For a complete list of the services subject to concurrent review, visit Wellmark.com or call the Customer Service number on your ID card.

**Person Responsible**

Wellmark

**Process**

Wellmark may review your case to determine whether your current level of care is medically necessary.

Responses to Wellmark's concurrent review requests must include supporting clinical information to determine medical necessity as a condition of your coverage.

**Importance**

Wellmark may require a change in the level or place of service in order to continue providing benefits. If we determine that your current facility setting or level of care is no longer medically necessary, we will notify you, your attending physician, and the facility or agency at least 24 hours before your benefits for these services end.
### Case Management

**Purpose**

Case management is intended to identify and assist members with the most severe illnesses by collaborating with members, members’ families, and providers to develop individualized care plans.

**Applies to**

A wide group of members including those who have experienced potentially preventable emergency room visits; hospital admissions/readmissions; those with catastrophic or high cost health care needs; those with potential long term illnesses; and those newly diagnosed with health conditions requiring life-time management. Examples where case management might be appropriate include but are not limited to:

- Brain or Spinal Cord Injuries
- Cystic Fibrosis
- Degenerative Muscle Disorders
- Hemophilia
- Pregnancy (high risk)
- Transplants

**Person Responsible**

You, your physician, and the health care facility can work with Wellmark’s case managers. Wellmark may initiate a request for case management.

**Process**

Members are identified and referred to the Case Management program through Customer Service and claims information, referrals from providers or family members, and self-referrals from members.

**Importance**

Case management is intended to identify and coordinate appropriate care and care alternatives including reviewing medical necessity; negotiating care and services; identifying barriers to care including contract limitations and evaluation of solutions outside the group health plan; assisting the member and family to identify appropriate community-based resources or government programs; and assisting members in the transition of care when there is a change in coverage.

### Prescription Drugs

#### Prior Authorization of Drugs

**Purpose**

Prior authorization allows us to verify that a prescription drug is part of a specific treatment plan and is medically necessary.

**Applies to**

Consult the Drug List to determine if a particular drug requires prior authorization. You can locate this list by visiting Wellmark.com. You may also check with your pharmacist or practitioner to determine whether prior authorization applies to a drug that has been prescribed for you.

**Person Responsible**

You are responsible for prior authorization.
<table>
<thead>
<tr>
<th>Process</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Ask your practitioner to call us with the necessary information. If your practitioner has not provided the prior authorization information, participating pharmacists usually ask for it, which may delay filling your prescription. To avoid delays, encourage your provider to complete the prior authorization process before filling your prescription. Nonparticipating pharmacists will fill a prescription without prior authorization but you will be responsible for paying the charge. Wellmark will respond to a prior authorization request within:</td>

7. **Factors Affecting What You Pay**

How much you pay for covered services is affected by many different factors discussed in this section.

**Program 3 Plus Contract**

**Benefit Year**

A benefit year is a period of 12 consecutive months beginning on January 1 or beginning on the day your coverage goes into effect. The benefit year starts over each January 1. Your benefit year continues even if your employer or group sponsor changes Wellmark group health plan benefits during the year or you change to a different plan offering mid-benefit year from your same employer or group sponsor.

Certain coverage changes result in your Wellmark identification number changing. In some cases, a new benefit year will start under the new ID number for the rest of the benefit year. In this case, the benefit year would be less than a full 12 months. In other cases (e.g., adding your spouse to your coverage) the benefit year would continue and not start over.

If you are an inpatient in a covered facility on the date of your annual benefit year renewal, your benefit limitations and payment obligations, including your deductible and out-of-pocket maximum, for facility services will renew and will be based on the benefit limitations and payment obligation amounts in effect on the date you were admitted. However, your payment obligations, including your deductible and out-of-pocket maximum, for practitioner services will be based on the payment obligation amounts in effect on the day you receive services.

The benefit year is important for calculating:

- Deductible.
- Coinsurance.
- Out-of-pocket maximum.

**How Coinsurance is Calculated**

The amount on which coinsurance is calculated depends on the state where you receive a covered service and the contracting status of the provider.

**Participating and Out-of-Network Providers**

Coinsurance is calculated using the payment arrangement amount after the following amounts (if applicable) are subtracted from it:

- Deductible.
- Certain copayments.
- Amounts representing any general exclusions and conditions. See **General Conditions of Coverage, Exclusions, and Limitations**, page 31.

**Participating Providers Outside the Wellmark Service Area**

The coinsurance for covered services is calculated on the lower of:

- The amount charged for the covered service, or
- The negotiated price that the Host Blue makes available to Wellmark after the following amounts (if applicable) are subtracted from it:
  - Deductible.
  - Certain copayments.
  - Amounts representing any general exclusions and conditions. See **General Conditions of Coverage, Exclusions, and Limitations**, page 31.
Often, the negotiated price will be a simple discount that reflects an actual price the local Host Blue paid to your provider. Sometimes, the negotiated price is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, the negotiated price may be an average price based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price. Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or under-estimation of modifications of past pricing for the types of transaction modifications noted previously. However, such adjustments will not affect the price we use for your claim because they will not be applied retroactively to claims already paid.

Occasionally, claims for services you receive from a provider that participates with a Blue Cross and/or Blue Shield Plan outside of Iowa or South Dakota may need to be processed by Wellmark instead of by the BlueCard Program. In that case, coinsurance is calculated using the amount charged for covered services after the following amounts (if applicable) are subtracted from it:

- Deductible.
- Certain copayments.
- Amounts representing any general exclusions and conditions. See General Conditions of Coverage, Exclusions, and Limitations, page 31.

Laws in a small number of states may require the Host Blue Plan to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, Wellmark will calculate your payment obligation for any covered services according to applicable law. For more information, see BlueCard Program, page 36.

**Provider Network**

Under the medical benefits of this plan, your network of providers consists of Participating Providers. All other providers are Out-of-Network Providers.

**Participating Providers**

Wellmark and Blue Cross and/or Blue Shield Plans have contracting relationships with Participating Providers. Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers. To determine if a pharmacy contracts with our pharmacy benefits manager, ask the pharmacist or call the Customer Service number on your ID card. When you receive services from Participating Providers:

- The Participating payment obligation amounts may be waived or may be less than the Out-of-Network amounts for certain covered services. See Waived Payment Obligations, page 6.
- These providers agree to accept Wellmark’s payment arrangements, or payment arrangements or negotiated prices of the Blue Cross and Blue Shield Plan with which the provider contracts. These payment arrangements may result in savings.
- The health plan payment is sent directly to the provider.

**Out-of-Network Providers**

Wellmark and Blue Cross and/or Blue Shield Plans do not have contracting relationships with Out-of-Network Providers, and they may not accept our payment arrangements. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers. Therefore, when you receive services from Out-of-Network Providers:

- You are responsible for any difference between the amount charged and the maximum allowable fee for a covered service.
service when the maximum allowable fee is less than the practitioner’s charge. In the case of services received outside Iowa or South Dakota, our maximum payment for services by an Out-of-Network Provider may be the lesser of Wellmark’s maximum allowable fee or the amount allowed by the Blue Cross or Blue Shield Plan in the state where the provider is located. See Services Outside the Wellmark Service Area, page 36.

- Wellmark does not make claim payments directly to these providers. You are responsible for ensuring that your provider is paid in full.
- The group health plan payment for Out-of-Network hospitals, M.D.s, and D.O.s in Iowa is made payable to the provider, but the check is sent to you. You are responsible for forwarding the check to the provider (plus any billed balance you may owe).

**Amount Charged and Maximum Allowable Fee**

**Amount Charged**
The amount charged is the amount a provider charges for a service or supply, regardless of whether the services or supplies are covered under your medical benefits.

**Maximum Allowable Fee**
The maximum allowable fee is the amount, established by Wellmark, using various methodologies, for covered services and supplies. Wellmark’s amount paid may be based on the lesser of the amount charged for a covered service or supply or the maximum allowable fee.

**Payment Arrangements**

**Payment Arrangement Savings**
Wellmark has contracting relationships with Participating Providers. We use different methods to determine payment arrangements, including negotiated fees. These payment arrangements usually result in savings.

The savings from payment arrangements and other important amounts will appear on your Explanation of Benefits statement as follows:

- **Network Savings**, which reflects the amount you save on a claim by receiving services from a Participating Provider. For the majority of services, the savings reflects the actual amount saved on a claim. However, depending on many factors, the amount we pay a provider could be different from the covered charge. Regardless of the amount we pay a Participating Provider, your payment responsibility will always be based on the lesser of the covered charge or the maximum allowable fee.

- **Amount Not Covered**, which reflects the portion of provider charges not covered under your health benefits and for which you are responsible. This amount may include services or supplies not covered; amounts in excess of a benefit maximum, benefit year maximum, or lifetime benefits maximum; reductions or denials for failure to follow a required precertification; and the difference between the amount charged and the maximum allowable fee for services from an Out-of-Network Provider. For general exclusions and examples of benefit limitations, see General Conditions of Coverage, Exclusions, and Limitations, page 31.

- **Amount Paid by Health Plan**, which reflects our payment responsibility to a provider or to you. We determine this amount by subtracting the following amounts (if applicable) from the amount charged:
  - Deductible.
  - Coinsurance.
  - Copayment.
  - Amounts representing any general exclusions and conditions.
  - Network savings.
Factors Affecting What You Pay

Payment Method for Services
When you receive a covered service or services that result in multiple claims, we will calculate your payment obligations based on the order in which we process the claims.

