Eligible outside retirement plan assets (457, non-Roth IRA, 401k, 403b, etc.) may roll into/out of RIC at any time.

Enrollment & Investments: Enrollment is always open. RIC providers shown below have everything you need to open your accounts, select investments, begin payroll deductions, and start receiving the match.

Each RIC provider offers a variety of investments (see reverse side), including guaranteed interest accounts, no-load/low-cost mutual funds, target date funds, and brokerage accounts. Investment advisors are able to explain the investments and answer questions at no extra cost. Investments have no sales charges, annual contract fees, fund transfer fees, or restrictions/penalties for eligible distributions and transfers between RIC providers. You may make changes to your investment options online, by phone, or with help from your advisor at any time.
