

Dear Trail Point Aquatics & Wellness Member,

Greetings from the Trail Point Aquatics & Wellness team. We hope this email finds you well, and enjoying the last month of 2022. We appreciate you making us a part of your health and wellness journey!

Trail Point strives to operate at the highest level of quality and standards to meet and exceed the expectations of our Community. We have, and will continue to, invest in our facilities, equipment and programming.

Below are a few highlights:

- Specialized youth camps and clinics were introduced
- Gym 2 was redesigned and refinished to offer a better playing experience
- Studio 1 & Activity Zone had new, high-performance, flooring installed to provide greater versatility in group fitness classes and programming
- Gym 1 and the family area are scheduled to have a new flooring installed
- The carpet on the second floor will be replaced with a rubber flooring similar to the weight area
- New platforms, barbells, bumper plates and a cable machine

In order to maintain the level of quality and service you deserve and expect, a modest increase in Trail Point Aquatics & Wellness membership dues will be effective beginning on January 1, 2023.