Provider Payment Arrangements
Provider payment arrangements are calculated using industry methods, including but not limited to fee schedules, per diems, percentage of charge, capitation, or episodes of care. Some provider payment arrangements may include an amount payable to the provider based on the provider’s performance. Performance-based amounts that are not distributed are not allocated to your specific group or to your specific claims and are not considered when determining any amounts you may owe. We reserve the right to change the methodology we use to calculate payment arrangements based on industry practice or business need. Participating Providers agree to accept our payment arrangements as full settlement for providing covered services, except to the extent of any amounts you may owe.

Pharmacy Benefits Manager Fees and Drug Company Rebates
Wellmark contracts with a pharmacy benefits manager to provide pharmacy benefits management services to its accounts, such as your group. Your group is to pay a monthly fee for such services.

Drug manufacturers offer rebates to pharmacy benefits managers. After your group has had Wellmark prescription drug coverage for at least nine months, the pharmacy benefits manager contracting with Wellmark will calculate, on a quarterly basis, your group’s use of drugs for which rebates have been paid. Wellmark receives these rebates. Your group will be credited with rebate amounts forwarded to us by the pharmacy benefits manager unless your group’s arrangement with us requires us to reduce such rebated amounts by the amount of any fees we paid to the pharmacy benefits manager for the services rendered to your group. We will not distribute these rebate amounts to you, and rebates will not be considered when determining your payment obligations.

Prescription Drugs

Benefit Year
A benefit year is a period of 12 consecutive months beginning on January 1 or beginning on the day your coverage goes into effect. The benefit year starts over each January 1. Your benefit year continues even if your employer or group sponsor changes Wellmark group health plan benefits during the year or you change to a different plan offering mid-benefit year from your same employer or group sponsor.

Certain coverage changes result in your Wellmark identification number changing. In some cases, a new benefit year will start under the new ID number for the rest of the benefit year. In this case, the benefit year would be less than a full 12 months. In other cases (e.g., adding your spouse to your coverage) the benefit year would continue and not start over.

The benefit year is important for calculating:
- Out-of-pocket maximum.

Wellmark Blue Rx Complete Drug List
Often there is more than one medication available to treat the same medical condition. The Wellmark Blue Rx Complete Drug List ("Drug List") contains drugs physicians recognize as medically effective for a wide range of health conditions.

The Drug List is maintained with the assistance of practicing physicians, pharmacists, and Wellmark’s pharmacy department.
To determine if a drug is covered, you or your physician must consult the Drug List. If a drug is not on the Drug List, it is not covered.

If you need help determining if a particular drug is on the Drug List, ask your physician or pharmacist, visit our website, Wellmark.com, or call the Customer Service number on your ID card.

Although only drugs listed on the Drug List are covered, physicians are not limited to prescribing only the drugs on the list. Physicians may prescribe any medication, but only medications on the Drug List are covered. Please note: A medication on the Drug List will not be covered if the drug is specifically excluded under your Blue Rx Complete prescription drug benefits, or other limitations apply.

If a drug is not on the Wellmark Blue Rx Complete Drug List and you believe it should be covered, refer to Exception Requests for Non-Formulary Prescription Drugs, page 69.

The Wellmark Blue Rx Complete Drug List is subject to change.

Tiers
The Wellmark Blue Rx Complete Drug List also identifies which tier a drug is on:

**Tier 1.** Most generic drugs and some brand-name drugs that have no generic equivalent. Tier 1 drugs have the lowest payment obligation.

**Tier 2.** Drugs appear on this tier because they either have no generic equivalent or are considered less cost-effective than Tier 1 drugs. Tier 2 drugs have a higher payment obligation than Tier 1 drugs.

**Tier 3.** Drugs appear on this tier because they are less cost-effective than Tier 1 or Tier 2 drugs. Tier 3 drugs have a higher payment obligation than Tier 1 or Tier 2 drugs.

**Tier 4.** Drugs available as combination products or lifestyle drugs. Tier 4 drugs have the same payment obligation as Tier 3 drugs.

**Generic and Brand Name Drugs**
Sometimes, a patent holder of a brand name drug grants a license to another manufacturer to produce the drug under a generic name, though it remains subject to patent protection and has a nearly identical price. In these cases, Wellmark’s pharmacy benefits manager may treat the licensed product as a brand name drug, rather than generic, and will calculate your payment obligation accordingly.

**Generic Drug**
Generic drug refers to an FDA-approved “A”-rated generic drug. This is a drug with active therapeutic ingredients chemically identical to its brand name drug counterpart.

**Brand Name Drug**
Brand name drug is a prescription drug patented by the original manufacturer. Usually, after the patent expires, other manufacturers may make FDA-approved generic copies.

**What You Pay**
In most cases, when you purchase a brand name drug that has an FDA-approved “A”-rated generic equivalent, Wellmark will pay only what it would have paid for the equivalent generic drug. You will be responsible for your payment obligation for the equivalent generic drug and any remaining cost difference up to the maximum allowed fee for the brand name drug.

**Quantity Limitations**
Most prescription drugs are limited to a maximum quantity you may receive in a single prescription. Federal regulations limit the quantity that may be dispensed for certain medications. If your prescription is so regulated, it may not
be available in the amount prescribed by your physician.

In addition, coverage for certain drugs is limited to specific quantities per month, benefit year, or lifetime. Amounts in excess of quantity limitations are not covered.

For a list of drugs with quantity limits, check with your pharmacist or physician or consult the Wellmark Blue Rx Complete Drug List at Wellmark.com, or call the Customer Service number on your ID card.

**Amount Charged and Maximum Allowable Fee**

**Amount Charged**
The retail price charged by a pharmacy for a covered prescription drug.

**Maximum Allowable Fee**
The amount, established by Wellmark using various methodologies and data (such as the average wholesale price), payable for covered drugs.

The maximum allowable fee may be less than the amount charged for the drug.

**Participating vs. Nonparticipating Pharmacies**
If you purchase a covered prescription drug at a nonparticipating pharmacy, you are responsible for the amount charged for the drug at the time you fill your prescription, and then you must file a claim.

Once you submit a claim, you will be reimbursed up to the maximum allowable fee of the drug, less your copayment. The maximum allowable fee may be less than the amount you paid. In other words, you are responsible for any difference in cost between what the pharmacy charges you for the drug and our reimbursement amount.

Your payment obligation for the purchase of a covered prescription drug at a participating pharmacy is the lesser of your copayment, the maximum allowable fee, or the amount charged for the drug.

To determine if a pharmacy is participating, ask the pharmacist, consult the directory of participating pharmacies, visit our website at Wellmark.com, or call the Customer Service number on your ID card. Our directory also is available upon request by calling the Customer Service number on your ID card.

**Special Programs**
We evaluate and monitor changes in the pharmaceutical industry in order to determine clinically effective and cost-effective coverage options. These evaluations may prompt us to offer programs that encourage the use of reasonable alternatives. For example, we may, at our discretion, temporarily waive your payment obligation on a qualifying prescription drug purchase.

Visit our website at Wellmark.com or call us to determine whether your prescription qualifies.

**Savings and Rebates**

**Payment Arrangements**
The benefits manager of this prescription drug program has established payment arrangements with participating pharmacies that may result in savings.

**Pharmacy Benefits Manager Fees and Drug Company Rebates**
Wellmark contracts with a pharmacy benefits manager to provide pharmacy benefits management services to its accounts, such as your group. Your group is to pay a monthly fee for such services.

Drug manufacturers offer rebates to pharmacy benefits managers. After your group has had Wellmark prescription drug coverage for at least nine months, the pharmacy benefits manager contracting with Wellmark will calculate, on a quarterly basis, your group’s use of drugs for which rebates have been paid. Wellmark receives these rebates. Your group will be credited with rebate amounts forwarded to us by the pharmacy benefits manager unless your
group’s arrangement with us requires us to reduce such rebated amounts by the amount of any fees we paid to the pharmacy benefits manager for the services rendered to your group. We will not distribute these rebate amounts to you, and rebates will not be considered when determining your payment obligations.
8. Coverage Eligibility and Effective Date

Eligible Members
You are eligible for coverage if you meet your employer’s or group sponsor’s eligibility requirements. Your spouse or domestic partner may also be eligible for coverage if spouses or domestic partners are covered under this plan.

If a child is eligible for coverage under the employer’s or group sponsor’s eligibility requirements, the child must next have one of the following relationships to the plan member or an enrolled spouse or domestic partner:

- A natural child.
- Legally adopted or placed for adoption (that is, you assume a legal obligation to provide full or partial support and intend to adopt the child).
- A child for whom you have legal guardianship.
- A stepchild.
- A foster child.
- A natural child a court orders to be covered.

Please note: You must notify us or your employer or group sponsor if you enter into an arrangement to provide surrogate parent services: Contact your employer or group sponsor or call the Customer Service number on your ID card.

In addition, a child must be one of the following:

- Under age 26.
- An unmarried full-time student over the age of 26 enrolled in an accredited educational institution. Full-time student status continues during:
  - Regularly-scheduled school vacations; and
  - Medically necessary leaves of absence until the earlier of one year from the first day of leave or the date coverage would otherwise end.
- An unmarried child over the age of 26 who is deemed disabled. The disability must have existed before the child turned age 26, or while the child was a full-time student. Wellmark considers a dependent disabled when he or she meets the following criteria:
  - Claimed as a dependent on the employee’s, plan member’s, subscriber’s, policy holder’s, or retiree’s tax return; and
  - Enrolled in and receiving Medicare benefits due to disability; or
  - Enrolled in and receiving Social Security benefits due to disability.

Documentation will be required.

When Plan Member and Spouse Are Both Eligible Employees
When a husband and wife are both employed by the State, they must enroll under the same family coverage. Employees cannot be covered as both an employee and a dependent under the State’s health plans.

Please note: In addition to the preceding requirements, eligibility is affected by coverage enrollment events and coverage termination events. See Coverage Change Events, page 63.

