

Doctor On Demand - When You're Sick and Need to See a Doctor

HREXPRESS

February 2020

We all know friends and family members who have sniffles, a cold, or even the flu. If you or your family members are ill, contact Doctor On Demand.

With Doctor On Demand, you can receive video visits with board-certified physicians anytime, anywhere, using your smartphone, tablet or computer. Doctor on Demand is easy and available 24 hours a day, seven days a week, 365 days a year. A virtual visit is just a **\$10 copay**.

With Doctor On Demand, you can quickly connect with a doctor. The average wait time for a Doctor On Demand virtual visit is less than five minutes. Doctor On Demand providers send prescriptions to your pharmacy of choice.
