June 2020

Applications are now being accepted for the next CPM cohort (CPM 34). Classes start September 14 and will likely start in a virtual/online format then move back into the classroom on the Drake campus as circumstances allow.

[The Certified Public Manager® program \(CPM\)](#) is designed to benefit participants and their respective agencies. Managers and supervisors can enhance personal leadership strengths and find ways to become more effective in the workplace, while employers develop their talented supervisors and managers and help them take the next step in their careers.