Enrollment Requirements
Permanent or probationary employees who work 20 or more hours per week are eligible to apply:

- within 30 calendar days of the date of hire; or
- at the annual change period.

Promise Program
Promise Program employees, as established by Executive Order Number 27, may enroll in single or family coverage within 30
calendar days of expiration of their Medicaid benefits.

**Program Selection/Program Movement**
Rules on program selection and program movement are detailed in your *Employer's Procedures Manual* and *Collective Bargaining Agreements*.

**When Coverage Begins**
Coverage begins on the member's effective date.

Your coverage under this group health plan begins on your effective date, which is the first of the month following 30 days of active employment. **Please note:** The month of February is considered a 30-day period.

Any employee or former employee defined as eligible by the State of Iowa, whether actively at work or not, is accepted by the group health plan during an approved enrollment and change period.

This benefit booklet supersedes any other contractual language regarding the member's effective date, benefits available, eligibility, or payment for inpatient hospital, nursing facility, practitioner, or other inpatient charges for State of Iowa group members.

Services received before the effective date of coverage are not eligible for benefits.

**Late Enrollees**
A late enrollee is a member who declines coverage when initially eligible to enroll and then later wishes to enroll for coverage. However, a member is not a late enrollee if a qualifying enrollment event allows enrollment as a special enrollee, even if the enrollment event coincides with a late enrollment opportunity. See *Coverage Change Events*, page 63.

A late enrollee may enroll for coverage at the group's next renewal or enrollment period.

**Changes to Information Related to You or to Your Benefits**
Wellmark may, from time to time, permit changes to information relating to you or to your benefits. In such situations, Wellmark shall not be required to reprocess claims as a result of any such changes.

**Qualified Medical Child Support Order**
If you have a dependent child and you or your spouse's employer or group sponsor receives a Medical Child Support Order recognizing the child's right to enroll in this group health plan or in your spouse's benefits plan, the employer or group sponsor will promptly notify you or your spouse and the dependent that the order has been received. The employer or group sponsor also will inform you or your spouse and the dependent of its procedures for determining whether the order is a Qualified Medical Child Support Order (QMCSO). Participants and beneficiaries can obtain, without charge, a copy of such procedures from the plan administrator.

A QMCSO specifies information such as:

- Your name and last known mailing address.
- The name and mailing address of the dependent specified in the court order.
- A reasonable description of the type of coverage to be provided to the dependent or the manner in which the type of coverage will be determined.
- The period to which the order applies.

A Qualified Medical Child Support Order cannot require that a benefits plan provide any type or form of benefit or option not otherwise provided under the plan, except as necessary to meet requirements of Iowa Code Chapter 252E (2001) or Social Security Act Section 1908 with respect to group health plans.

The order and the notice given by the employer or group sponsor will provide...
additional information, including actions that you and the appropriate insurer must take to determine the dependent’s eligibility and procedures for enrollment in the benefits plan, which must be done within specified time limits.

If eligible, the dependent will have the same coverage as you or your spouse and will be allowed to enroll immediately. You or your spouse’s employer or group sponsor will withhold any applicable share of the dependent’s health care premiums from your compensation and forward this amount to us.

If you are subject to a waiting period that expires more than 90 days after the insurer receives the QMCSO, your employer or group sponsor must notify us when you become eligible for enrollment. Enrollment of the dependent will commence after you have satisfied the waiting period.

The dependent may designate another person, such as a custodial parent or legal guardian, to receive copies of explanations of benefits, checks, and other materials.

Your employer or group sponsor may not revoke enrollment or eliminate coverage for a dependent unless the employer or group sponsor receives satisfactory written evidence that:

- The court or administrative order requiring coverage in a group health plan is no longer in effect;
- The dependent’s eligibility for or enrollment in a comparable benefits plan that takes effect on or before the date the dependent’s enrollment in this group health plan terminates; or
- The employer eliminates dependent health coverage for all employees.

The employer or group sponsor is not required to maintain the dependent’s coverage if:

- You or your spouse no longer pay premiums because the employer or group sponsor no longer owes compensation; or
- You or your spouse have terminated employment with the employer and have not elected to continue coverage.

Family and Medical Leave Act of 1993

The Family and Medical Leave Act of 1993 (FMLA), requires a covered employer to allow an employee with 12 months or more of service who has worked for 1,250 hours over the previous 12 months and who is employed at a worksite where 50 or more employees are employed by the employer within 75 miles of that worksite a total of 12 weeks of leave per fiscal year for the birth of a child, placement of a child with the employee for adoption or foster care, care for the spouse, child or parent of the employee if the individual has a serious health condition or because of a serious health condition, the employee is unable to perform any one of the essential functions of the employee’s regular position. In addition, FMLA requires an employer to allow eligible employees to take up to 12 weeks of leave per 12-month period for qualifying exigencies arising out of a covered family member’s active military duty in support of a contingency operation and to take up to 26 weeks of leave during a single 12-month period to care for a covered family member recovering from a serious illness or injury incurred in the line of duty during active service.

Any employee taking a leave under the FMLA shall be entitled to continue the employee’s benefits during the duration of the leave. The employer must continue the benefits at the level and under the conditions of coverage that would have been provided if the employee had remained employed. Please note: The employee is still responsible for paying their share of the premium if applicable. If the employee for any reason fails to return from the leave, the employer may recover from the employee that premium or portion of the premium that the employer paid, provided the employee fails to return to work for any
reason other than the reoccurrence of the serious health condition or circumstances beyond the control of the employee.

Leave taken under the FMLA does not constitute a qualifying event so as to trigger COBRA rights. However, a qualifying event triggering COBRA coverage may occur when it becomes known that the employee is not returning to work. Therefore, if an employee does not return at the end of the approved period of Family and Medical Leave and terminates employment with employer, the COBRA qualifying event occurs at that time.

If you have any questions regarding your eligibility or obligations under the FMLA, contact your employer or group sponsor.
9. Coverage Changes and Termination

Certain events may require or allow you to add or remove persons who are covered by this group health plan.

**Coverage Change Events**

**Coverage Enrollment Events:** Review the Department of Administrative Services’ benefits website (http://benefits.iowa.gov) for a list of events that allow changes to your health insurance enrollment.

**Requirement to Notify Group Sponsor**

You must notify your employer or group sponsor of an event that changes the coverage status of members.

**Birth of a Child.** A newborn will be added to the existing family health contract when information becomes available from any valid source that the birth has occurred (e.g., hospital or professional claims submission or an enrollment form). The effective date of enrollment will be the date of birth.

If a single contract is in effect at the time of the birth of a biological child, the employee must submit an application form to change to a family contract within 60 days of the date of the birth. The effective date of the family contract will be the first day of the month in which the biological child was born. Appropriate employee deductions for payment of the family contract must be paid retroactively to reflect the change to a family contract.

If the single contract holder does not submit the application for family coverage within 60 days of the birth of the biological child, benefit payments will not be made retroactive to the date of birth.

**Adoption, Legal Custody, or Legal Guardianship.** The following provisions apply for adoptions or obtaining legal custody or legal guardianship:

If a newborn child is adopted within 30 days of birth or has been placed in your home for the purposes of adoption within 30 days of birth, the effective date of coverage can be:

- the first of the month, in which the child was born; or
- the first of the month following the child’s birth.

If you adopt a child or a child is placed in your home for the purposes of adoption more than 30 days after the child’s date of birth, the effective date of coverage will be the first of the month in which the adoption or placement for adoption occurs. If you obtain legal custody or legal guardianship of a child more than 30 days after the child’s date of birth, the effective date of coverage will also be the first of the month in which the legal action occurs.

Your application for coverage must be signed within 60 days of the event to add the new child to the existing family contract or allow a single contract to be changed to a family contract.

Legal documentation must accompany the application to add the new child indicating:

- employee name and social security number;
- date of birth of the child; and
- date awarded physical custody.

If custody is lost, it is the employee’s responsibility to immediately notify their human resources associate or personnel assistant.

**Medicaid or the Children’s Health Insurance Program.** Notify your employer or group sponsor within 60 days in case of the following events:

- You lose eligibility for coverage under Medicaid or the Children’s Health Insurance Program (CHIP) (the *hawk-i* plan in Iowa).
- You become eligible for premium assistance under Medicaid or CHIP.

All Other Events. For all other events, you must notify your employer or group sponsor within 30 days of the event.

If you do not provide timely notification of an event that requires you to remove an affected family member, your coverage may be terminated.

If you do not provide timely notification of a coverage enrollment event, the affected person may not enroll until an annual group enrollment period.

Coverage Termination

The following events terminate your coverage eligibility.

- You become unemployed when your eligibility is based on employment.
- You become ineligible under your employer’s or group sponsor’s eligibility requirements for reasons other than unemployment.
- Your employer or group sponsor discontinues or replaces this group health plan.
- We decide to discontinue offering similar coverage plans by giving written notice to you and your employer or group sponsor at least 90 days prior to termination.
- We decide to nonrenew all health benefit plans delivered or issued for delivery to employers in Iowa by giving written notice to your employer or group sponsor and the Director of Insurance at least 180 days prior to termination.

Also see Fraud or Intentional Misrepresentation of Material Facts, and Nonpayment later in this section.

When you become unemployed and your eligibility is based on employment, your coverage will end at the end of the month your employment ends. When your coverage terminates for all other reasons, check with your employer or group sponsor or call the Customer Service number on your ID card to verify the coverage termination date.

If you receive covered facility services as an inpatient of a hospital or a resident of a nursing facility on the date your coverage eligibility terminates, payment for the covered facility services will end on the earliest of the following:

- The end of your remaining days of coverage under this benefits plan.
- The date you are discharged from the hospital or nursing facility following termination of your coverage eligibility.
- A period not more than 60 days from the date of termination.

