

Dear Trail Point Aquatics & Wellness Member,

Trail Point will always strive to operate at the highest level of quality and standards to meet and exceed the expectations of our members.

Members already receive a tremendous value and we will continue to make enhancements and additions in 2019.

- We have added 12 new pieces of cardio, strength and fitness equipment to better serve our members and assist them in reaching their fitness goals.
- Construction crews expanded Kids Zone to make the area larger for increased activity and equipment.
- This winter we will open "Kids Zone 2" – an additional space for our 6-8 year old members.
- The group fitness schedule has expanded to include free Les Mills Body Pump, with plans to add to additional Les Mills classes in early 2019.

In order to maintain this level of quality and service for our members, a modest increase in Trail Point Aquatics & Wellness membership dues will be effective January 1, 2019 and will be reflected in your January bank draft or credit card payment.

Membership Type	Current Monthly Rate	New Rate: January 1, 2019
Family	\$77.00	\$80.00
Adult	\$55.00	\$57.00
Youth	\$20.00	\$22.00
