DEPARTMENT OF ADMINISTRATIVE SERVICES
HUMAN RESOURCES ENTERPRISE

PHARMACIST

DEFINITION
Performs professional pharmaceutical work formulating, manufacturing, compounding, storing and dispensing prescribed medications; or performs investigative, inspection, audit and administrative work in the enforcement of state drug, cosmetic and pharmacy practice laws for the Iowa Board of Pharmacy Examiners; performs related work as required.

The Work Examples and Competencies listed are for illustrative purposes only and not intended to be the primary basis for position classification decisions.

WORK EXAMPLES
Assists a supervisor by instructing employees, answering questions and distributing, balancing and checking work; may make suggestions on appointments, promotions, and reassignments.

Manufactures and compounds medications as requested by medical, dental or other qualified treatment staff.

Advises medical and other hospital staff in matters relating to drug activity and dosage.

Selects proper storage for drugs and chemicals with regard to humidity, permissible storage time, temperature and light sensitivity.

Maintains records for narcotics, depressants and stimulants in accordance with federal, state and local law.

Reviews invoices and billings; initiates purchase orders.

Confers with hospital or treatment staff, drug company representatives and representatives of the Iowa Board of Pharmacy.

Reviews patient records to observe and control inappropriate therapy and drug reactions.

Conducts surveys and inspections to insure accountability of controlled drugs; examines purchase and sales records and takes stock inventories in hospital and community pharmacies, drug wholesale houses, nursing homes, drug repackaging firms, individual dental, medical, and veterinary practitioner's offices and clinics.

Investigates reported and suspected violations of statutes and agency board rules to uncover cases of irregular pharmaceutical practices, adulteration and/or misbranding of prescription drugs; obtains evidence of suspected items and forwards them to the Board office for analysis, if necessary; interviews suspects and witnesses, and may appear as a witness in criminal court.

Confers with medical and nursing home personnel, hospital administrators, pharmacists and law enforcement personnel; promotes enforcement of state drug laws; provides verbal and written information and exchanges ideas.

Assists in the destruction or transfer of controlled substances from pharmacies where these substances have left the pharmacy's inventory but remain in its possession; assures proper and legal disposition of the substance.

Confers with medical, dental, podiatry and veterinary practitioners regarding their dispensing practices which do not conform to state or federal laws.

Conducts licensing examinations administered by the department as necessary.
COMPETENCIES REQUIRED

Knowledge of the procedures followed in compounding, filling, labeling and distributing medical prescriptions and in preparing pharmaceutical preparations for use in the pharmacy and in the various units of a hospital.

Knowledge of the various drugs, pharmaceuticals and other medical supplies and agents used in compounding and dispensing.