Only facility services will be covered under this extension of benefits provision. Benefits for professional services will end on the date of termination of your coverage eligibility.

Fraud or Intentional Misrepresentation of Material Facts

Your coverage will terminate immediately if:

- You use this group health plan fraudulently or intentionally misrepresent a material fact in your application; or
- Your employer or group sponsor commits fraud or intentionally misrepresents a material fact under the terms of this group health plan.

If your coverage is terminated for fraud or intentional misrepresentation of a material fact, then:

- We may declare this group health plan void retroactively from the effective date of coverage following a 30-day written notice. In this case, we will recover any claim payments made.
- Premiums may be retroactively adjusted as if the fraud or intentionally misrepresented material fact had been accurately disclosed in your application.
- We will retain legal rights, including the right to bring a civil action.
Nonpayment
If you or your employer or group sponsor fail to make required payments to us when due or within the allowed grace period, your coverage will terminate the last day of the month in which the required payments are due.

Coverage Continuation
When your coverage ends, you may be eligible to continue coverage under this group health plan or to convert to another Wellmark health benefits plan pursuant to certain state and federal laws.

COBRA Continuation
The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) applies to most non-governmental employers with 20 or more employees. Generally, COBRA entitles you and eligible dependents to continue coverage if it is lost due to a qualifying event, such as employment termination, divorce, or loss of dependent status. You and your eligible dependents will be required to pay for continuation coverage. Other federal or state laws similar to COBRA may apply if COBRA does not. Your employer or group sponsor is required to provide you with additional information on continuation coverage if a qualifying event occurs.

Continuation for Public Group
Iowa Code Sections 509A.7 and 509A.13 may apply if you are an employee of the State. Iowa Code Section 509A.13A may apply to the surviving spouse of a retired State employee. These laws may entitle you to continue participation in this medical benefits plan when you retire.
10. Claims

Once you receive medical services or purchase prescription drugs from a nonparticipating pharmacy, we must receive a claim to determine the amount of your benefits. The claim lets us know the services or prescription drugs you received, when you received them, and from which provider.

**When to File a Claim**

You need to file a claim if you:

- Use a provider who does not file claims for you. Participating Providers file claims for you.
- Purchase prescription drugs from a nonparticipating pharmacy.
- Purchase prescription drugs from a participating pharmacy but do not present your ID card.
- Pay in full for a drug that you believe should have been covered.

Your submission of a prescription to a participating pharmacy is not a filed claim and therefore is not subject to appeal procedures as described in the Appeals section. However, you may file a claim with us for a prescription drug purchase you think should have been a covered benefit.

Wellmark must receive claims within 180 days following the date of service of the claim.

**How to File a Claim**

All claims must be submitted in writing.

1. **Get a Claim Form**
Forms are available at [Wellmark.com](http://Wellmark.com) or by calling the Customer Service number on your ID card or from your personnel department.

2. **Fill Out the Claim Form**
Follow the same claim filing procedure regardless of where you received services. Directions are printed on the back of the claim form. Complete all sections of the claim form. For more efficient processing, all claims (including those completed out-of-country) should be written in English.

If you need assistance completing the claim form, call the Customer Service number on your ID card.

**Medical Claim Form.** Follow these steps to complete a medical claim form:

- Use a separate claim form for each covered family member and each provider.
- Attach a copy of an itemized statement prepared by your provider. We cannot accept statements you prepare, cash register receipts, receipt of payment notices, or balance due notices. In order for a claim request to qualify for processing, the itemized statement must be on the provider’s stationery, and include at least the following:
  - Identification of provider: full name, address, tax or license ID numbers, and provider numbers.
  - Patient information: first and last name, date of birth, gender, relationship to plan member, and daytime phone number.
  - Date(s) of service.
  - Charge for each service.
  - Place of service (office, hospital, etc).
  - For injury or illness: date and diagnosis.
  - For inpatient claims: admission date, patient status, attending physician ID.
  - Days or units of service.
  - Revenue, diagnosis, and procedure codes.
  - Description of each service.
Prescription Drugs Covered Under Your Medical Benefits Claim Form. For prescription drugs covered under your medical benefits (not covered under your Blue Rx Complete prescription drug benefits), use a separate prescription drug claim form and include the following information:

- Pharmacy name and address.
- Patient information: first and last name, date of birth, gender, and relationship to plan member.
- Date(s) of service.
- Description and quantity of drug.
- Original pharmacy receipt or cash receipt with the pharmacist's signature on it.

Blue Rx Complete Prescription Drug Claim Form. For prescription drugs covered under your Blue Rx Complete prescription drug benefits, complete the following steps:

- Use a separate claim form for each covered family member and each pharmacy.
- Complete all sections of the claim form. Include your daytime telephone number.
- Submit up to three prescriptions for the same family member and the same pharmacy on a single claim form. Use additional claim forms for claims that exceed three prescriptions or if the prescriptions are for more than one family member or pharmacy.
- Attach receipts to the back of the claim form in the space provided.

3. Sign the Claim Form
4. Submit the Claim
We recommend you retain a copy for your records. The original form you send or any attachments sent with the form cannot be returned to you.

Medical Claims and Claims for Drugs Covered Under Your Medical Benefits. Send the claim to:

Wellmark Blue Cross and Blue Shield of Iowa
Station 1E238
P.O. Box 9291
Des Moines, IA 50306-9291

Medical Claims for Services Received Outside the United States. Send the claim to the address printed on the claim form.

Blue Rx Complete Prescription Drug Claims. Send the claim to the address printed on the claim form.

We may require additional information from you or your provider before a claim can be considered complete and ready for processing.

Notification of Decision
You will receive an Explanation of Benefits (EOB) following your claim. The EOB is a statement outlining how we applied benefits to a submitted claim. It details amounts that providers charged, network savings, our paid amounts, and amounts for which you are responsible.

In case of an adverse decision, the notice will be sent within 30 days of receipt of the claim. We may extend this time by up to 15 days if the claim determination is delayed for reasons beyond our control. If we do not send an explanation of benefits statement or a notice of extension within the 30-day period, you have the right to begin an appeal. We will notify you of the circumstances requiring an extension and the date by which we expect to render a decision.

If an extension is necessary because we require additional information from you, the notice will describe the specific information needed. You have 45 days from receipt of the notice to provide the information. Without complete information, your claim will be denied.
If you have other insurance coverage, our processing of your claim may utilize coordination of benefits guidelines. See Coordination of Benefits, page 71.

Once we pay your claim, whether our payment is sent to you or to your provider, our obligation to pay benefits for the claim is discharged. However, we may adjust a claim due to overpayment or underpayment for up to 18 months after we first process the claim. In the case of Out-of-Network hospitals, M.D.s, and D.O.s located in Iowa, the health plan payment is made payable to the provider, but the check is sent to you. You are responsible for forwarding the check to the provider, plus any difference between the amount charged and our payment.

Exception Requests for Non-Formulary Prescription Drugs

Prescription drugs that are not listed on the Wellmark Blue Rx Complete Drug List are not covered. However, you may submit an exception request for coverage of a non-formulary drug (i.e., a drug that is not included on the Wellmark Blue Rx Complete Drug List). The form is available at Wellmark.com or by calling the Customer Service number on your ID card. Your prescribing physician or other provider must provide a clinical justification supporting the need for the non-formulary drug to treat your condition. The provider should include a statement that:

- All covered formulary drugs on any tier have been ineffective; or
- All covered formulary drugs on any tier will be ineffective; or
- All covered formulary drugs on any tier would not be as effective as the non-formulary drug; or
- All covered formulary drugs would have adverse effects.

Wellmark will respond within 72 hours of receiving the Exception Request for Non-Formulary Prescription Drugs form. For expedited requests, Wellmark will respond within 24 hours.

In the event Wellmark denies your exception request, you and your provider will be sent additional information regarding your ability to request an independent review of our decision. If the independent reviewer approves your exception request, we will treat the drug as a covered benefit for the duration of your prescription. You will be responsible for out-of-pocket costs (for example: deductible, copay, or coinsurance, if applicable) as if the non-formulary drug is on the highest tier of the Wellmark Blue Rx Complete Drug List. Amounts you pay will be counted toward any applicable out-of-pocket maximums. If the independent reviewer upholds Wellmark’s denial of your exception request, the drug will not be covered, and this decision will not be considered an adverse benefit determination, and will not be eligible for further appeals. You may choose to purchase the drug at your own expense.

The Exception Request for Non-Formulary Prescription Drugs process is only available for FDA-approved prescription drugs that are not on the Wellmark Blue Rx Complete Drug List. It is not available for items that are specifically excluded under your benefits, such as cosmetic drugs, convenience packaging, non-FDA approved drugs, infused drugs, most over-the-counter medications, nutritional, vitamin and dietary supplements, or antigen therapy. The preceding list of excluded items is illustrative only and is not a complete list of items that are not eligible for the process.

Request for Benefit Exception Review

If you have received an adverse benefit determination that denies or reduces benefits or fails to provide payment in whole or in part for any of the following services, when recommended by your treating provider as medically necessary, you or an individual acting as your authorized
representative may request a benefit exception review.

Services subject to this exception process:

- For a woman who previously has had breast cancer, ovarian cancer, or other cancer, but who has not been diagnosed with BRCA-related cancer, appropriate preventive screening, genetic counseling, and genetic testing.
- FDA-approved contraceptive items or services prescribed by your health care provider based upon a specific determination of medical necessity for you.
- For transgender individuals, sex-specific preventive care services (e.g., mammograms and Pap smears) that his or her attending provider has determined are medically appropriate.
- For dependent children, certain well-woman preventive care services that the attending provider determined are age- and developmentally-appropriate.
- Anesthesia services in connection with a preventive colonoscopy when your attending provider determined that anesthesia would be medically appropriate.
- A required consultation prior to a screening colonoscopy, if your attending provider determined that the pre-procedure consultation would be medically appropriate for you.
- Certain immunizations that ACIP recommends for specified individuals (rather than for routine use for an entire population), when prescribed by your health care provider consistent with the ACIP recommendations.
- FDA-approved intrauterine devices and implants, if prescribed by your health care provider.

You may request a benefit exception review orally or in writing by submitting your request to the address listed in the Appeals section. To be considered, your request must include a letter or statement from your treating provider that the services or supplies were medically necessary and your treating provider’s reason(s) for their determination that the services or supplies were medically necessary.

Your request will be addressed within the timeframes outlined in the Appeals section based upon whether your request is a medically urgent or non-medically urgent matter.

Also, if you received pathology services from an in-network provider related to a preventive colonoscopy screening for which you were responsible for a portion of the cost, such as a deductible, copayment or coinsurance, you or an individual acting as your authorized representative may request a benefit exception review. You may request a benefit exception review orally or in writing by submitting your request to the address listed in the Appeals section. Your request will be addressed within the timeframes outlined in the Appeals section based upon whether your request is a medically urgent or non-medically urgent matter.
11. Coordination of Benefits

Coordination of benefits applies when you have more than one insurance policy or group health plan that provides the same or similar benefits as this plan. Benefits payable under this plan, when combined with those paid under your other coverage, will not be more than 100 percent of either our payment arrangement amount or the other plan’s payment arrangement amount.

The method we use to calculate the payment arrangement amount may be different from your other plan’s method.

Other Coverage

When you receive services, you must inform us that you have other coverage, and inform your health care provider about your other coverage. Other coverage includes any of the following:

- Group and nongroup insurance contracts and subscriber contracts.
- HMO contracts.
- Uninsured arrangements of group or group-type coverage.
- Group and nongroup coverage through closed panel plans.
- Group-type contracts.
- The medical care components of long-term contracts, such as skilled nursing care.
- Medicare or other governmental benefits (not including Medicaid).
- The medical benefits coverage of your auto insurance (whether issued on a fault or no-fault basis).

Coverage that is not subject to coordination of benefits includes the following:

- Hospital indemnity coverage or other fixed indemnity coverage.
- Accident-only coverage.
- Specified disease or specified accident coverage.
- Limited benefit health coverage, as defined by Iowa law.
- School accident-type coverage.
- Benefits for non-medical components of long-term care policies.
- Medicare supplement policies.
- Medicaid policies.
- Coverage under other governmental plans, unless permitted by law.

You must cooperate with Wellmark and provide requested information about other coverage. Failure to provide information can result in a denied claim. We may get the facts we need from or give them to other organizations or persons for the purpose of applying the following rules and determining the benefits payable under this plan and other plans covering you. We need not tell, or get the consent of, any person to do this.

Your Participating Provider will forward your coverage information to us. If you have an Out-of-Network Provider, you are responsible for informing us about your other coverage.

Coordination with Group MedicareBlue Rx

If you are a member of the Retired/Disabled group and you are enrolled in the Group MedicareBlue Rx prescription drug plan, the benefits of your Group MedicareBlue Rx prescription drug plan are primary for prescription drugs purchased at the pharmacy; although the benefits of your Group MedicareBlue Rx prescription drug plan are primary, you will continue to pay the copayment or coinsurance you have always paid under your State of Iowa prescription drug plan.*

The benefits of your Group MedicareBlue Rx prescription drug plan are primary for prescription drugs purchased at the pharmacy and you should present your
Group MedicareBlue Rx ID card to the pharmacy as the primary payer. The benefits of your Blue Rx Complete prescription drug plan are secondary for prescription drugs purchased at the pharmacy and you should present your Blue Rx Complete ID card to the pharmacy as the secondary payer. You will be required to pay the same copayment or coinsurance amounts that would otherwise apply if you did not have Group MedicareBlue Rx.

*If you purchase a brand name drug that has an FDA-approved “A”-rated generic equivalent, Wellmark will pay only what it would have paid for the equivalent generic drug. In this case, in addition to your copayment or coinsurance, you will also be responsible for any cost difference between the generic drug and the brand name drug, up to the maximum allowed fee for the brand name drug.

Claim Filing
If you know that your other coverage has primary responsibility for payment, after you receive services or obtain a covered prescription drug, a claim should be submitted to your other insurance carrier first. If that claim is processed with an unpaid balance for benefits eligible under this group health plan, you or your provider should submit a claim to us and attach the other carrier’s explanation of benefit payment. We may contact your provider or the other carrier for further information.

Rules of Coordination
We follow certain rules to determine which health plan or coverage pays first (as the primary plan) when other coverage provides the same or similar benefits as this group health plan. Here are some of those rules:

- The primary plan pays or provides benefits according to its terms of coverage and without regard to the benefits under any other plan. Except as provided below, a plan that does not contain a coordination of benefits provision that is consistent with applicable regulations is always primary unless the provisions of both plans state that the complying plan is primary.

- Coverage that is obtained by membership in a group and is designed to supplement a part of a basic package of benefits is excess to any other parts of the plan provided by the contract holder. (Examples of such supplementary coverage are major medical coverage that is superimposed over base plan hospital and surgical benefits and insurance-type coverage written in connection with a closed panel plan to provide Out-of-Network benefits.)

The following rules are to be applied in order. The first rule that applies to your situation is used to determine the primary plan.

- The coverage that you have as an employee, plan member, subscriber, policy holder, or retiree pays before coverage that you have as a spouse or dependent. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a dependent and primary to the plan covering the person as other than a dependent (e.g., a retired employee), then the order of benefits between the two plans is reversed, so that the plan covering the person as the employee, plan member, subscriber, policy holder or retiree is the secondary plan and the other plan is the primary plan.

- The coverage that you have as the result of active employment (not laid off or retired) pays before coverage that you have as a laid-off or retired employee. The same would be true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other plan does not have this rule and, as a result, the plans do not agree on the order of benefits, this rule is ignored.
If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the person as an employee, plan member, subscriber, policy holder or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the primary plan and the COBRA or state or other federal continuation coverage is the secondary plan. If the other plan does not have this rule and, as a result, the plans do not agree on the order of benefits, this rule is ignored.

The coverage with the earliest continuous effective date pays first if none of the rules above apply.

Notwithstanding the preceding rules, when you present your Blue Rx Complete ID card to a pharmacy as the primary payer, your Blue Rx Complete prescription drug benefits are primary for prescription drugs purchased at the pharmacy. If, under the preceding rules, your Blue Rx Complete prescription drug benefits are secondary and you present your Blue Rx Complete ID card to a pharmacy as the secondary payer, your Blue Rx Complete prescription drug benefits are secondary for prescription drugs purchased at the pharmacy.

If the preceding rules do not determine the order of benefits, the benefits payable will be shared equally between the plans. In addition, this plan will not pay more than it would have paid had it been the primary plan.

**Dependent Children**

To coordinate benefits for a dependent child, the following rules apply (unless there is a court decree stating otherwise):

- If the child is covered by both parents who are married (and not separated) or who are living together, whether or not they have been married, then the coverage of the parent whose birthday occurs first in a calendar year pays first.

- If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.

- For a child covered by separated or divorced parents or parents who are not living together, whether or not they have been married:
  - If a court decree states that one of the parents is responsible for the child’s health care expenses or coverage and the plan of that parent has actual knowledge of those terms, then that parent’s coverage pays first. If the parent with responsibility has no health care coverage for the dependent child’s health care expenses, but that parent’s spouse does, that parent’s spouse’s coverage pays first. This item does not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.
  - If a court decree states that both parents are responsible for the child’s health care expense or health care coverage or if a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or coverage of the dependent child, then the coverage of the parent whose birthday occurs first in a calendar year pays first. If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.
  - If a court decree does not specify which parent has financial or insurance responsibility, then the coverage of the parent with custody pays first. The payment order for the child is as follows: custodial parent, spouse of custodial parent, other parent, spouse of other parent. A custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree,
is the parent with whom the child resides more than one-half of the calendar year excluding any temporary visitation.

If none of these rules apply to your situation, we will follow the Iowa Insurance Division’s Coordination of Benefits guidelines to determine this group health plan payment.

**Effects on the Benefits of this Plan**
In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other coverage and apply the calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary plan, total benefits paid or provided by all plans for the claim do not exceed the total allowable expense for that claim. In addition, the secondary plan will credit to its applicable deductible any amounts it would have credited to its deductible in the absence of other coverage.

**Right of Recovery**
If the amount of payments made by us is more than we should have paid under these coordination of benefits provisions, we may recover the excess from any of the persons to or for whom we paid, or from any other person or organization that may be responsible for the benefits or services provided for the covered person. The amount of payments made includes the reasonable cash value of any benefits provided in the form of services.

**Coordination with Medicare**
For medical claims only, Medicare is by law the secondary coverage to group health plans in a variety of situations.

The following provisions apply only if you have both Medicare and employer group health coverage under your medical benefits and your employer has the required minimum number of employees.

**Medicare Part B Drugs**
Drugs paid under Medicare Part B are covered under the medical benefits of this plan.

However, if you are eligible for Medicare either as a retiree or a spouse of a retiree or because of your or your spouse's disability status, your benefits under this medical benefits plan will be coordinated with benefits available under Medicare Part B, even if you or your spouse are not enrolled in Medicare Part B.

If you are no longer actively working, Medicare will be primary. Therefore, any member enrolled in Medicare Part A should also consider enrolling in Part B, as Retiree benefits under this plan will be reduced by the amount that would have been covered by Medicare Part B.

**Medicare’s Payment vs. This Plan’s Payment**
Medicare’s allowed amount for a service may be different than our allowed amount (our allowed amount is also referred to as our “maximum allowable fee”) for that same service. When Medicare is primary, and Medicare’s allowed amount for a service is greater than our allowed amount for that same service, we will reimburse up to our allowed amount for the service. You may be responsible for any difference between Medicare’s allowed amount and our allowed amount.

**Working Aged**
Medicare is the secondary payer if the beneficiary is:
- Age 65 or older; and
- A current employee or spouse of a current employee covered by an employer group health plan.

**Working Disabled**
Medicare is the secondary payer if the beneficiary is:
- Under age 65;
- A recipient of Medicare disability benefits; and...
A current employee or a spouse or dependent of a current employee, covered by an employer group health plan.

End-Stage Renal Disease (ESRD)
Under ESRD requirements, Medicare is the secondary payer during the first 30 months of Medicare coverage if both of the following are true:

- The beneficiary has Medicare coverage as an ESRD patient; and
- The beneficiary is covered by an employer group health plan.

If the beneficiary is already covered by Medicare due to age or disability and the beneficiary becomes eligible for Medicare ESRD coverage, Medicare generally is the secondary payer during the first 30 months of ESRD eligibility. However, if the group health plan is secondary to Medicare (based on other Medicare secondary-payer requirements) at the time the beneficiary becomes covered for ESRD, the group health plan remains secondary to Medicare.

This is only a general summary of the laws, which may change from time to time. For more information, contact your employer or the Social Security Administration.
12. Appeals

Right of Appeal
You have the right to one full and fair review in the case of an adverse benefit determination that denies, reduces, or terminates benefits, or fails to provide payment in whole or in part. Adverse benefit determinations include a denied or reduced claim, a rescission of coverage, or an adverse benefit determination concerning a pre-service notification requirement. Pre-service notification requirements are:

- A precertification request.
- A notification of admission or services.
- A prior approval request.
- A prior authorization request for prescription drugs.

How to Request an Internal Appeal
You or your authorized representative, if you have designated one, may appeal an adverse benefit determination within 180 days from the date you are notified of our adverse benefit determination by submitting a written appeal. Appeal forms are available at our website, Wellmark.com. See Authorized Representative, page 81.

Medically Urgent Appeal
To appeal an adverse benefit determination involving a medically urgent situation, you may request an expedited appeal, either orally or in writing. Medically urgent generally means a situation in which your health may be in serious jeopardy or, in the opinion of your physician, you may experience severe pain that cannot be adequately controlled while you wait for a decision.

Non-Medically Urgent Appeal
To appeal an adverse benefit determination that is not medically urgent, you must make your request for a review in writing.

What to Include in Your Internal Appeal
You must submit all relevant information with your appeal, including the reason for your appeal. This includes written comments, documents, or other information in support of your appeal. You must also submit:

- Date of your request.
- Your name (please type or print), address, and if applicable, the name and address of your authorized representative.
- Member identification number.
- Claim number from your Explanation of Benefits, if applicable.
- Date of service in question.

For a prescription drug appeal, you also must submit:

- Name and phone number of the pharmacy.
- Name and phone number of the practitioner who wrote the prescription.
- A copy of the prescription.
- A brief description of your medical reason for needing the prescription.

If you have difficulty obtaining this information, ask your provider or pharmacist to assist you.

Where to Send Internal Appeal
Wellmark Blue Cross and Blue Shield of Iowa
Special Inquiries
P.O. Box 9232, Station 5W189
Des Moines, IA 50306-9232

Review of Internal Appeal
Your request for an internal appeal will be reviewed only once. The review will take into account all information regarding the
adverse benefit determination whether or not the information was presented or available at the initial determination. Upon request, and free of charge, you will be provided reasonable access to and copies of all relevant records used in making the initial determination. Any new information or rationale gathered or relied upon during the appeal process will be provided to you prior to Wellmark issuing a final adverse benefit determination and you will have the opportunity to respond to that information or to provide information.

The review will not be conducted by the original decision makers or any of their subordinates. The review will be conducted without regard to the original decision. If a decision requires medical judgment, we will consult an appropriate medical expert who was not previously involved in the original decision and who has no conflict of interest in making the decision. If we deny your appeal, in whole or in part, you may request, in writing, the identity of the medical expert we consulted.

**Decision on Internal Appeal**

The decision on appeal is the final internal determination. Once a decision on internal appeal is reached, your right to internal appeal is exhausted.

**Medically Urgent Appeal**

For a medically urgent appeal, you will be notified (by telephone, e-mail, fax or another prompt method) of our decision as soon as possible, based on the medical situation, but no later than 72 hours after your expedited appeal request is received. If the decision is adverse, a written notification will be sent.

**All Other Appeals**

For all other appeals, you will be notified in writing of our decision. Most appeal requests will be determined within 30 days and all appeal requests will be determined within 60 days.

**External Review**

You have the right to request an external review of a final adverse determination involving a covered service when the determination involved:

- Medical necessity.
- Appropriateness of services or supplies, including health care setting, level of care, or effectiveness of treatment.
- Investigational or experimental services or supplies.
- Concurrent review or admission to a facility. See *Notification Requirements and Care Coordination*, page 43.

An adverse determination eligible for external review does not include a denial of coverage for a service or treatment specifically excluded under this plan.

The external review will be conducted by independent health care professionals who have no association with us and who have no conflict of interest with respect to the benefit determination.

**Have you exhausted the appeal process?** Before you can request an external review, you must first exhaust the internal appeal process described earlier in this section. However, if you have not received a decision regarding the adverse benefit determination within 30 days following the date of your request for an appeal, you are considered to have exhausted the internal appeal process.

**Requesting an external review.** You or your authorized representative may request an external review through the Iowa Insurance Division by completing an External Review Request Form and submitting the form as described in this section. You may obtain this request form by calling the Customer Service number on your ID card, by visiting our website at *Wellmark.com*, by contacting the Iowa Insurance Division, or by visiting the Iowa Insurance Division’s website at *www.iid.state.ia.us*. 
You will be required to authorize the release of any medical records that may be required to be reviewed for the purpose of reaching a decision on your request for external review.

Requests must be filed in writing at the following address, no later than four months after you receive notice of the final adverse benefit determination:

Iowa Insurance Division
Two Ruan Center
601 Locust, 4th Floor
Des Moines, IA 50309-3738
Fax: 515-281-3059
E-mail: iid.marketregulation@iid.iowa.gov

**How the review works.** Upon notification that an external review request has been filed, Wellmark will make a preliminary review of the request to determine whether the request may proceed to external review. Following that review, the Iowa Insurance Division will decide whether your request is eligible for an external review, and if it is, the Iowa Insurance Division will assign an independent review organization (IRO) to conduct the external review. You will be advised of the name of the IRO and will then have five business days to provide new information to the IRO. The IRO will make a decision within 45 days of the date the Iowa Insurance Division receives your request for an external review.

**Need help?** You may contact the Iowa Insurance Division at **877-955-1212** at any time for assistance with the external review process.

**Expedited External Review**
You do not need to exhaust the internal appeal process to request an external review of an adverse determination or a final adverse determination if you have a medical condition for which the time frame for completing an internal appeal or for completing a standard external review would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function.

You may also have the right to request an expedited external review of a final adverse determination that concerns an admission, availability of care, concurrent review, or service for which you received emergency services, and you have not been discharged from a facility.

If our adverse benefit determination is that the service or treatment is experimental or investigational and your treating physician has certified in writing that delaying the service or treatment would render it significantly less effective, you may also have the right to request an expedited external review.

You or your authorized representative may submit an oral or written expedited external review request to the Iowa Insurance Division by contacting the Iowa Insurance Division at **877-955-1212**.

If the Insurance Division determines the request is eligible for an expedited external review, the Division will immediately assign an IRO to conduct the review and a decision will be made expeditiously, but in no event more than 72 hours after the IRO receives the request for an expedited external review.

**Legal Action**
You shall not start legal action against us until you have exhausted the appeal procedure described in this section.

Contract
The conditions of your coverage are defined in your contract. Your contract includes:

- Any application you submitted to us or to your employer or group sponsor.
- Any agreement or group policy we have with your employer or group sponsor.
- Any application completed by your employer or group sponsor.
- This benefit booklet and any riders or amendments.

All of the statements made by you or your employer or group sponsor in any of these materials will be treated by us as representations, not warranties.

Interpreting this Benefit Booklet
We will interpret the provisions of this benefit booklet and determine the answer to all questions that arise under it. We have the administrative discretion to determine whether you meet our written eligibility requirements, or to interpret any other term in this benefit booklet. If any benefit described in this benefit booklet is subject to a determination of medical necessity, unless otherwise required by law, we will make that factual determination. Our interpretations and determinations are final and conclusive.

There are certain rules you must follow in order for us to properly administer your benefits. Different rules appear in different sections of your benefit booklet. You should become familiar with the entire document.

Authority to Terminate, Amend, or Modify
Your employer or group sponsor has the authority to terminate, amend, or modify the coverage described in this benefit booklet at any time. Any amendment or modification will be in writing and will be as binding as this benefit booklet. If your contract is terminated, you may not receive benefits.

Authorized Group Benefits Plan Changes
No agent, employee, or representative of ours is authorized to vary, add to, change, modify, waive, or alter any of the provisions described in this benefit booklet. This benefit booklet cannot be changed except by one of the following:

- Written amendment signed by an authorized officer and accepted by you or your employer or group sponsor.
- Our receipt of proper notification that an event has changed your spouse or dependent’s eligibility for coverage. See Coverage Changes and Termination, page 63.

Authorized Representative
You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. This authorization must be in writing, signed by you, and include all the information required in our Authorized Representative Form. This form is available at Wellmark.com or by calling the Customer Service number on your ID card.

In a medically urgent situation your treating health care practitioner may act as your authorized representative without completion of the Authorized Representative Form.

An assignment of benefits, release of information, or other similar form that you may sign at the request of your health care provider does not make your provider an authorized representative. You may authorize only one person as your representative at a time. You may revoke the authorized representative at any time.
Release of Information
By enrolling in this group health plan, you have agreed to release any necessary information requested about you so we can process claims for benefits.

You must allow any provider, facility, or their employee to give us information about a treatment or condition. If we do not receive the information requested, or if you withhold information, your benefits may be denied. If you fraudulently use your coverage or misrepresent or conceal material facts when providing information, then we may terminate your coverage under this group health plan.

Privacy of Information
Your employer or group sponsor is required to protect the privacy of your health information. It is required to request, use, or disclose your health information only as permitted or required by law. For example, your employer or group sponsor has contracted with Wellmark to administer this group health plan and Wellmark will use or disclose your health information for treatment, payment, and health care operations according to the standards and specifications of the federal privacy regulations.

Treatment
We may disclose your health information to a physician or other health care provider in order for such health care provider to provide treatment to you.

Payment
We may use and disclose your health information to pay for covered services from physicians, hospitals, and other providers, to determine your eligibility for benefits, to coordinate benefits, to determine medical necessity, to obtain payment from your employer or group sponsor, to issue explanations of benefits to the person enrolled in the group health plan in which you participate, and the like. We may disclose your health information to a health care provider or entity subject to the federal privacy rules so they can obtain payment or engage in these payment activities.

Health Care Operations
We may use and disclose your health information in connection with health care operations. Health care operations include, but are not limited to, determining payment and rates for your group health plan; quality assessment and improvement activities; reviewing the competence or qualifications of health care practitioners, evaluating provider performance, conducting training programs, accreditation, certification, licensing, or credentialing activities; medical review, legal services, and auditing, including fraud and abuse detection and compliance; business planning and development; and business management and general administrative activities.

Other Disclosures
Your employer or group sponsor or Wellmark is required to obtain your explicit authorization for any use or disclosure of your health information that is not permitted or required by law. For example, we may release claim payment information to a friend or family member to act on your behalf during a hospitalization if you submit an authorization to release information to that person. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosures permitted by your authorization while it was in effect.

Member Health Support Services
Wellmark may from time to time make available to you certain health support services (such as disease management), for a fee or for no fee. Wellmark may offer financial and other incentives to you to use such services. As a part of the provision of these services, Wellmark may:

- Use your personal health information (including, but not limited to, substance abuse, mental health, and HIV/AIDS information); and
• Disclose such information to your health care providers and Wellmark’s health support service vendors, for purposes of providing such services to you.

Wellmark will use and disclose information according to the terms of our Privacy Practices Notice, which is available upon request or at Wellmark.com.

**Value Added or Innovative Benefits**

Wellmark may, from time to time, make available to you certain value added or innovative benefits for a fee or for no fee. Examples include Blue 365, identity theft protections, and discounts on alternative/preventive therapies, fitness, exercise and diet assistance, and elective procedures as well as resources to help you make more informed health decisions. Wellmark may also provide rewards or incentives under this plan if you participate in certain voluntary wellness activities or programs that encourage healthy behaviors. Your employer is responsible for any income and employment tax withholding, depositing and reporting obligations that may apply to the value of such rewards and incentives.

**Value-Based Programs**

Value-based programs involve local health care organizations that are held accountable for the quality and cost of care delivered to a defined population. Value-based programs can include accountable care organizations (ACOs), patient centered medical homes (PCMHs), and other programs developed by Wellmark, Blue Cross Blue Shield Association, or other Blue Cross Blue Shield health plans (“Blue Plans”). Wellmark and Blue Plans have entered into collaborative arrangements with value-based programs under which the health care providers participating in them are eligible for financial incentives relating to quality and cost-effective care of Wellmark members. Your claims information may be used by the value-based program and any providers involved in such value-based program.

**Nonassignment**

Benefits for covered services under this group health plan are for your personal benefit and cannot be transferred or assigned to anyone else without our consent. You are prohibited from assigning any claim or cause of action arising out of or relating to this group health plan. Any attempt to assign this group health plan or rights to payment will be void.

**Governing Law**

To the extent not superseded by the laws of the United States, the group health plan will be construed in accordance with and governed by the laws of the state of Iowa. Any action brought because of a claim under this plan will be litigated in the state or federal courts located in the state of Iowa and in no other.

**Legal Action**

You shall not start any legal action against us unless you have exhausted the applicable appeal process and the external review process described in the Appeals section.

You shall not bring any legal or equitable action against us because of a claim under this group health plan, or because of the alleged breach of this plan, more than two years after the end of the calendar year in which the services or supplies were provided.

**Medicaid Enrollment and Payments to Medicaid**

**Assignment of Rights**

This group health plan will provide payment of benefits for covered services to you, your beneficiary, or any other person who has been legally assigned the right to receive such benefits pursuant to Title XIX of the Social Security Act (Medicaid).
General Provisions

Enrollment Without Regard to Medicaid
Your receipt or eligibility for benefits under Medicaid will not affect your enrollment as a participant or beneficiary of this group health plan, nor will it affect our determination of benefits.

Acquisition by States of Rights of Third Parties
If payment has been made by Medicaid and Wellmark has a legal obligation to provide benefits for those services, Wellmark will make payment of those benefits in accordance with any state law under which a state acquires the right to such payments.

Medicaid Reimbursement
When a Participating Provider submits a claim to a state Medicaid program for a covered service and Wellmark reimburses the state Medicaid program for the service, Wellmark’s total payment for the service will be limited to the amount paid to the state Medicaid program. No additional payments will be made to the provider or to you.

Subrogation

Right of Subrogation
If you or your legal representative have a claim to recover money from a third party and this claim relates to an illness or injury for which this group health plan provides benefits, we, on behalf of your employer or group sponsor, will be subrogated to you and your legal representative’s rights to recover from the third party as a condition to your receipt of benefits.

Right of Reimbursement
If you have an illness or injury as a result of the act of a third party or arising out of obligations you have under a contract and you or your legal representative files a claim under this group health plan, as a condition of receipt of benefits, you or your legal representative must reimburse us for all benefits paid for the illness or injury from money received from the third party or its insurer, or under the contract, to the extent of the amount paid by this group health plan on the claim.

Once you receive benefits under this group health plan arising from an illness or injury, we will assume any legal rights you have to collect compensation, damages, or any other payment related to the illness or injury from any of the following:

- The responsible person or that person’s insurer.
- Uninsured motorist coverage.
- Underinsured motorist coverage.
- Other insurance coverage, including but not limited to homeowner’s, motor vehicle, or medical payments insurance.

You agree to recognize our rights under this group health plan to subrogation and reimbursement. These rights provide us with a priority over any money paid by a third party to you relative to the amount paid by this group health plan, including priority over any claim for non-medical charges, or other costs and expenses. We will assume all rights of recovery, to the extent of payment made under this group health plan, regardless of whether payment is made before or after settlement of a third party claim, and regardless of whether you have received full or complete compensation for an illness or injury.

Procedures for Subrogation and Reimbursement
You or your legal representative must do whatever we request with respect to the exercise of our subrogation and reimbursement rights, and you agree to do nothing to prejudice those rights. In addition, at the time of making a claim for benefits, you or your legal representative must inform us in writing if you have an illness or injury caused by a third party or arising out of obligations you have under a contract. You or your legal representative must provide the following information, by registered mail, within seven (7) days of such illness or injury to us as a condition to receipt of benefits:
The name, address, and telephone number of the third party that in any way caused the illness or injury or is a party to the contract, and of the attorney representing the third party;

The name, address and telephone number of the third party’s insurer and any insurer of you;

The name, address and telephone number of your attorney with respect to the third party’s act;

Prior to the meeting, the date, time and location of any meeting between the third party or his attorney and you, or your attorney;

All terms of any settlement offer made by the third party or his insurer or your insurer;

All information discovered by you or your attorney concerning the insurance coverage of the third party;

The amount and location of any money that is recovered by you from the third party or his insurer or your insurer, and the date that the money was received;

Prior to settlement, all information related to any oral or written settlement agreement between you and the third party or his insurer or your insurer;

All information regarding any legal action that has been brought on your behalf against the third party or his insurer;

All other information requested by us.

Send this information to:

Wellmark Blue Cross and Blue Shield of Iowa
1331 Grand Avenue, Station 5E151
Des Moines, IA 50309-2901

You also agree to all of the following:

You will immediately let us know about any potential claims or rights of recovery related to the illness or injury.

You will furnish any information and assistance that we determine we will need to enforce our rights under this group health plan.

You will do nothing to prejudice our rights and interests including, but not limited to, signing any release or waiver (or otherwise releasing) our rights, without obtaining our written permission.

You will not compromise, settle, surrender, or release any claim or right of recovery described above, without obtaining our written permission.

If payment is received from the other party or parties, you must reimburse us to the extent of benefit payments made under this group health plan.

In the event you or your attorney receive any funds in compensation for your illness or injury, you or your attorney will hold those funds (up to and including the amount of benefits paid under this group health plan in connection with the illness or injury) in trust for the benefit of this group health plan as trustee(s) for us until the extent of our right to reimbursement or subrogation has been resolved.

In the event you invoke your rights of recovery against a third-party related to the illness or injury, you will not seek an advancement of costs or fees from us.

The amount of our subrogation interest shall be paid first from any funds recovered on your behalf against the third party or his insurer; and

We will not be liable for payment of any share of attorneys’ fees or other expenses incurred in obtaining any recovery, except as expressly agreed in writing, and the “common fund” rule is specifically rejected and inapplicable under this group health plan.

It is further agreed that in the event that you fail to take the necessary legal action to recover from the responsible party, we shall have the option to do so and may proceed in
its name or your name against the responsible party and shall be entitled to the recovery of the amount of benefits paid under this group health plan and shall be entitled to recover its expenses, including reasonable attorney fees and costs, incurred for such recovery.

In the event we deem it necessary to institute legal action against you if you fail to repay us as required in this group health plan, you shall be liable for the amount of such payments made by us as well as all of our costs of collection, including reasonable attorney fees and costs.

You hereby authorize the deduction of any excess benefit received or benefits that should not have been paid, from any present or future compensation payments.

You and your covered family member(s) must notify us if you have the potential right to receive payment from someone else. You must cooperate with us to ensure that our rights to subrogation are protected.

Our right of subrogation and reimbursement under this group health plan applies to all rights of recovery, and not only to your right to compensation for medical expenses. A settlement or judgment structured in any manner not to include medical expenses, or an action brought by you or on your behalf which fails to state a claim for recovery of medical expenses, shall not defeat our rights of subrogation and reimbursement if there is any recovery on your claim.

We reserve the right to offset any amounts owed to us against any future claim payments.

Workers’ Compensation

If you have received benefits under this group health plan for an injury or condition that is the subject or basis of a workers’ compensation claim (whether litigated or not), we are entitled to reimbursement to the extent of benefits paid under this plan from your employer, your employer’s workers’ compensation carrier, or you in the event that your claim is accepted or adjudged to be covered under workers’ compensation.

Furthermore, we are entitled to reimbursement from you to the full extent of benefits paid out of any proceeds you receive from any workers’ compensation claim, regardless of whether you have been made whole or fully compensated for your losses, regardless of whether the proceeds represent a compromise or disputed settlement, and regardless of any characterization of the settlement proceeds by the parties to the settlement. We will not be liable for any attorney’s fees or other expenses incurred in obtaining any proceeds for any workers’ compensation claim.

We utilize industry standard methods to identify claims that may be work-related. This may result in initial payment of some claims that are work-related. We reserve the right to seek reimbursement of any such claim or to waive reimbursement of any claim, at our discretion.

Payment in Error

If for any reason we make payment in error, we may recover the amount we paid.

Notice

If a specific address has not been provided elsewhere in this benefit booklet, you may send any notice to Wellmark’s home office:

Wellmark Blue Cross and Blue Shield of Iowa
1331 Grand Avenue
Des Moines, IA 50309-2901

Any notice from Wellmark to you is acceptable when sent to your address as it appears on Wellmark’s records or the address of the group through which you are enrolled.

Submitting a Complaint

If you are dissatisfied or have a complaint regarding our products or services, call the Customer Service number on your ID card. We will attempt to resolve the issue in a
timely manner. You may also contact Customer Service for information on where to send a written complaint.
The definitions in this section are terms that are used in various sections of this benefit booklet. A term that appears in only one section is defined in that section.

**Accidental Injury.** An injury, independent of disease or bodily infirmity or any other cause, that happens by chance and requires immediate medical attention.

**Admission.** Formal acceptance as a patient to a hospital or other covered health care facility for a health condition.

**Amount Charged.** The amount that a provider bills for a service or supply or the retail price that a pharmacy charges for a prescription drug, whether or not it is covered under this group health plan.

**Benefits.** Medically necessary services or supplies that qualify for payment under this group health plan.

**BlueCard Program.** The Blue Cross and Blue Shield Association program that permits members of any Blue Cross or Blue Shield Plan to have access to the advantages of Participating Providers throughout the United States.

**Compounded Drugs.** Compounded prescription drugs are produced by combining, mixing, or altering ingredients by a pharmacist to create an alternate strength or dosage form tailored to the specialized medical needs of an individual patient when an FDA-approved drug is unavailable or a licensed health care provider decides that an FDA-approved drug is not appropriate for a patient’s medical needs.

**Creditable Coverage.** Any of the following categories of coverage:

- Group health plan (including government and church plans).
- Health insurance coverage (including group, individual, and short-term limited duration coverage).
- Medicare (Part A or B of Title XVIII of the Social Security Act).
- Medicaid (Title XIX of the Social Security Act).
- Medical care for members and certain former members of the uniformed services, and for their dependents (Chapter 55 of Title 10, United States Code).
- A medical care program of the Indian Health Service or of a tribal organization.
- A state health benefits risk pool.
- Federal Employee Health Benefit Plan (a health plan offered under Chapter 89 of Title 5, United States Code).
- A State Children’s Health Insurance Program (S-CHIP).
- A public health plan as defined in federal regulations (including health coverage provided under a plan established or maintained by a foreign country or political subdivision).
- A health benefits plan under Section 5(e) of the Peace Corps Act.
- An organized delivery system licensed by the director of public health.

**Domestic Partner.** An unmarried person who has signed an affidavit of domestic partnership with the plan member.

**Extended Home Skilled Nursing.** Treatment provided in the home by a registered (R.N.) or licensed practical nurse (L.P.N.) who is associated with an agency accredited by the Joint Commission for Accreditation of Health Care Organizations (JCAHO) or a Medicare-certified agency that is ordered by a physician and consists of four or more hours per day of continuous nursing care that requires the technical proficiency and knowledge of an R.N. or L.P.N.
**Group.** Those plan members who share a common relationship, such as employment or membership.

**Group Sponsor.** The entity that sponsors this group health plan.

**Illness or Injury.** Any bodily disorder, bodily injury, disease, or mental health condition, including pregnancy and complications of pregnancy.

**Inpatient.** Services received, or a person receiving services, while admitted to a health care facility for at least an overnight stay.

**Maintenance.** An industry-wide classification for prescription drug treatments to control specific, ongoing health conditions.

**Medical Appliance.** A device or mechanism designed to support or restrain part of the body (such as a splint, bandage or brace); to measure functioning or physical condition of the body (such as glucometers or devices to measure blood pressure); or to administer drugs (such as syringes).

**Medically Urgent Situation.** A situation where a longer, non-urgent response time to a pre-service notification could seriously jeopardize the life or health of the benefits plan member seeking services or, in the opinion of a physician with knowledge of the member’s medical condition, would subject the member to severe pain that cannot be managed without the services in question.

**Medicare.** The federal government health insurance program established under Title XVIII of the Social Security Act for people age 65 and older and for individuals of any age entitled to monthly disability benefits under Social Security or the Railroad Retirement Program. It is also for those with chronic renal disease who require hemodialysis or kidney transplant.

**Member.** A person covered under this group health plan.

**Nonparticipating Pharmacy.** A pharmacy that does not participate with the network used by your prescription drug benefits.

**Out-of-Network Provider.** A facility or practitioner that does not participate with either Wellmark or any other Blue Cross or Blue Shield Plan. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers.

**Outpatient.** Services received, or a person receiving services, in the outpatient department of a hospital, an ambulatory surgery center, or the home.

**Participating Pharmacy.** A pharmacy that participates with the network used by your prescription drug benefits. Pharmacies that do not contract with our pharmacy benefits manager are considered Out-of-Network Providers.

**Participating Providers.** Facilities or practitioners that participate with a Blue Cross and/or Blue Shield Plan. Pharmacies that contract with our pharmacy benefits manager are considered Participating Providers.

**Plan Member.** The person who signed for this group health plan.

**Plan Year.** A date used for purposes of determining compliance with federal legislation.

**Services or Supplies.** Any services, supplies, treatments, devices, or drugs, as applicable in the context of this benefit booklet, that may be used to diagnose or treat a medical condition.

**Specialty Drugs.** Drugs that are typically used for treating or managing chronic illnesses. These drugs are subject to restricted distribution by the U.S. Food and Drug Administration or require special handling, provider coordination, or patient education that may not be provided by a retail pharmacy. Some specialty drugs may be taken orally, but others may require
administration by injection, infusion, or inhalation.

**Spouse.** A man or woman lawfully married to a covered member.

**Urgent Care Centers** provide medical care without an appointment during all hours of operation to walk-in patients of all ages who are ill or injured and require immediate care but may not require the services of a hospital emergency room.

**We, Our, Us.** Wellmark Blue Cross and Blue Shield of Iowa.

**You, Your.** The plan member and family members eligible for coverage under this group health plan.

Required Federal Accessibility and Nondiscrimination Notice

Discrimination is against the law

Wellmark complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. Wellmark does not exclude people or treat them differently because of their race, color, national origin, age, disability or sex.

Wellmark provides:

- Free aids and services to people with disabilities so they may communicate effectively with us, such as:
- Qualified sign language interpreters
- Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Free language services to people whose primary language is not English, such as:
- Qualified interpreters
- Information written in other languages

If you need these services, call 800-524-9242.

주십시오. 주의: 한국어를 사용하시는 경우, 무료 언어 지원 서비스를 이용하실 수 있습니다. 800-524-9242 또는 (TTY: 888-781-4262)에 연락해 주십시오.

Attention: si vous parlez français, des services d’assistance dans votre langue sont à votre disposition gratuitement. Appellez le 800 524 9242 ou la ligne ATS au 888 781 4262.

If you believe that Wellmark has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file a grievance with: Wellmark Civil Rights Coordinator, 1331 Grand Avenue, Station 5W189, Des Moines, IA 50309-2901, 515-376-4500, TTY 888-781-4262, Fax 515-376-9073, Email CRC@Wellmark.com. You can file a grievance in person, by mail, fax or email. If you need help filing a grievance, the Wellmark Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal available at https://ocrportal.hhs.gov/ocr/portal/lobby.jsf, or by mail, phone or fax at: U.S. Department of Health and Human Services, 200 Independence Avenue S.W., Room 509F, HHI Building, Washington DC 20201, 800-368-1019, 800-537-7697 (TDD).
